*Bettie Page - Queen of
Hearts* Penguin UK
Newport, Rhode Island,
blessed with stunning
ocean vistas and constant
sea breezes, is home to
some of the most
exceptional private
residences in America. Its
deeply rooted history
makes it a perennial
destination, with more

than 3.5 million visitors
each year. Although it is
one of the most high
profile towns in the
country, Newport is also
one of the most
cloistered. Private
Newport: At Home and in
the Garden offers an
invitation to venture
beyond the privet hedges
and massive iron gates. It
is the first book to step
inside the privately owned
mansions to reveal a
diverse collection of

architectural jewels
complemented by
spectacular gardens.
These homes, created by
distinguished architects
and landscape designers,
are stunning examples of
Newport's 375-year "old-
world" heritage. Eighteen
exquisite and unique
homes are prominently
featured-from the resilient
crescent curve of majestic
Seafair, which withstood
the Hurricane of '38, to
the prizewinning Japanese

garden at Wildacre, to the nostalgic working farm of heritage breeds at Swiss Village-each contributing its own part to the "Eden of America."

Betty Page Chartwell
Books

Finally, a second book on glamour art by the author/artist of *Bettie Page: Queen of Hearts*. Now, for the first time, Jim Silke shares his hilarious first-person account of life as a "pinup" artist - from the comic-strip vixens that influenced his youth, to his real-life adventures photographing

Hollywood's most beautiful starlets and models, to his slaving over magical images of Bettie Page, Brigitte Bardot and a host of other beauties. Lavishly illustrated - with over 100 new images by Silke and classic "girl artists" George Petty, Coby Whitmore, Enoch Bolles, Al Parker, Rolf Armstrong and others. *Pin-Up: The Illegitimate Art* is a delightful, sharp, insightful look at the "bedtime babies," "devil women" and "bare-naked ladies" that graced the

walls-and hearts-of red-blooded lady lovers the world over. Silke is one of the few artists who could write this story. From his Grammy Award-winning stint as a music industry art director to his years as a magazine publisher, glamour photographer, screenwriter and comic book artist, Silke's sensual artistic vision has made a distinct and lasting impact on contemporary culture. *Pinups: Past and Present* Dark Horse Comics "Scrupulously researched . . . An eloquent fan, Foster brings insight into

Page's recent revival as a sex symbol."

—Entertainment Weekly
TWENTIETH ANNIVERSARY
EDITION UPDATED BY THE
AUTHOR WITH A NEW
EPILOGUE She has been called the most photographed model in history. From her modest beginnings in Nashville to her legacy as a cult figure, here is the true story of America's iconic pinup queen, legendary Playboy centerfold Bettie Page—including her stormy marriages, her trial for attempted murder, and her decade-

long isolation in a California mental institution. During the 1950s, Bettie set hearts ablaze with her killer curves and girl-next-door smile. Yet at the height of her popularity, with a promising acting career before her, she walked away. For more than thirty years, Bettie stayed hidden from the public eye, though she lived on in her fans' memories, much like Marilyn Monroe and James Dean. Journalist Richard Foster became the first reporter to contact Page during

her long absence, and the first to tell her full story. Using interviews with those who knew her, and filled with uncommon knowledge and insights, *The Real Bettie Page* reveals both the fun flirt and fashion-forward counter-culture icon whose style continues to inspire today, as well as the intriguing and complex, flesh-and-blood woman behind her smiling photos. Includes classic and rare color and black-and-white photos
Bettie Page #1 Random House

When the documentary *Bettie Page Reveals All* was released in 2013, it would have been easy to assume we would never again hear directly from the adored icon. After all, the film is narrated by Bettie Mae Page herself, and she spills on lots of subjects that she had previously kept private—even in her authorized biography—though she does maintain her own decades-long, no-photos rule in the movie. She loathed the effects of aging, said it made her

sad to see her own celebrity idols when they were older, and wanted people to remember her as she looked in her pinup days. Fortunately for the hordes of Bettie fans worldwide, a bounty of unreleased Bettie material awaits. For years—since before Bettie’s death from heart failure in December 2008 at the age of 85—boxes and file folders of Bettie mementoes have been gathering dust in the closets of Bettie’s nephew’s house. Ron Brem, a musician living in Bakersfield, California, is

the only child of Bettie’s beloved sister, Goldie Jane Page. Bettie never had kids, other than three stepchildren during one of her four marriages to three men (she married one twice). Goldie was also an aspiring model and actress but later settled into housewifery before eventually becoming an art teacher and gallery owner. She died during the summer of 2004, but in the several years before her death, she had carefully stored heaps of incredible family photos, the bulk of which

feature Bettie as either the sole subject or part of the shot. None of these hundreds of photos has ever been published until now, and few people even know they exist. Goldie also saved approximately 29 letters from Bettie spanning the years 1949 to 2000, ranging in length from note-size to 18 full pages, which tell the unknown story of Bettie's "lost years" following her retirement from modeling in 1957.

Bettie Page Rules! DH Press

Includes a bonus comic that was originally published in Playboy Magazine.

Bettie Page Bulfinch
Brush with Passion charts the career of Dave Stevens, one of the most beloved and influential of all comic illustrators. He discusses his beginnings

as a comic artist, the struggle to bring *The Rocketeer* to the big screen, his work as a storyboard artist for *Raiders of the Lost Ark* and Michael Jackson's "Thriller" video, and other career highlights. Equally renowned as a pin-up artist, Stevens also recounts his friendship with reclusive model Bettie Page. Along with a wealth of iconic paintings and previously unpublished artwork, the book features commentary by comic book greats Todd Schorr,

Richard Hescox, Michael William Kaluta, and William Stout.
The Art of Comic Book Inking (Third Edition)
 Hachette UK
 The ultimate girl-next-door, and one of the most popular Playboy centerfolds, Bettie Page challenged the conservative 1950s, posing as a fierce dominatrix, and earning both a cult underground following and a Senate Committee investigation. This book chronicles Page's life and career, telling the incredible story

of a woman who has left an indelible mark on the history of popular culture. 500 photos.

Strange Chemistry
In the world of contemporary pin-up art, few artists can capture the sexy essence of a

gorgeous woman as well and as wonderfully as Jim Silke. For years Silke's signature luscious paintings and sensuous drawings have delighted the hearts and eyes of everyone who appreciates the beauty and grace of the female form, as portrayed in his other bestselling art books, including *Bettie Page, Queen of Hearts and Pin-Up: The Illegitimate Art*. This time, the pin-up master strips his subjects of dress and other distractions to better reveal the delicious

details that are usually hidden from admiring eyes. And, as fans have come to expect from the gentleman genius behind the brush, Silke adorns his intoxicating imagery with sage insight and cunning wit, as he recounts his long and exceedingly happy career flirting with fine art and foxy women. [The Early Photographs of Bettie Page](#) Fantagraphics Books
The industry-standard manual for aspiring inkers and working professionals returns in a new expanded edition. Gain

insights into the techniques, tools, and approaches of some of the finest ink artists in comics, including Terry Austin, Mark Farmer, Scott Williams, Alex Garner, and many more. This expanded edition features new art and text by author Gary Martin and a bonus chapter on digital inking by artist Leo Vitalis. Also included are eight

full-sized blue-lined art boards featuring pencil art by top comics illustrators, present and past, to use for practice or as samples to show editors and publishers. Along with pen, brush, and stylus, no inking tool is more useful than *The Art of Comic-Book Inking*. *Bettie Page* Bluewater Productions

Stunning starlet Bettie Page has signed on to a new "tastefully sensual" fantasy film, shooting on a secluded tropical island. But when one of her cast members is MURDERED, everyone on the island is a suspect! WHO is the killer? WHAT is the film's producer hiding? HOW do they get off the island? You'll have to read to discover WHODUNNIT...!
