of the four required Living Environment laboratory activities disseminated to living environment teachers in September 2002. These laboratory activities are:

- o Laboratory Activity #1—Relationships and Biodiversity
- o Laboratory Activity #2—Making Connections
- o Laboratory Activity #3—The Beaks of Finches

THE STATE EDUCATION DEPARTMENT

In this part of the laboratory activity, you will make a few observations about yourself and your classmates; then you will look for patterns or connections. Safety is important during any laboratory activity. Although no dangerous chemicals or heat sources are used in this investigation, be sure you are careful and behave responsibly.
