Ingles Instantaneo Edizioni Gribaudo

Filled with fascinating information, this brief and entertaining survey features some of the major literary masterpieces of nineteenth-century England. If you ever wanted to know which Thomas Hardy novel to read first, or just wanted to hold your own at a cocktail party of English professors, this book is for you. In addition to telling you why Reverend Patrick Bronte burned his children's new red shoes, and whether George Eliot was a man or woman and more, INSTANT ENGLISH LITERATURE offers special features—including chapter summaries, lists of who's who, biographical and historical tidbits, title lists, and a host of illustrations, photos, and cartoons.

Einstein's Instant English Jossey-Bass

Enfin une méthode révolutionnaire pour apprendre et améliorer rapidement, de façon ludique et efficace, son anglais ! Aujourd'hui, parler anglais est devenu une nécessité. Alors qu'attendez-vous ? Ne perdez pas de temps et rejoignez les milliers d'adeptes de cette méthode hors du commun créée par John Peter Sloan ! Let's go ! Faites décoller votre anglais ! Dedicato a tutti gli italiani che pensavano di essere LORO il problema! Come insegnante di un'importante scuola di inglese in Italia, mi sono subito reso conto che il metodo che veniva utilizzato era inefficace e difficile per gli studenti italiani. Tanti concetti che non esistono nella lingua italiana non potevano essere compresi nel modo corretto se spiegati in inglese, secondo il metodo di quella scuola. Mi sono, quindi, trovato a spiegarli in italiano, di nascosto, e questo per gli studenti ha significato spiccare il volo... Davo loro qualche vocabolo e qualche verbo in modo che potessero formulare fin da subito delle frasi in inglese, grazie al metodo dei BUILDING BLOCKS, sempre scegliendo esempi comici per un motivo molto semplice: quando uno si diverte, impara più volentieri. Tutti i miei studenti si ricordano ancora, a distanza di anni, le pazzie storielle scritte da me per insegnare loro le regole... e con le storielle si ricordano anche la grammatica! Il mio metodo, basato fondamentalmente sulla semplicità, sulla logica e il buonsenso è diventato così popolare che ora ho deciso di mettere tutto in un libro, perché imparare l'inglese può essere davvero divertente se affronti ogni esercizio come un gioco o un puzzle! E poi, apprendere le regole fondamentali sarà ancora più entusiasmante dal momento che potrai direttamente applicarle al tuo inglese in viaggio, al lavoro, e utilizzarle per scoprire tutti i piccoli segreti di ogni inglese, come le frasi più tipiche e diffuse: gli idioms.

Instant English Laurel

Spanish speakers learning English will find that words in English are nearly the same as their Spanish counterparts, except for the word ending. This unique book identifies the 23 most common word-ending patterns between these languages and provides almost 4,000 words that follow them. For

example, many Spanish words that end in "-ancia" (distancia, importancia, etc.) correspond to English words that end in "-ance" (distance, importance, etc.). Similarly, Spanish words ending in "-ario" (necesario, ordinario, etc.) correspond to English words that end in "-ary" (necessary, ordinary, etc.). Using this system for learning, students can add thousands of new English words to their vocabulary. Perfect as a classroom supplement or for self-study for ESL students and other Spanish speakers who are learning English, it is appropriate for all ages and levels of experience. The accompanying audio (available for free download) allows students to master pronunciation of the most common words and phrases from each chapter by repeating them after a native English speaker.

[English for the Baccalaureate and Entrance Examinations](#)

Einstein presents a magic activity book for young children and teens learning English as a second language. It is sure to be treasured and reread over the years as the child's use of English matures. Einstein is a brilliant little bee whose buzz not only reminds the reader of the so-difficult-to-remember "S" (he sings, she rings, it stings) but also that it is generally pronounced as "zz." There are many people who speak English fluently and have a large vocabulary but habitually omit the "S." Starting with a little song for the basic "I am, You are" the learner progresses to "The Rebel Verb Song" where all one hundred twenty important irregular verbs are learned effortlessly to the playful tune of "Three Blind Mice." The variety and scope make Einstein ideal for self-correction for learners of all ages and stages. Through jokes, amusing pictures, quizzes, tongue twisters, witty comments. and simple, catchy rhymes, Einstein tricks the learner to unconsciously memorize and absorb confusing expressions and intricate grammatical concepts. The audio book for pronunciation is a must!
