### **Twenty-One Days in India** e-artnow sro

Whaleback City is a unique anthology of poems inspired by the city of Dundee and its surroundings. In it you will find poems about the city, its history, its architecture and its landscape. There are poems spanning six centuries, capturing the spirit and temperament of its people, both celebrated and ordinary. Poets range from Sir Walter Scott and William McGonagall through to contemporary voices such as Douglas Dunn and Don Paterson. The poems themselves speak of subjects as diverse as the Tay and its bridges, the Jute industry, Liz McColgan, the People's Friend, Dens Road Market and a hundred other things that are uniquely Dundonian. Whether you love poetry or you love Dundee, this is a very special collection saluting Scotland's most industrious and enterprising city.

### **OECD Urban Policy Reviews A Territorial Approach to the Sustainable Development Goals Synthesis report** Edinburgh University Press

Precise shifts in the ways people make sense of themselves, others, and social situations can help people flourish. This compelling handbook synthesizes the growing body of research on wise interventions--brief, nonclinical strategies that are "wise" to the impact of social-psychological processes on behavior. Leading authorities describe how maladaptive or pejorative interpretations can undermine people's functioning and how they can be altered to produce benefits in such areas as academic motivation and achievement, health, well-being, and personal relationships. Consistently formatted chapters review the development of each intervention, how it can be implemented, its evidence base, and implications for solving personal and societal problems.

The Day I Clean My Last Toilet Lulu Press, Inc

What is the smartest, most celebrated game show of all time? In this insider's guide, discover the rich history of Jeopardy! -- the beloved game show that has shaped our culture and entertained audiences for years. Jeopardy! is a lot of things: record-setting game show, beloved family tradition, and proving ground for many of North America's best and brightest. Nearly four decades into its current edition, Jeopardy! now finds itself facing unprecedented change. This is the chronicle of how the show became a cross-generational touchstone and where it's going next. **ANSWERS IN THE FORM OF QUESTIONS** dives deep behind the scenes, with longtime host Alex Trebek talking about his life and legacy and the show's producers and writers explaining how they put together the nightly game. Readers will travel to bar trivia showdowns with the show's biggest winners and training sessions with trivia whizzes prepping for their shot onstage. And they'll discover new tales of the show's most notable moments--like the time the Clue Crew almost slid off a glacier--and learn how celebrity cameos and Saturday Night Live spoofs built a television mainstay. **ANSWERS IN THE FORM OF QUESTIONS** looks to the past -- and the future -- to explain what Jeopardy! really is: a tradition unlike any other.

A Spirit-Lifting Devotional Zondervan

Fifty years ago, after a long delay, the government acted to close down the dozen or so pirate radio stations which had sprung up around the British coast. Many of the stories about those ships and offshore forts, and the personalities involved, are well known, but this book asks intriguing questions about what was really going on behind the scenes. It is common to conflate the rise of the UK pirate

radio stations with the liberation struggles going on at the same time: civil rights protests, anti-war movements, student unrest and increasingly liberal attitudes to sex. Fifty years on we can appreciate the reality: the people behind the early offshore stations were frequently motivated by very different agendas and often the ships and forts were simply pawns in much bigger power games. *Pirate Gold* shines a light on the social, political and technological background to the rise of the UK offshore pirate stations and their lasting effect on British radio broadcasting.

Daily Guideposts, America's bestselling annual devotional, is a 365-day devotional from the Editors of Guideposts that will help readers grow in their faith every day of the year. Daily Guideposts 2019 centers on the theme "In the Shadow of Your Wings," based on Psalm 91:4, and is filled with brand-new devotions from fifty writers. Each day readers will enjoy a Scripture verse, a true first-person story told in an informal, conversational style, which shares the ways God speaks to us in the ordinary events of life, and a brief prayer to help focus the reader to apply the day's message. For those who wish for more, "Digging Deeper" provides additional Bible references that relate to the day's reading. Enjoy favorite writers like Debbie Macomber, Edward Grinnan, Elizabeth Sherrill, Patricia Lorenz, Julia Attaway, Karen Barber, Sabra Ciancanelli, Marion Bond West, Mark Collins, and Rick Hamlin. In just five minutes a day, Daily Guideposts helps readers find the spiritual richness in their own lives and welcomes them into a remarkable family of over one million people brought together by a desire to grow every day of the year.

Daily Guideposts 2019A Spirit-Lifting Devotional Zondervan

*Media Today* Publications International, Limited

National oil companies are big business with about 80 percent of the world's proven oil reserves, and they are crucial to the world's energy supplies. They are giants, some of the world's largest companies, measured by market capitalisation, cash flow and investment. Little is known about their modus operandi, how they make decisions about investment and production or about relations with their government-owners. However, it is known that they conduct business with a political mandate, often with multiple long-term objectives, broadly defined and hard to quantify. Unclear mandates give national oil companies leeway to pursue their own distinctive interests, apart from those of the government-owner. As investors, governments are less zealous than private investors. They generally observe multiple objectives, not only return on capital. Therefore, the senior management of national oil companies enjoy more discretionary power and consider longer time horizons than their counterparts in the private sector. *The Oil Business and the State* explains the practice of state ownership in a capital-intensive industry with high risks and high return, and how these companies act in a market with imperfect competition. This book looks to give readers more insight into the oil industry, into the background of oil exporting countries as well as the economic and political

challenges confronting them, including problems of state ownership. The book discusses wider consequences of China replacing the United States as the world's leading oil importer. It will be of interest to researchers, academics and students in the fields of international business, management history, corporate governance, political economy and economic development of oil-rich countries. Arcadia Publishing

Have you ever worked at a job you hate? Some place you've spent years toiling away only to realize you're stuck with no place to go? Then you can relate to some of the things in this book. With over twenty years' experience in the public school system, a janitor can tell you some stories. Dirty situations, limitless bosses, insane coworkers, all told through the eyes of a mop jockey. With colorful characters leading the way, *The Day I Clean My Last Toilet* will make you laugh, cry, and ponder your current work situation.

*Chase's Calendar of Events 2019* Twelve

This seventh edition of Joseph Turow's pathbreaking media textbook uses convergence as a lens that puts students at the center of the profound changes in the 21st century media world. It teaches students to think critically about the role of media, and what these changes mean for their lives. The book's media systems approach helps students to look carefully at how media content is created, distributed, and exhibited in the new world that the digital revolution has created. The first part examines the media world as a whole, while the second delves deep into key media industries, such as the movie, book, and video game industries. This new edition includes critical expanded coverage of social media, as well as updated figures, tables, and pedagogy, including key terms and further activities. *Media Today* is an excellent introduction to the world of media in the digital age. From news media to video games and social networking to mobile platforms, it provides students with the tools they need to understand and critique the media they encounter and consume. Extensive pedagogical materials also make this a highly teachable book, well suited to the classroom. The accompanying website has also been updated with new student and instructor resources, including chapter recaps, recommended readings, and instructor's manual.

*Fearless Tarot* OECD Publishing

There's a special bond between grandparents and their grandchildren, and an unconditional love that is truly special. Whether an experienced grandparent, or a grandparent-to-be, you'll enjoy these 101 heartwarming, amusing and inspirational stories. The moment a grandchild is born, a grandparent is born too.
