Legends II: Shadows, Gods, and Demons Harper Collins

Llena de magia y maldad, de heroísmo y deshonor, pasión y aventura, *Aprendiz de Asesino* es la novela de una irresistible voz dentro de la Gran Fantasía. La narrativa refrescante y original de Robin Hobb es el comienzo de una nueva época dentro de la literatura fantástica. El joven Traspíe es el hijo bastardo del noble príncipe Hidalgo, heredero al trono de los seis ducados. Después de ser rechazado por su familia, es llevado a la corte real donde crece bajo la tutela del arisco caballero de su padre.

Shanghai Redemption PLAZA JANÉS

Deep in the world of sorcerers, Caiman devises a daring plan to sneak into En's mansion under the guise of a meat-pie competition, posing as Tanba's wife (!) in order to infiltrate the darkest recesses of the crime lord's sprawling estate. Unfortunately, the contract Nikaido was forced to sign with En is affecting her memory, and she may not even remember Caiman when he manages to get to her. Meanwhile, the Professor and his friends engineer their own escape from En's dungeon with the help of a surprising friend from the Professor's past. And finally, the mysterious Risu does a little digging of his own, tracking down the Cross-Eye hideout in a distant town. -- VIZ Media

Inspired by the author's own experience, this is "a beautiful love story, and an extraordinary story of loss" (Colm Tóibín). In 2005, celebrated novelist Francisco Goldman married Aura Estrada at a Mexican hacienda. More than twenty years his junior, Aura was a gifted young writer on the cusp of her own brilliant career, and the two were deeply in love. Then, a month before their second anniversary, Aura broke her neck bodysurfing while they were on vacation. Goldman was blamed by Aura's family—and crippled by his own grief and self-recrimination. In the aftermath of the accident, he wrote *Say Her Name*, pouring his feelings of love and unspeakable loss into a fictionalized account of their brief time together. Hungry to keep Aura alive in his memory, Goldman collects everything he can about his dead wife. From her childhood and university days in Mexico City with her fiercely devoted mother to her studies at Columbia University, through the couple's time in New York City and travels to Mexico and Europe, Goldman seeks her essence and grieves her loss, using the writings she left behind as his prism. Filled with "propulsive drama" (The Boston Globe), *Say Her Name* is a tribute to Aura, who she was and who she would've been, that "will transport you into the most primal joy in the human repertoire—the joy of loving" (San Francisco Chronicle).

A dark episode unfolds by flashback in Professor Kasukabe's past, bringing him closer to the identity of the Cross-Eyes' mysteriously powerful wax doll. The amnesiac Ebisu begins to regain her memories while Caiman and Nikaido face off in a vicious battle against En. The spiral of mystery, danger, and violence leads directly back to Caiman's true identity... -- VIZ Media

Cada vez más cerca de su objetivo, Althea deberá enfrentarse al incansable pirata Kennit, al tiempo que la revelación del secreto de los barcos pone a la nave Vivacia en peligro... De la autora bestseller de *The New York Times*, Robin Hobb, la voz tras el éxito mundial de la serie del *Vatídico*. Misteriosos personajes y peligrosas aventuras acompañan esta segunda entrega de *Las Leyes del Mar*, que sigue la historia de Althea Vestrit. La maldición milenaria de los Antiguos Mercaderes del Mitonar se va erosionando poco a poco bajo la mano de hierro de un nuevo soberano corrupto. Mientras tanto, los Vestrit esperan ansiosamente a Althea, quien ha encontrado un nuevo hogar en el barco viviente Ofelia. Pero nuestra protagonista no deja de pensar en recuperar su legítima herencia, la nave Vivacia, y viajar con ella libremente por los mares. Junto a Brashen, su antiguo compañero de aventuras marítimas, tratará de rescatarla del cruel pirata Kennit, quien, además, ha secuestrado a su padre y a Wintrow, su sobrino. Más allá del Mitonar, la enigmática Ámbar sueña con revivir el Dechado, sin importarle las leyendas de muerte y desesperanza que lo rodean. En *Las naves de la locura*, segunda entrega de *Las Leyes del Mar*, se revelarán secretos que provocarán sorprendentes y dramáticas consecuencias para el destino de todos los personajes. La crítica ha opinado: "Como los mejores autores, Hobb nos refleja en sus personajes. Sus deseos y sus defectos son los nuestros, y nuestra concepción del mundo cambia a través de sus experiencias. Ésa es la ambición del arte más elevado." - The Telegraph

The Wilful Princess and the Piebald Prince Voyager

A gorgeously illustrated anniversary edition of the book that launched the epic *Farseer Trilogy*, praised by George R. R. Martin as "fantasy as it ought to be written" and Lin-Manuel Miranda as "an incredible series," featuring a new foreword by Robin Hobb and ten illustrations. Twenty-five years ago, Robin Hobb's first novel featuring FitzChivalry Farseer and his mysterious, often maddening friend the Fool struck like a bolt of brilliant lightning. Thus began a beloved saga spanning multiple series, full of adventure, magic, and sinister plots. To celebrate a quarter-century of wonder, this special edition of *Assassin's Apprentice* presents a modern classic as it's never been seen before: in hardcover, with ten beautiful illustrations by Magali Villeneuve. Young Fitz is the bastard son of the noble Prince Chivalry, raised in the shadow of the royal court by his father's gruff stableman. He is treated as an outcast by all the royalty except the devious King Shrewd, who has him secretly tutored in the arts of the assassin. For in Fitz's blood runs the magic Skill—and the darker knowledge of a child raised with the stable hounds and rejected by his family. As barbarous raiders ravage the coasts, Fitz is growing to manhood. Soon he will face his first dangerous, soul-shattering mission. And though some regard him as a threat to the throne, he may just be the key to the survival of the

kingdom. Praise for Robin Hobb and Assassin's Apprentice "Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin "A gleaming debut in the crowded field of epic fantasies . . . a delightful take on the powers and politics behind the throne."—Publishers Weekly "This is the kind of book you fall into, and start reading slower as you get to the end, because you don't want it to be over."—Steven Brust

"An enthralling conclusion to this superb trilogy, displaying an exceptional combination of originality, magic, adventure, character, and drama."—Kirkus Reviews (starred review) King Shrewd is dead at the hands of his son Regal. As is Fitz—or so his enemies and friends believe. But with the help of his allies and his beast magic, he emerges from the grave, deeply scarred in body and soul. The kingdom also teeters toward ruin: Regal has plundered and abandoned the capital, while the rightful heir, Prince Verity, is lost to his mad quest—perhaps to death. Only Verity's return—or the heir his princess carries—can save the Six Duchies. But Fitz will not wait. Driven by loss and bitter memories, he undertakes a quest: to kill Regal. The journey casts him into deep waters, as he discovers wild currents of magic within him—currents that will either drown him or make him something more than he was. Praise for Robin Hobb and Assassin's Quest "Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin "Superbly written, wholly satisfying, unforgettable: better than any fantasy trilogy in print—including mine!"—Melanie Rawn *Luck of the Wheels (The Ki and Vandien Quartet, Book 4)* HarperCollins UK

The Professor's found the home of his estranged wife, but there's no sign of her in the tiny cottage. Hot on the Professor's heels, Shin and Noi find themselves in serious trouble with the home's new occupants: a gang of En's rivals with powerful abilities. Meanwhile, political intrigue boils among the demons in hell, and Caiman and Nikaido try to repair their friendship after a vicious and near-fatal duel. Fujita inches closer to his long-awaited revenge against Caiman, Risu inches closer to the leader of the Cross-Eyes, and Ebisu inches closer to her past in this highly anticipated volume of Dorohedoro! -- VIZ Media

"Jon Snow won't be the only 'bastard' whose name readers will remember." -- Entertainment Weekly Being a bastard blows. Tilla would know. Her father, Lord Kent of the Western Province, loved her as a child, but cast her aside as soon as he had trueborn children. At sixteen, Tilla spends her days exploring long-forgotten tunnels beneath the castle with her stablehand half-brother, Jax, and her nights drinking with the servants, passing out on Jax's floor while her castle bedroom collects dust. Tilla longs to sit by her father's side, enjoying feasts with the rest of the family. Instead, she sits with the other bastards, like Miles of House Hampstedt, an awkward scholar who's been in love with Tilla since they were children. Then, at a feast honoring the visiting princess Lyriana, the royal shocks everyone by choosing to sit at the Bastards' Table. Before she knows it, Tilla is leading the sheltered princess on a late-night escapade. Along with Jax, Miles, and fellow bastard Zell, a Zitochi warrior from the north, they stumble upon a crime they were never meant to witness. The bastards band

together, realizing they alone have the power to prevent a civil war that will tear their kingdom apart -- if they can warn the king in time. And if they can survive the journey...

Ship of Destiny Voyager

Robin Hobb continúa revitalizando un género que suele parecer ordinario, renovándolo de formas que van desde lo sutil hasta lo impactante. El joven Traspíe Hidalgo se convierte en el catalizador que habrá de alterar la trayectoria de una casa real en grave peligro, en este estremecedor relato del reino costero de los Seis Ducados. Traspíe ha sobrevivido a su primera misión peligrosa como asesino del rey, aunque al final ha salido muy mal parado. Maltrecho y resentido, se propone quebrantar su juramento al rey Artimañas y quedarse en las lejanas montañas. Pero el amor y unos hechos de tremenda urgencia lo llevan de regreso a la corte de Torre del Alce y a las mortíferas intrigas de la familia real. Los Corsarios de la Vela Roja, renovando sus feroces ataques sobre la costa, dejan a su paso aldeas calcinadas y víctimas enloquecidas. El reino sufre asimismo un ataque desde dentro, pues la traición amenaza el trono del rey afligido. En este momento de gran peligro, la suerte del reino podría estar en manos de Traspíe, cuyo papel en la salvación de los Seis Ducados bien pudiera exigirle el más terrible de los sacrificios... Otros autores han opinado: "Adoro a Robbin Hobb " -Patrick Rothfuss

An Inspector Chen Novel PLAZA JANÉS

"The system has no place for a cop who puts justice above the interests of the Party. It's a miracle that I survived as long as I did." For years, Chen Cao managed to balance the interests of the Communist Party and the promises made by his job. He was both a Chief Inspector of Special Investigations of the Shanghai Police Department and the deputy party secretary of the bureau. He was considered a potential rising star in the Party until, after one too many controversial cases that embarrassed powerful elements in the Party, Chen Cao found himself neutralized. Under the guise of a major promotion, a new position with a substantial title but no power, he's stripped of his job duties and isolated. But that's still not enough, as it becomes increasingly clear that someone is attempting to set him up, for public disgrace and possibly worse. Chen Cao is technically in charge of the corruption case of a "Red Prince"---a powerful, high Party figure who embodies the ruthless ambition, greed, and corruption that is increasingly evident in the new China. This "Red Prince" has the kind of connections and power to deflect any attempts to bring him to justice. Now with no power, few allies, and with his own reputation on the line, the former Inspector Chen is facing the most dangerous investigation of his career, and his life.

The Legend of Drizzt Minotaur Books

Drow ranger Drizzt Do'Urden, first introduced in The Icewind Dale Trilogy, quickly became one of the fantasy genre's standout characters. But Homeland first reveals the startling tale of how this one lone drow walked out of the shadowy depths of the Underdark, leaving behind a society of evil and a family who want him dead. It is here that the story of this amazing dark elf truly began.

The Farseer Trilogy Book 1 Delacorte Press

Internationally-bestselling, critically-acclaimed author Robin Hobb takes readers deep into the history behind the Farseer series in this exclusive, new novella. Long before the time of Chivalry Farseer, there was another indiscreet member of the royal line. Princess Caution Farseer, in defiance of her name, was headstrong and willful, destined to fall dangerously in love where she ought not.

The child she bore, a Witted boy known as the Piebald Prince, rose to favour despite his questionable bloodlines. But the dukes of the Six Duchies backed Canny Farseer for the throne. And so both young men competed for power... But this was not their only struggle: for they both fell in love with the same lady. Such rivalry could end only in bloodshed... A tale of love and secrets, magic and manipulation, heartbreak and murder most foul: only a true-tongued minstrel can reveal the real story of the Wilful Princess and the Piebald Prince.

Alien Earth Harper Collins

"Robin Hobb es una de las grandes escritoras modernas de fantasía. Que sus novelas sean tan adictivas como la morfina no sólo se debe a su brillante inventiva, sino al modo en que sus personajes se ven implicados y manipulados por el juego de la política." -The Times "En el abigarrado mundo de la literatura fantástica, los libros de Robin Hobb son diamantes en un océano de imitaciones" -George R. R. Martin Traspíe, hijo bastardo del noble príncipe Hidalgo, es heredero al trono de los Seis Ducados. Después de ser rechazado por su familia es llevado a la corte real, donde crece bajo la tutela del arisco caballero de su padre. Todos los miembros de la realeza lo consideran un paria, salvo el taimado rey Artimañas -su abuelo-, quien busca que sea instruido en las artes del asesinato, ya que por sus venas corre la sangre de una Habilidad mágica. Mientras los bárbaros invasores saquean las costas, Traspíe se convierte en un hombre. Pronto deberá enfrentar su primera misión, tan peligrosa como desoladora. Y aunque hay quienes ven en él una amenaza para el trono, quizá posea la fórmula secreta para la supervivencia del reino.

"A truly extraordinary saga . . . The characterizations are consistently superb, and [Hobb] animates

everything with love for and knowledge of the sea."—Booklist As the ancient tradition of Bingtown's Old Traders slowly erodes under the cold new order of a corrupt ruler, the Vestrits anxiously await the return of their liveship—a rare magic ship carved from sentient wizardwood, which bonds the ships mystically with those who sail them. And Althea Vestrit waits even more avidly, living only to reclaim the ship as her lost inheritance and captain her on the high seas. But the Vivacia has been seized by the ruthless pirate captain Kennit, who holds Althea's nephew and his father hostage. Althea and her onetime sea mate Brashen resolve to liberate the liveship—but their plan may prove more dangerous than leaving the Vivacia in Kennit's ambitious grasp. BONUS: This edition includes an excerpt from Robin Hobb's *Ship of Destiny*. Praise for Robin Hobb and the *Liveship Traders* Trilogy "Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin "A major work of high fantasy, reading like a cross between Tolkien and Patrick O'Brian . . . one of the finest fantasy sagas to bridge the millennium."—Publishers Weekly "Rich, complex . . . [Hobb's] plotting is complex but tightly controlled, and her descriptive powers match her excellent visual imagination. But her chief virtue is that she delineates character extremely well."—Interzone
