HarperCollins

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed

with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for

him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by

a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

English Vocabulary in Use McGraw Hill Professional

Vocabulary in Use Pre-intermediate and Intermediate is a vocabulary book for intermediate learners of English, primarily designed as a self-study reference and practice book, but which can also be used for classroom work. In its style and format it is similar to its upper intermediate and advanced equivalent, English Vocabulary in Use. - 100 easy-to-use units: over 2,500 vocabulary items in a wide range of topic areas are presented, contextualise and

explained and explained on left-hand pages with a variety of follow-up activities on right-hand pages. - Helps to build on and expand existing vocabulary. - Suggests tips and techniques for good learning habits. - Designed to be flexible: can be used both for self-study and in class. - Provides a comprehensive key with not only answers to the exercises but also more comments on how the language is used. - Includes a detailed index with phonetic transcriptions.

Cambridge University Press

This book, with illustrative, practical, real-life situations one can easily identify with, guides the learner, step-by-step,

through the intricacies of English grammar and usage, to widen his/her vocabulary and powers of expression. It is an invaluable and indispensable companion for all who wish to acquire proficiency in the art of English conversation. K. S. Sunita, Annie Pothan and Dr. Sumita Roy teach English at the Osmania University College for Women, Hyderabad. They have been closely associated with the English Language Teaching Cell (ELTC) of the college. They participate actively in national seminars and are the authors of many publications on a variety of subjects.

The English Vocabulary Builder Sterling Publishers Pvt. Ltd

The book, English Vocabulary Made Easy has been written by Professor Shrikant Prason, a well-known and versatile

author of many books in English and other languages. The book contains three distinct sections, each containing different types of words that include Countable and Uncountable Nouns, Words in Singular and Plural, Words Commonly Mispronounced, Misspelt, Formation of Words, Compound Formation, Duplication, Conversion, Clippings, Acronyms, Comparisons, Antonyms, Synonyms, Prefixes, Suffixes, etc. The main purpose of the book is to enhance and enrich your English vocabulary by reading, understanding and learning as many words as possible; and also their usage in written and oral communication. This book is different from other vocabulary books, as it deals exhaustively with the words, their usage and also there is a grammar portion

included in it which will certainly help the readers, particularly the young ones studying in schools and colleges and the ones opting for competitive exams, like TOEFL, Civil Services, Banking Services, Government Jobs, etc.

Easy English Vocabulary Games Penguin
A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades - no, for centuries - have been making a big deal out of grammar in classrooms, diagramming

sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar – and you certainly don't have to diagram sentences – in order to speak and write correct English. So rest assured – English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With English Grammar For Dummies, you won't have to memorize a long list of meaningless rules (well,

maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in

everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

Practice Makes Perfect: English

Vocabulary for Beginning ESL Learners, Third Edition Harper Collins

“A book that will appeal to word lovers as well as parents hoping to boost their kids’ verbal test scores.” —Booklist More is expected of middle schoolers—more reading, more writing, more independent learning. Achieving success in this more challenging world requires knowing many more words. *100 Words Every Middle Schooler Should Know* helps students in grades 6 to 8 (ages 11-14) to express themselves with distinction and get the most out of school. The 100 words are varied and interesting, ranging from verbs like muster and replenish to nouns like havoc and restitution to adjectives like apprehensive and imperious. Knowing these words enables students to express

themselves with greater clarity and subtlety. Each word has a definition and a pronunciation and appears with at least one quotation—a moving or dramatic passage—taken from a book that middle schoolers are assigned in the classroom or enjoy reading on their own. Both classic and contemporary works of fiction and nonfiction are represented. Among the authors are young adult favorites and award-winners such as Kate Di Camillo, Russell Freedman, Neil Gaiman, E.L. Konigsberg, Lois Lowry, Walter Dean Myers, Katherine Paterson, J. K. Rowling, and Gary Soto. Readers can see for themselves that the words are used by the very best writers in the very best books. It stands to reason that they will see them again and again in higher grades and throughout their lives.

100 Words Every Middle Schooler Should Know helps students to gain useful knowledge and prepares them to step into a broader world.

Basic English Vocabulary Grand Central Publishing

What should the vocabulary of a well-rounded high school graduate be like? These 100 words provide the starting point in answering that question. The list is representative of the words that serious students will encounter in their coursework and will come to use as adults, whether in conversation or while reading the daily newspaper. Each word is fully defined and shown in context with example sentences from well-known authors. *100 Words Every High School Graduate Should Know* is a must-have for every grad, perfect for building

vocabulary, quizzing friends and family — and just having fun.
