The "extraordinary and gripping account of Irena Sendler--the "female Oskar Schindler"--who took staggering risks to save 2,500 children from death and deportation in Nazi-occupied Poland during World War II"--Dust jacket.

There's never been a better time to get into Champagne! Both

the region of Champagne and its wines have always been associated with prestige and luxury. Knowledgeable wine enthusiasts have long discussed top Champagnes with the same reverence they reserve for the finest wines of Bordeaux and Burgundy. But everyday Americans usually keep Champagne way back on the high shelf. It's for big celebrations, send-offs, and wedding toasts and, more often than not, is bought by the case. The good stuff costs plenty—and frankly, rarely seems worth the price. Today, though, Champagne is in the midst of a renaissance—no longer to be unjustly neglected. Over the past decade, an increasing number of wine enthusiasts have discovered the joys of grower Champagne—wines made by the

farmers who grow the grapes. Thanks to a few key wine importers and America's newfound obsession with knowing where food comes from, these shipments have been climbing steadily. In *But First, Champagne*, author David White details Champagne's history along with that of its wines, explains how and why the market is changing, and profiles the region's leading producers. This book is essential reading for wine enthusiasts, adventurous drinkers, foodies, sommeliers, and drinks professionals. With a comprehensive yet accessible overview of the region, its history, and its leading producers, *But First, Champagne* will demystify Champagne for all. From the foreword: "Smart, entertaining, and valuable . . . one of those rare wine books that should appeal to people just getting into Champagne and longtime Champagne obsessives." —Ray Isle, Executive Wine Editor, *Food & Wine*

The remarkable untold story of France's courageous, clever vintners who protected and rescued the country's most treasured commodity from German plunder during World War II. "To be a Frenchman means to fight for your country and its wine." —Claude Terrail, owner, Restaurant La Tour d'Argent In 1940, France fell to the Nazis and almost immediately the German army began a campaign of pillaging one of the assets the French hold most

dear: their wine. Like others in the French Resistance, winemakers mobilized to oppose their occupiers, but the tale of their extraordinary efforts has remained largely unknown—until now. This is the thrilling and harrowing story of the French wine producers who undertook ingenious, daring measures to save their cherished crops and bottles as the Germans closed in on them. *Wine and War* illuminates a compelling, little-known chapter of history, and stands as a tribute to extraordinary individuals who waged a battle that, in a very real way, saved the spirit of France.

One Angry Veteran is a combination of story telling of my personal struggles with the military, war, PTSD, reintegrating back into civilian life and some of the methods that I use, in overcoming some of these life-changing hurdles. Using a direct "tell it like it is" approach, I communicate with you, the veteran, the veteran's spouse and supporters of the troops; in hopes of creating a dialogue between brothers and sisters in arms, family members, mental health organizations, government agencies and the public so that as a country, we can bring more awareness to the needs of veterans, garner more funding for disabled veterans along with educational and job training benefits such as the post 9/11 G.I Bill and Vocational Rehabilitation benefits. My dream is that this book finds its way into the hands of my fellow veterans that need to know, you are not alone and you are not forgotten.

In a tale as twisted as any spy thriller, discover how three women delivered critical evidence of Axis war crimes to Allied forces during World War II: --StartFragment --“A tantalizingly novelistic history lesson” (Kirkus).!--EndFragment -- In 1944, news of secret diaries kept by Italy's Foreign Minister, Galeazzo Ciano, had permeated public consciousness. What wasn't reported, however, was how three women—a Fascist's daughter, a German spy, and an American banker's wife—risked their lives to ensure the diaries would reach the Allies, who would later use them as evidence against the Nazis at Nuremberg. In 1944, Benito Mussolini's daughter, Edda, gave Hitler and her father an ultimatum: release her husband, Galeazzo Ciano, from prison, or risk her leaking her husband's journals to the press. To avoid the peril of exposing Nazi lies, Hitler and Mussolini hunted for the diaries for months, determined to destroy them. Hilde Beetz, a German spy, was deployed to seduce Ciano to learn the diaries' location and take them from Edda. As the seducer became the seduced, Hilde converted as a double agent, joining forces with Edda to save Ciano from execution. When this failed, Edda fled to Switzerland with Hilde's daring assistance to keep Ciano's final wish: to see the diaries published for use by the Allies. When American spymaster Allen Dulles learned of Edda's escape, he sent in Frances De Chollet, an “accidental” spy, telling her to find Edda, gain her trust, and, crucially, hand the diaries over to the Americans. Together, they succeeded in preserving one of the most important documents of WWII. Drawing from in-depth research and first-person interviews with people who witnessed

these events, Mazzeo gives readers a riveting look into this little-known moment in history and shows how, without Edda, Hilde, and Frances's involvement, certain convictions at Nuremberg would never have been possible. Includes a Reading Group Guide.

Irena's Children Harper Collins

Journalists Don and Petie Kladstrup show how this sparkling wine, born of bloodshed, became a symbol of glamour, good times, and celebration. It's a story filled with larger-than-life characters: Dom Pérignon, the father of champagne, who, contrary to popular belief, worked his entire life to keep bubbles out of champagne; the Sun King, Louis XIV, who rarely drank anything but; and Charles-Camille Heidsieck, known as "Champagne Charlie," who popularized champagne in America and ended up being imprisoned as a spy during the Civil War. World War I would be Champagne's greatest test of all, a four-year nightmare in which German bombardment drove thousands of people underground to seek refuge in the huge cellars of the champagne houses, where among the bottles you would find schools, hospitals, shops, municipal offices, and troops.--From publisher description.

At the Chinese Table: A Memoir with Recipes Workman Publishing Company

The author of the “engrossing” (People) international bestseller *The Room on Rue Amélie* returns with a moving story set amid the champagne vineyards of France during the darkest days of World War II, perfect for fans of Heather Morris's *The Tattooist of Auschwitz*. Champagne, 1940: Inès has just married Michel, the owner of storied champagne house Maison Chauveau, when the Germans invade. As the danger mounts, Michel turns his back on

his marriage to begin hiding munitions for the Résistance. Inès fears they'll be exposed, but for Céline, the French-Jewish wife of Chauveau's chef de cave, the risk is even greater—rumors abound of Jews being shipped east to an unspeakable fate. When Céline recklessly follows her heart in one desperate bid for happiness, and Inès makes a dangerous mistake with a Nazi collaborator, they risk the lives of those they love—and the vineyard that ties them together. New York, 2019: Recently divorced, Liv Kent is at rock bottom when her feisty, eccentric French grandmother shows up unannounced, insisting on a trip to France. But the older woman has an ulterior motive—and a tragic, decades-old story to share. When past and present finally collide, Liv finds herself on a road to salvation that leads right to the caves of the Maison Chauveau.

The story of the visionary young widow who built a champagne empire, showed the world how to live with style, and emerged a legend Veuve Clicquot champagne epitomizes glamour, style, and luxury. But who was this young widow—the Veuve Clicquot—whose champagne sparkled at the courts of France, Britain, and Russia, and how did she rise to celebrity and fortune? In *The Widow Clicquot*, Tilar J. Mazzeo brings to life—for the first time—the fascinating woman behind the iconic yellow label: Barbe-Nicole Clicquot Ponsardin. A young witness to the dramatic events of the French Revolution and a new widow during the chaotic years of the Napoleonic Wars, Barbe-Nicole defied convention by assuming—after her husband's death—the reins of the fledgling wine business they had nurtured. Steering the company through dizzying political and financial reversals, she

became one of the world's first great businesswomen and one of the richest women of her time. Although the Widow Clicquot is still a legend in her native France, her story has never been told in all its richness—until now. Painstakingly researched and elegantly written, *The Widow Clicquot* provides a glimpse into the life of a woman who arranged clandestine and perilous champagne deliveries to Russia one day and entertained Napoléon and Joséphine Bonaparte on another. She was a daring and determined entrepreneur, a bold risk taker, and an audacious and intelligent woman who took control of her own destiny when fate left her on the brink of financial ruin. Her legacy lives on today, not simply through the famous product that still bears her name, but now through Mazzeo's finely crafted book. As much a fascinating journey through the process of making this temperamental wine as a biography of a uniquely tempered woman, *The Widow Clicquot* is utterly intoxicating.

This work explains how nationhood emerges by viewing countries as cultural artifacts, a product of "invented traditions." In the case of France, scholars disagree, not only over the nature of French national identity but also over the extent to which diverse and sometimes hostile provincial communities became integrated into the nation. The author offers a new perspective by looking at one of the central elements in French national culture -- luxury wine -- and the rural communities that profited from its production.

The Secret of Chanel No. 5 Grand Central Publishing

'A brilliant and appealing book. The story it tells is fascinating and compelling, leaving me thirsty to try some of the wines that are its subject' - Tim James, Wine Mag
Once upon a time, the region of Champagne produced only still wines - wines that were not meant to sparkle. If a Champagne had bubbles in it, it was faulty, undrinkable, an abomination. How did Champagne go from vin du diable ('devil's wine') to Veuve Clicquot? And how did the rise of a group of artisanal producers in Champagne over the last twenty years challenge everything we thought we knew about this famous wine and region? In *Champagne: A secret history*, Robert Walters takes us on a journey to visit these great growers. Along the way, he reveals the clandestine history of the region and dispels many of the myths that persist about the world's most celebrated wine style. Controversial and ground-breaking, this book will change the way you think about Champagne.

A Distinct Alien Race Allen & Unwin

A heartfelt and inspiring personal account of a woman raised as a Lubavitcher Hasid who leaves that world without leaving the family that remains within it. Even as a child, Chaya Deitsch felt that she didn't belong in the Hasidic world into which she'd been born. She spent her teenage years outwardly conforming to but secretly rebelling against the rules that tell you what and when to

eat, how to dress, whom you can befriend, and what you must believe. Loving her parents, grandparents, and extended family, Chaya struggled to fit in but instead felt angry, stifled, and frustrated. Upon receiving permission from her bewildered but supportive parents to attend Barnard College, she discovered a wider world in which she could establish an independent identity and fulfill her dream of an unconfined life that would be filled with the secular knowledge and culture that were largely foreign to her friends and relatives in Crown Heights, Brooklyn. As she gradually shed the physical and spiritual trappings of Hasidic life, Chaya found herself torn between her desire to be honest with her parents about who she now was and her need to maintain a loving relationship with the family that she still very much wanted to be part of. Eventually, Chaya and her parents came to an understanding that was based on unqualified love and a hard-won but fragile form of acceptance. With honesty, sensitivity, and intelligence, Chaya Deitsch movingly shows us that lives lived differently do not have to be lives lived apart.

Part memoir of life in Taiwan, part love story—a beautifully told account of China's brilliant cuisines...with recipes. At the Chinese Table describes in vivid detail how, during the 1970s and '80s, celebrated cookbook writer and illustrator Carolyn Phillips crosses China's endless cultural and linguistic chasms and falls in love. During her second year in Taipei, she meets scholar and epicurean J. H. Huang, who nourishes her intellectually over luscious meals from every part of China. And then, before she knows it, Carolyn finds herself the unwelcome candidate for eldest daughter-in-law in a traditional Chinese family. This warm,

refreshingly candid memoir is a coming-of-age story set against a background of the Chinese diaspora and a family whose ancestry is intricately intertwined with that of their native land. Carolyn's reticent father-in-law—a World War II fighter pilot and hero—eventually embraces her presence by showing her how to re-create centuries-old Hakka dishes from family recipes. In the meantime, she brushes up on the classic cuisines of the North in an attempt to win over J. H.'s imperious mother, whose father had been a warlord's lieutenant. Fortunately for J. H. and Carolyn, the tense early days of their relationship blossom into another kind of cultural and historical education as Carolyn masters both the language and many of China's extraordinary cuisines. With illustrations and twenty-two recipes, *At the Chinese Table* is a culinary adventure like no other that captures the diversity of China's cuisines, from the pen of a world-class scholar and gourmet.

Why the French Hate Us JHU Press

The rivetingly strange story of the world's most expensive bottle of wine, and the even stranger characters whose lives have intersected with it. The New York Times bestseller, updated with a new epilogue, that tells the true story of a 1787 Château Lafite Bordeaux—supposedly owned by Thomas Jefferson—that sold for \$156,000 at auction and of the eccentrics whose lives intersected with it. Was it truly entombed in a Paris cellar for two hundred years? Or did it come from a secret Nazi bunker? Or from the moldy basement of a devilishly brilliant con artist? As Benjamin Wallace unravels the mystery, we meet a gallery of intriguing players—from the bicycle-riding British auctioneer who speaks of wines as if they are women to the obsessive wine collector who discovered the bottle. Suspenseful and thrillingly strange, this is the vintage tale of what could be the most elaborate con since the Hitler diaries. "Part detective story, part wine history, this is one juicy tale, even for those with no interest in the fruit of the vine. . . . As delicious as a true vintage Lafite." —BusinessWeek [Here and There](#) John Wiley & Sons

With its rich golden hue, art deco-inspired bottle, and timeless, musky scent, Chanel No. 5 is the world's bestselling perfume and arguably the most coveted luxury product of the twentieth century. In *The Secret of Chanel No. 5*, Tilar J. Mazzeo offers a fascinating account of No. 5's creation, its rise to iconic status,

and the legacy of its extraordinary success. Mazzeo delves deeply into the life of Coco Chanel, the brilliant, controversial, and steel-willed businesswoman at the heart of the fragrance. She walks the rose plantations and jasmine fields where the perfume's life begins, and travels to 31 Rue Cambon, the center of the Chanel empire. A blend of evocative history and thoughtful research, here is a glittering account of where art and sensuality mingle with dazzling entrepreneurship and desire: Chanel No. 5. *Champagne Crown*
