Where Memories Lie St. Martin's Press
Captivated By You is the fourth book in the continuing series by novelist, Sylvia Day. It takes the story further and encompasses the period between Gideon and Eva eloping and their actual wedding. At this time very few of their good friends know of their real marital status. The novel may be read as a standalone book, but when read as part of the series; it offers a more in-depth reading experience, since there are a number of references to characters and past events from the earlier books. Captivated By You is more than just a romance. It may have sexual and steamy love-making scenes, but that is now part of the genre. A complex story that does not end when the guy gets the girl, it actually starts with the guy getting the girl. It goes on to check out their sexual lives and their psychological

fears and needs. Dominance, the need for power and the underlying sexual longing all have an impact on their relationship. Necessary As Blood is the latest entry in Deborah Crombie's New York Times Notable, Edgar®, Agatha, and Macavity Awards-nominated mystery series featuring Scotland Yard detectives Duncan Kincaid and Gemma James. A Texan frequently compared to the masters of British crime fiction—including P.D. James, Martha Grimes, Barbara Vine, and fellow American Elizabeth George—Crombie dazzles once more with *Necessary As Blood*—a relentlessly suspenseful tale of a vanished mother, a murdered father, and a helpless, endangered child.

The Stranger I Married Penguin

There were shadows I was running from. Ones that haunted and taunted. Ones that made it so I had no choice but to disappear. I'd spent years hiding from the world. My little island haven, the only assurance of safety. It all changed the moment he showed up at my door. The hint of pain in his eyes told me that something haunted him, too. And I couldn't help but be drawn closer. But

finding the person I needed most came with risks I never expected. And when our ghosts find us again, neither of us may make it out this time. ***** Read what reviewers are saying about *Reckless Refuge*: "Addictive, truly suspenseful, and utterly romantic, this is a top read of the year!" - Samantha Young, New York Times Bestseller "Beautiful, emotional and riveting. Catherine Cowles pens a romantic masterpiece that remained in my heart long after the final page was turned." - K.C. Lynn, Bestselling author of the Men of Honor series "Reckless Refuge is absolutely UNPUTDOWNABLE! Beautifully written. Flawlessly executed. An unforgettable 5-Star MUST READ!" - A.L. The Sound of Broken Glass Brava Nicholas Hunt is the man I hate. For good

reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure—I intend to find out.

Andrews's strangest, most beloved books—and now a Lifetime movie! *Whitefern* swallowed Audrina's childhood—and now the sprawling Victorian mansion threatens her adult life too... But then, the death of Audrina's father changed a great many things. When the reading of her father's will reveals that Audrina herself will control fifty-one

percent of the family brokerage—the halls of *Whitefern* again don't feel safe. Arden's protestations become frantic, nearly violent. And while Audrina didn't anticipate running the family business, she's curious to do so. And she can't help but wonder what had made her father change his will at the last minute? What did he know about Arden that she didn't? Trapped in the middle of it all: her fragile, simple sister—the beautiful, trusting Sylvia. Audrina promised her father she'd watch over the young woman. But after years of relative quiet, the dark days of *Whitefern* may have returned...
