The Flame Bloomsbury Publishing

The definitive biography of one of the most enigmatic, beloved, and celebrated artists of our time. Leonard Cohen's extensive and successful recent worldwide tour has demonstrated that his popularity across generations and borders has never been greater. Cohen's life is one of singular mystique. This major in-depth biography is the book Cohen's fans have been waiting for. Acclaimed writer/journalist Sylvie Simmons has interviewed more than 100 figures from Cohen's life and work, including his main muses; the women in his life -- from Suzanne and Marianne to Rebecca de Mornay and Anjani Thomas; artists such as Rufus Wainwright, Nick Cave, David Crosby, Judy Collins, and Philip Glass; his record producers; his closest friends, from childhood to adulthood; and many of the spiritual figures who have influenced his life. Cohen, notoriously private, has granted interviews himself. Thoroughly researched and thoughtful, penetrating and lively, fascinating and revealing of stories and facts never read before, I'm Your Man offers new perspectives on Cohen and his life. It will be one of the most talked-about books of the season, and for years to come.
 Simon and Schuster
 Now you can sing and play your favourite Leonard Cohen hits on guitar in no time...with just a handful of simple, easy chords for

each song! All the songs have been specially arranged by Ricky Rooksby in the original keys from the actual hit recordings. Leonard Cohen on Leonard Cohen Hal Leonard Publishing Corporation

"A venerated creator. An adored, tragic interpreter. An uncomplicated, memorable melody. Ambiguous, evocative words. Faith and uncertainty. Pain and pleasure." Today, "Hallelujah" is one of the most-performed rock songs in history. It has become a staple of movies and television shows as diverse as Shrek and The West Wing, of tribute videos and telethons. It has been covered by hundreds of artists, including Bob Dylan, U2, Justin Timberlake, and k.d. lang, and it is played every year at countless events—both sacred and secular—around the world. Yet when music legend Leonard Cohen first wrote and recorded "Hallelujah," it was for an album rejected by his longtime record label. Ten years later, charismatic newcomer Jeff Buckley reimagined the song for his much-anticipated debut album, Grace. Three years after that, Buckley would be dead, his album largely unknown, and "Hallelujah" still unreleased as a single. After two such commercially disappointing outings, how did one obscure song become an international anthem for human triumph and tragedy, a song each successive generation seems to feel they have discovered and claimed as uniquely their own? Through in-depth interviews with its interpreters and the key figures who were actually there for its original recordings, acclaimed music journalist Alan Light follows the improbable journey of "Hallelujah" straight to the heart of popular culture. The Holy or the Broken gives insight into how great songs come to be, how they come to be listened to, and how they can be forever reinterpreted.

Hallelujah Hal Leonard Corporation

(Piano Solo Songbook). Leonard Cohen Hallelujah (Sheet Music)

'Leonard Cohen taught us that even in the midst of darkness there is light, in the midst of hatred there is love, with our dying breath we can still sing Hallelujah.' - The late Rabbi Lord Jonathan Sacks 'Among the finest volumes on Cohen's life and lyrics ... An exploration which would have intrigued and engaged Leonard himself.' - John McKenna, writer and friend of Leonard Cohen Harry Freedman uncovers the spiritual traditions that lie behind Leonard Cohen's profound and unmistakable lyrics. The singer and poet Leonard Cohen was deeply learned in Judaism and Christianity, the spiritual traditions that underpinned his self-

identity and the way he made sense of the world. In this book Harry Freedman, a leading author of cultural and religious history, explores the mystical and spiritual sources Cohen drew upon, discusses their original context and the stories and ideas behind them. Cohen's music is studded with allusions to Jewish and Christian tradition, to stories and ideas drawn from the Bible, Talmud and Kabbalah. From his 1967 classic 'Suzanne', through masterpieces like 'Hallelujah' and 'Who by Fire', to his final challenge to the divinity, 'You Want It Darker' he drew on spirituality for inspiration and as a tool to create understanding, clarity and beauty. Born into a prominent and scholarly Jewish family in Montreal, Canada, Cohen originally aspired to become a poet, before turning to song writing and eventually recording his own compositions. Later, he became immersed in Zen Buddhism, moving in 1990 to a Zen monastery on Mount Baldy, California where he remained for some years. He died, with immaculate timing, on the day before Donald Trump was elected in 2016, leaving behind him a legacy that will be felt for generations to come. Leonard Cohen: The Mystical Roots of Genius looks deeply into the imagination of one of the greatest singers and lyricists of our time, providing a window on the landscape of his soul. Departing from traditional biographical approaches, Freedman explores song by song how Cohen reworked myths and prayers, legends and allegories with an index of songs at the end of the book for readers to search by their favourites. By the end the

reader will be left with a powerful understanding of Cohen's story, together with a far broader insight into the mystical origins of his inimitable work.

[Best Piano Solos \(Songbook\)](#) Hal Leonard Corporation

The death of Leonard Cohen in 2016 struck the world a hard blow; he was a fruitful, thoughtful and tragic talent, with his critically-acclaimed You Want it Darker entering the world only three weeks before his death. Cohen's work is now finished and represents an oeuvre of near unparalleled majesty. Everybody Knows is a detailed examination of the journey that Leonard Cohen wove, from his beginnings as a novelist and poet, his critically acclaimed 'cult-classic' albums of the sixties through to his triumphant tours of the new millennium. Every stage of Cohen's remarkable life up until his 80th birthday in September 2014 is expertly analysed, including thoughts, memories and comments from those who have worked with him and from the open-hearted many who have been inspired by his art. This Omnibus Enhanced edition includes a Digital Timeline of his life, allowing you to experience his music, live performances and memorabilia through audio, video and imagery.
