It: Chapter Two—now a major motion picture! Stephen King's terrifying, classic #1 New York Times bestseller, "a landmark in American literature" (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It's a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city's children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. "Stephen King's most mature work" (St. Petersburg Times), "It will overwhelm you...to be read in a well-lit room only" (Los Angeles Times).

Stephen King from A to Z Orenda Books

From the award-winning author of Hamnet and The Marriage Portrait: a sweeping family drama where a father's disappearance forces three adult siblings to come together and confront what they really know about their past. London, 1976. In the thick of a record-breaking heatwave, Gretta Riordan's newly-retired husband has cleaned out his bank account and vanished. Now, for the first time in years, the three Riordan children are converging on their childhood home: Michael Francis, a history teacher whose marriage is failing; Monica, with two stepdaughters who despise her and an ugly secret that has driven a wedge between her and the little sister she once adored; and Aoife (pronounced EE-fah), the youngest, whose new life in Manhattan is elaborately arranged to conceal her illiteracy. As the siblings track down clues to their father's disappearance, they also navigate rocky pasts and long-held secrets. Their search ultimately brings them to their ancestral village in Ireland, where the truth of their family's past is revealed. Wise, lyrical, instantly engrossing, Instructions for a Heatwave is a richly satisfying page-turner from a writer of exceptional intelligence and grace.

You Have to Make Your Own Fun Around Here Scribner

The small town of Chester's Mill, Maine, is faced with a big dilemma when it is mysteriously sealed off by an invisible and completely impenetrable force field. With cars and airplanes exploding on contact, the force field has completely isolated the townspeople from the outside world. Now, Iraq war vet Dale Barbara and a group of the town's more sensible citizens must overcome the tyrannical rule of Big Jim Rennie, a politician bent on controlling everything within the Dome.

SOON TO BE A NEW FILM, STREAMING ON MAX FALL OF 2024 • #1 BESTSELLER • Ben Mears has returned to Jerusalem's Lot in hopes that exploring the history of the Marsten House, an old mansion long the subject of rumor and speculation, will help him cast out his personal devils and provide inspiration for his new book. "A master storyteller." —The Los Angeles Times When two young boys venture into the woods, and only one returns alive, Mears begins to realize that something sinister is at work. In fact, his hometown is under siege from forces of darkness far beyond his imagination. And only he, with a small group of allies, can hope to contain the evil that is growing within the

borders of this small New England town. With this, his second novel, Stephen King established himself as an indisputable master of American horror, able to transform the old conceits of the genre into something fresh and all the more frightening for taking place in a familiar, idyllic locale.

The World More Full of Weeping Andrews McMeel Publishing

On an entirely normal, beautiful fall day in Chester's Mill, Maine, the town is inexplicably and suddenly sealed off from the rest of the world by an invisible force field. Planes crash, a gardener's hand is severed, and people are divided from their families as "the dome" comes down. Dale Barbara, an Iraq vet working as a short-order cook, finds himself teamed with a few intrepid citizens against Big Jim Rennie, a politician grasping for the reins of power.

Everything stays the same for the tenants of The Beresford, a grand old apartment building just outside the city ... until the doorbell rings... Will Carver returns with an eerie, deliciously and uncomfortably dark standalone thriller. 'A gripping novel laced with humour and cutting character insight ... a thrill from start to finish. Expect the unexpected!' Sarah Pinborough 'Equally enthralling and appalling ... unlike anything I've read in a very long while' James Oswald 'Ridiculously addictive' S J Watson _____ Just outside the city - any city, every city - is a grand, spacious but affordable apartment building called The Beresford. There's a routine at The Beresford. For Mrs May, every day's the same: a cup of cold, black coffee in the morning, pruning roses, checking on her tenants, wine, prayer and an afternoon nap. She never leaves the building. Abe Schwartz also lives at The Beresford. His housemate, Sythe, no longer does. Because Abe just killed him. In exactly sixty seconds, Blair Conroy will ring the doorbell to her new home and Abe will answer the door. They will become friends. Perhaps lovers. And, when the time comes for one of them to die, as is always the case at The Beresford, there will be sixty seconds to move the body before the next unknowing soul arrives at the door. Because nothing changes at The Beresford, until the doorbell rings... Eerie, dark, superbly twisted and majestically plotted, The Beresford is the stunning standalone thriller from one of crime fiction's most exciting names. _____ 'Creepy and brilliant' Khurram Rahman 'Reminiscent of The Shining ... a creeping and perfectly crafted novel tinged with dark humour and malice' Victoria Selman 'A masterfully macabre tale' Louise Mumford 'I stepped into the imagination of Will Carver and it swallowed me whole' Matt Wesolowski 'Magnificently, compulsively chilling' Margaret Kirk 'Fans of Chuck Palahniuk will adore Carver ... he is utterly brilliant' Christopher Hooley 'Devilishly dark and maniacally brilliant' Raven Crime Reads 'Slick, stylish ... a sharply crafted and delectable slice of entertaining darkness' The Tattooed Book Geek 'Intense, brilliant, horrific, humorous and everything in between' Liz Loves Books

The Dark Man Open Road Media

On an entirely normal, beautiful fall day in Chester's Mill, Maine, the town is inexplicably and suddenly sealed off from the rest of the world by an invisible force field. Planes crash into it and fall from the sky in flaming wreckage, a gardener's hand is severed as "the dome" comes down on it, people running errands in the neighboring town are divided from their families, and cars explode on impact. No one can fathom what this barrier is, where it came from, and when -- or if -- it will go away. Dale Barbara, Iraq vet and now a short-order cook, finds himself teamed with a few intrepid citizens -- town newspaper owner Julia Shumway, a physician's assistant at the hospital, a select-woman, and three brave kids. Against them stands Big Jim Rennie, a politician who will stop at nothing -- even murder -- to hold the reins of power, and his son, who is keeping a horrible secret in a dark pantry. But their main adversary is the Dome itself. Because time isn't just short. It's running out.

Coffey on the Mile Gale Cengage

"Harsh and ingenious! High Rise is an intense and vivid bestiary, which lingers unsettlingly in the mind." —Martin Amis, *New Statesman* When a class war erupts inside a luxurious apartment block, modern elevators become violent battlegrounds and cocktail parties degenerate into marauding attacks on "enemy" floors. In this visionary tale, human society slips into violent reverse as once-peaceful residents, driven by primal urges, re-create a world ruled by the laws of the jungle.

Eleven Twenty-two Sixty-three Simon and Schuster

Stephen King first wrote about the Dark Man in college after he envisioned a faceless man in cowboy boots and jeans and a denim jacket forever walking the roads. Later this dark man would come to be known around the world as one of King's greatest villains, Randall Flagg, but at the time King only had simple questions on his mind: where was this man going? What had he seen and done? What terrible things...? I have ridden rails... More than forty years after Stephen King first wrote his breathtaking poem "The Dark Man," Glenn Chadbourne set out to answer those questions in this World's First Edition hardcover featuring more than 70 full-page illustrations from the talented artist behind *The Secretary of Dreams*. I have slept in glaring swamps... This Cemetery Dance Publications hardcover is a true marriage of words and art, with Chadbourne pulling the images from King's imagination and illustrating them in magnificent detail. This incredible blending of King's words with Chadbourne's art creates a unique page turning experience you can return to again and again, always finding new details hidden on every page. You'll discover hidden layers and mysterious secrets for years to come. I am a dark man... So who is the Dark Man and why is he traveling the country? The answers are terrifying....
