FITZGERALD BROOKLYN

Reading Street Scott Foresman & Company

Although Juno, a Korean-American boy, cannot read the letter he receives from his grandmother in Seoul, he understands what it means from the photograph and dried flower that are enclosed and decides to send back to her a similar letter. Ezra Jack Keats Book Award Winner. Reprint.

Reading Street Scott Foresman
 "HELP! My Students Can't Write!" Why You

Need a Writing Revolution in Your Classroom and How to Lead It. The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills

Enhance speaking abilities Develop analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

The Grammar & Writing Book Scott

Foresman

Scott Foresman Reading Street  2011 is an all-new comprehensive Reading and Language Arts series for the 21st Century. Reading Street delivers classic and soon-to-be classic literature, scientifically research-based instruction, and a wealth of groundbreaking online experiences for high student engagement. My Teaching Library takes the guesswork out of Response to Intervention with a strong core emphasis on ongoing progress-monitoring and an explicit plan for managing small groups of students. The architecture of Understanding by Design accelerates all learners, especially English language learners, toward greater proficiency with a sustained Unit focus on concepts and language. Learn more.

Big Books, Trade Books, and Little Books provide shared reading experiences and develop children's concepts of print.

Scott Foresman Grammar and Writing Book Scott Foresman & Company A startling and profound exploration of how Jewish history is exploited to comfort the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to

Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare's Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children's school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not so) shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity.

"These are the rules I've picked up along the way to help me remain invisible when I'm writing a book, to help me show rather than tell what's taking place in the story."—Elmore Leonard For aspiring writers and lovers of the written word, this concise guide breaks down the writing process with simplicity and clarity. From adjectives and exclamation points to dialect and hoopetodoodle, Elmore Leonard explains what to avoid, what to aspire to, and what to do when it sounds like "writing" (rewrite). Beautifully designed, filled with free-flowing, elegant illustrations and specially priced, Elmore Leonard's 10 Rules of Writing is the

perfect writer's—and reader's—gift.
