A refreshed edition of *Jambalaya: The Natural Woman's Book of Personal Charms and Practical Rituals*—updated with a note from the author sharing the changes that have occurred in the 30 years since its original publication. "A book of startling remembrances, revelations, directives, and imperatives, filled with the mysticism, wisdom, and common sense of the African religion of the Mother. It should be read with the same open-minded love with which it was written."—Alice Walker, author of *The Color Purple* Since its original publication in 1985, *Jambalaya* has become a classic among Women's Spirituality Educators, practitioners of traditional Africana

religions, environmental activists, and cultural creatives. A mix of memoir, spiritual teachings, and practices from Afro-American traditions such as Ifa/Orisha, and New Orleans Voodoo, it offers a fascinating introduction to the world of nature-based spirituality, Goddess worship, and rituals from the African diaspora. More relevant today than it was 36 years ago, the wisdom of *Jambalaya* reconnects us to the natural and spiritual world, and the centuries-old traditions of African ancestors, whose voices echo through time, guiding us and blending with our own.

Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the

trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region.

The World Book Encyclopedia Penguin

In preparing a book of etiquette for ladies, I would lay down as the first rule, "Do unto others as you would others should do to you." You can never be rude if you bear the rule always in mind, for what lady likes to be treated rudely? True Christian politeness will always be the result of an unselfish regard for the feelings of others,

and though you may err in the ceremonious points of etiquette, you will never be impolite. Politeness, founded upon such a rule, becomes the expression, in graceful manner, of social virtues. The spirit of politeness consists in a certain attention to forms and ceremonies, which are meant both to please others and ourselves, and to make others pleased with us; a still clearer definition may be given by saying that politeness is goodness of heart put into daily practice; there can be no true politeness without kindness, purity, singleness of heart, and sensibility.

Musical Observer

HarperCollins

From one of our most important scholars and civil rights activist icon,

a powerful study of the women's liberation movement and the tangled knot of oppression facing Black women. "Angela Davis is herself a woman of undeniable courage. She should be heard."—The New York Times Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played

on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women's rights activists, but also discusses Communist women, the murder of Emmitt Till, and Margaret Sanger's racism. Davis shows readers how the inequalities between Black and white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work.

Comfort Springer

When Mollie stepped off the train in Salt Lake City, Utah, in 1890, she knew she had to start a new life.

She'd left her husband and his medical practice behind in Iowa, and with only a few hundred dollars in her pocket and a great deal of pride, she set out to find a new position as a physician. She was offered a job as a doctor to the miners in Bannack, Montana, and thus began her epic adventures as a pioneer doctor, a suffragette, and a crusader for public health reform in the Rocky Mountain West. *Pioneer Doctor: The Story of a Woman's Work* is the true story of Dr. Mary (Mollie) Babcock Atwater, a medicine woman who found freedom and opportunity in the wide-open spaces of America's frontier west. This remarkable tale has been

creatively retold here by her granddaughter, award-winning author Mari Grana. Blending information from historical records as well as interviews with family and friends, the author has reconstructed Mollie's steps into a dramatic narrative that brings to life the doctor's struggles, her accomplishments, and the times in which she lived. Beautifully written and thoroughly researched, this is not just the biography of a fascinating woman. It is also the story of an era when daring women ventured forth and changed history for the rest of us.

The Woman's Press

Rowman & Littlefield
An imaginative story of a woman caught in an alternate world—where she will need to learn

the skills of magic to survive Nora Fischer's dissertation is stalled and her boyfriend is about to marry another woman. During a miserable weekend at a friend's wedding, Nora wanders off and walks through a portal into a different world where she's transformed from a drab grad student into a stunning beauty. Before long, she has a set of glamorous new friends and her romance with gorgeous, masterful Raclin is heating up. It's almost too good to be true. Then the elegant veneer shatters. Nora's new fantasy world turns darker, a fairy tale gone incredibly wrong. Making it here will take skills Nora never learned in graduate school. Her only real

ally—and a reluctant one at that—is the magician Aruendiel, a grim, reclusive figure with a biting tongue and a shrouded past. And it will take her becoming Aruendiel's student—and learning magic herself—to survive. When a passage home finally opens, Nora must weigh her "real life" against the dangerous power of love and magic. For lovers of Lev Grossman's *The Magicians* series (*The Magicians* and *The Magician King*) and Deborah Harkness's *All Souls Trilogy* (*A Discovery of Witches* and *Shadow of Night*).

The Rise and Fall of Jim Crow McGraw Hill Professional

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.
 Tyndale House Publishers, Inc.
 "Lynchings and beatings by night. Demeaning treatment by day. A life of crushing subordination for Southern blacks maintained by white supremacist laws and customs known as Jim Crow. *The Rise and Fall of Jim Crow* documents the brutal and oppressive era in American history, spanning the years from the end of the Civil War to the start of the modern Civil Rights Movement in the 1950s. As the twenty-

first century rolls forward, we are losing the remaining survivors of this pivotal era. Incorporating eyewitness testimony and over seventy-five rare and compelling archival images, *The Rise and Fall of Jim Crow* is a poignant record of the African American struggle for freedom and the triumph of community spirit over institutions and laws designed to suppress it"--Back cover

The Ladies' Book of Etiquette, and Manual of Politeness Diversion Books

To commemorate the 150th Anniversary of the end of the Civil War, Diversion Books is publishing seminal works of the era: stories told by the men and women who led, who fought, and who

lived in an America that had come apart at the seams. While men fought the battles, it was the women who fought the war. Thrust onto sides of a fence, still decades away from even the right to vote, women kept the country from crumbling upon itself during the brutal conflict. These profiles of women both historically notable, like Clara Barton and Dorothea Dix, as well as women history has forgotten until now, will enthrall readers with stories of the war as seen by those who healed soldiers, kept the homefront safe, and ensured that the country would be strong after the final shot was fired.

Captivating Men, Masculinity, Music and Emotions
Make workplace

conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The *Big Book of Conflict-Resolution Games* offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling *Big Books* series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom

line. Let *The Big Book of Conflict-Resolution Games* help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution.

Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in *The Big Book of Conflict-Resolution Games* delivers everything you need to make your workplace more efficient, effective, and engaged.

The Girl Reserve Movement, a Manual for Advisers

Createspace
Independent Publishing
Platform
When House Speaker
Paul Ryan urged U.S.
women to have more
children, and Ross
Douthat requested
“More babies, please,”
in a New York Times
column, they openly
expressed what
policymakers have
been discussing for
decades with greater
discretion. Using
technical language like
“age structure,”
“dependency ratio,”
and “entitlement
crisis,” establishment
think tanks are raising
the alarm: if U.S.
women don’t get busy
having more children,
we’ll face an aging
workforce, slack
consumer demand,
and a stagnant
economy. Feminists
generally believe that
a prudish religious bloc

is responsible for the
protracted fight over
reproductive freedom
in the U.S. and that
politicians only attack
abortion and birth
control to appeal to
those “values voters.”
But hidden behind this
conventional
explanation is a
dramatic fight over
women’s reproductive
labor. On one side,
elite policymakers
want an expanding
workforce reared with
a minimum of
employer spending and
a maximum of unpaid
women’s work. On the
other side, women are
refusing to produce
children at levels
desired by economic
planners. By some
measures our birth
rate is the lowest it has
ever been. With little
access to childcare,
family leave, health
care, and with

insufficient male participation, U.S. women are conducting a spontaneous birth strike. In other countries, panic over low birth rates has led governments to underwrite childbearing and childrearing with generous universal programs, but in the U.S., women have not yet realized the potential of our bargaining position. When we do, it will lead to new strategies for winning full access to abortion and birth control, and for improving the difficult working conditions U.S. parents now face when raising children.

The Cumulative Book Index PM Press

Intended for readers who are already married or in premarital counseling,

"Sheet Music" is a detailed, practical guide to sex within marriage according to God's plan. With his characteristic warmth and humor, Leman addresses a wide spectrum of people, from those with no sexual experience to those dealing with past sexual sin or abuse.

The United States Catalog Macmillan

What Wild at Heart did for men, Captivating is doing for women. Setting their hearts free. This groundbreaking book shows readers the glorious design of women before the fall, describes how the feminine heart can be restored, and casts a vision for the power, freedom, and beauty of a woman released to be all she was meant to be.

Woman's Work in
Music

This book looks at the

historic and
contemporary links
between music's
connection to emotions
and men's supposed
discomfort with their
own emotional
experience. Looking at
music tastes and
distaste, it
demonstrates how a
sociological analysis of
music and gender can
actually lead us to
think about emotions
and gender inequalities
in different ways.
