Don't Cry for Me, Argentina Hal Leonard Corporation  
 Maria Eva Duarte de Peron was born in poverty in 1919 and died of cancer in 1952, at the age of 33, the richest and most powerful woman in Argentina. Her story is one of the most fantastic in history. Driven by a compelling ambition, she made her way to Buenos Aires and set about becoming an actress. In a very short time she had climbed to the top of Argentina's military-social ladder until at last she met Colonel Juan Peron - and her climb took a new direction. Here is the story of 'Evita' and how her rise to power became an almost unbelievable account of intrigue, bloodshed, and pure chicanery. Her multimillion-dollar tour of Europe; her setting up of the Eva Peron Foundation whereby she cornered the market on clothes, toys, books, groceries, imported drugs, medical equipment, and housing; her impassioned campaign speeches; her shameless flaunting of jewels and clothes in the

very faces of her worshipping 'shirtless ones' - these are but a few of the facets of her incredible career that are described in detail. There was a fatal fascination about Eva Peron that remains, even after her death - an aura of evil that has become a legend.

"Don't Cry for Me is a perfect song."—Jesmyn

Ward A Black father makes amends with his gay son through letters written on his deathbed in this wise and penetrating novel of empathy and forgiveness, for fans of Ta-Nehisi Coates, Robert Jones Jr. and Alice Walker As Jacob lies dying, he begins to write a letter to his only son, Isaac. They have not met or spoken in many years, and there are things that Isaac must know. Stories about his ancestral legacy in rural Arkansas that extend back to slavery. Secrets from Jacob's tumultuous relationship with Isaac's mother and the shame he carries from the dissolution of their family. Tragedies that informed Jacob's role as a father and his reaction to Isaac's being gay. But most of all, Jacob must share with Isaac the unspoken truths that reside in his heart. He must give voice to the trauma that Isaac has inherited. And he must create a space for the two to find peace. With piercing insight and profound empathy, acclaimed author Daniel Black illuminates the lived experiences of Black fathers and queer sons, offering an authentic and ultimately hopeful portrait of reckoning and reconciliation. Spare as it

is sweeping, poetic as it is compulsively readable, *Don't Cry for Me* is a monumental novel about one family grappling with love's hard edges and the unexpected places where hope and healing take flight.

**A Memoir** Rowman & Littlefield Publishers  
America's Revolutionary Mind is the first major reinterpretation of the American Revolution since the publication of Bernard Bailyn's *The Ideological Origins of the American Revolution* and Gordon S. Wood's *The Creation of the American Republic*.

The purpose of this book is twofold: first, to elucidate the logic, principles, and significance of the Declaration of Independence as the embodiment of the American mind; and, second, to shed light on what John Adams once called the "real American Revolution"; that is, the moral revolution that occurred in the minds of the people in the fifteen years before 1776. The Declaration is used here as an ideological road map by which to chart the intellectual and moral terrain traveled by American Revolutionaries as they searched for new moral principles to deal with the changed political circumstances of the 1760s and early 1770s. This volume identifies and analyzes the modes of reasoning, the patterns of thought, and the new moral and political principles that served American Revolutionaries first in their intellectual battle with Great Britain before 1776 and then in their attempt to create new Revolutionary societies after 1776. The book reconstructs what amounts to a near-unified system of thought—what Thomas Jefferson called an "American mind" or

what I call "America's Revolutionary mind." This American mind was, I argue, united in its fealty to a common philosophy that was expressed in the Declaration and launched with the words, "We hold these truths to be self-evident."
