## RAFAEL HAILEY

### On Being Ill Candlewick Press

An epic novel steeped in action, intrigue, and romance. July 1187: the forces of the Muslim sultan known as Saladin have defeated the army of the Kingdom of Jerusalem, allowing Saladin to achieve his lifelong ambition of recapturing the Holy City for Islam. This sets the stage for the Third Crusade: the confrontation between Saladin and the legendary Christian warrior, Richard the Lionheart. Both men believe they are destined by God to lead their holy armies to complete victory. Richard, a legendary warrior with a keen military mind, finds his vow to retake Jerusalem complicated by infighting over succession to the British throne, a rivalry with the French king, and a choice between two potential queens. Meanwhile, Saladin struggles to keep his fractious forces together while remaining true to the noblest principles of Islam. These events are also portrayed through the eyes of two common men: Pierre of Botron is a Christian knight who is captured on the battlefield and subjected to the indignity of slavery. Rashid of Yenbo is a Muslim trader who finds prosperity in Saladin's triumphs. The relationship between Rashid and Pierre offers the possibility that people of good will can overcome polarizing conflicts. As events build toward the Battle of Jaffa, one of the most well-known conflicts of the Crusades, the fates of the characters depend on the choices they make between the compassionate and fanatical aspects of their faiths. The Swords of Faith offers an eye-opening comparison and contrast of the tenets of Christianity and Islam, insights that reverberate into the present day.

### New Essays on The Great Gatsby Simon and Schuster

The Far Side of Paradise was the first ever biography of F. Scott Fitzgerald, widely acclaimed as a sensitive, scholarly appraisal of the writer's life and work. Arthur Mizener has created a definitive portrait of Fitzgerald.

### Jewish Identity and the American Dream Penguin UK

Soon to be a major motion picture from Academy Award-winning director Guillermo del Toro and starring Bradley Cooper, Cate Blanchett, Rooney Mara, and Toni Collette. Nightmare Alley begins with an extraordinary description of a carnival-show geek—alcoholic and abject and the object of the voyeuristic crowd's gleeful disgust and derision—going about his work at a county fair. Young Stan Carlisle is working as a carny, and he wonders how a man could fall so low. There's no way in hell, he vows, that anything like that will ever happen to him. And since Stan is clever and ambitious and not without a useful streak of ruthlessness, soon enough he's going places. Onstage he plays the mentalist with a cute assistant (before long his harried wife), then he graduates to full-blown spiritualist, catering to the needs of the rich and gullible in their well-upholstered homes. It looks like the world is Stan's for the taking. At least for now.

### Ghost Rutgers University Press

This new publication of On Being Ill with Notes from Sick Rooms presents Virginia Woolf and her mother Julia Stephen in textual conversation for the first time in literary history. In the poignant and humorous essay On Being Ill, Virginia Woolf observes that though illness is a part of every human being's experience, it is not celebrated as a subject of great literature in the way that love and war are embraced by writers and readers. We must, Woolf says, invent a new language to describe pain. Illness, she observes, enhances our perceptions and reduces self-consciousness; it is "the great confessional." Woolf discusses the taboos associated with illness and she explores how it changes our relationship to the world around us. Notes from Sick Rooms addresses illness from the caregiver's perspective. With clarity, humor, and pathos, Julia Stephen offers concrete and useful information to caregivers today. Originally published by Paris Press in 2002 as On Being Ill, this paperback edition includes an introduction to Notes from Sick Rooms and to Julia Stephen by Mark Hussey, the founding editor of Woolf Studies Annual, and a poignant afterword by Rita Charon, MD,

the founder of the field of Narrative Medicine. Hermione Lee's brilliant introduction to On Being Ill is a superb introduction to Virginia Woolf's life and writing. This book is embraced by the general public, the literary world, and the medical world.

### Who Are You, Really? Simon and Schuster

Under the Red, White, and Blue was F. Scott Fitzgerald's final choice for the novel we all know as, The Great Gatsby. This particular edition aims to achieve Fitzgerald's last known wishes for the novel, if such a thing exists. The Introduction discusses Fitzgerald's struggle with the title as well as the influence of the original cover art and its artist, Francis Cugat.

### The Baker's Secret Wordcrafts Press

A beautifully illustrated version of the original 1925 edition of F. Scott Fitzgerald's classic Great American novel. Widely considered to be the greatest American novel of all time, The Great Gatsby is the story of the wealthy, quixotic Jay Gatsby and his obsessive love for debutante Daisy Buchanan. It is also a cautionary tale of the American Dream in all its exuberance, decadence, hedonism, and passion. First published in 1925 by Charles Scribner's Sons, The Great Gatsby sold modestly and received mixed reviews from literary critics of the time. Upon his death in 1940, Fitzgerald believed the book to be a failure, but a year later, as the U.S. was in the grips of the Second World War, an initiative known as Council on Books in Wartime was created to distribute paperbacks to soldiers abroad. The Great Gatsby became one of the most popular books provided to regiments, with more than 100,000 copies shipped to soldiers overseas. By 1960, the book was selling apace and being incorporated into classrooms across the nation. Today, it has sold over 25 million copies worldwide in 42 languages. This exquisitely rendered edition of the original 1925 printing reintroduces readers to Fitzgerald's iconic portrait of the Jazz Age, complete with specially commissioned illustrations by Adam Simpson that reflect the gilded splendor of the Roaring Twenties.

### The Great Gatsby by F. Scott Fitzgerald New York Review of Books

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem Tiare Tahiti. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage; its publication was her condition of acceptance.

### Why We Tell Stories e-artnow

"But it hadn't been given for nothing. It had been given, even the most wildly squandered sum, as an offering to destiny that he might not remember the things most worth remembering, the things that he would now always remember" F. Scott Fitzgerald's stories defined the 1920s 'Jazz Age' generation, with their glittering dreams and tarnished hopes. In these three tales of a fragile recovery, a cut-glass bowl and a life lost, Fitzgerald portrays, in exquisite prose and with deep human sympathy, the idealism of youth and the ravages of success. This book includes Babylon Revisited, The Cut-Glass Bowl and The Lost Decade.

### Anita and Me Cambridge University Press

Examines the little-known story of how Great Neck, New York, was transformed from a Gentile community to one in which Jews were the majority, in a rich narrative that illustrates the allure of suburbia, Jewish identity in America, and the American dream itself.

### How The Great Gatsby Came to Be and Why It Endures The Great Gatsby by F. Scott Fitzgerald Literature Guide Before Gatsby The First Twenty-six Stories

Provides students of American Literature with introductory critical guides to the great works of American fiction.

### The Visible Filth BookRix

A baby blanket anticipates the arrival of a new baby girl. As they grow older together, they both

learn the value of a secure friendship. Written by educator Pauline Hawkins and illustrated by award winning watercolor artist Lorraine Watry.

[A Novel](#) Grove Press

Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are. Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings.

*Where I Lived, and What I Lived For* Black Dog & Leventhal

Francis Scott Key Fitzgerald was an American author of novels and short stories, whose works are the paradigm writings of the Jazz Age, a term he coined himself. He is widely regarded as one of the greatest American writers of the 20th century. Fitzgerald is considered a member of the "Lost Generation" of the 1920s. He finished four novels: *This Side of Paradise*, *The Beautiful and Damned*, his most famous, *The Great Gatsby* and what is now considered his true masterpiece, *Tender Is the Night*. A fifth, unfinished novel, *The Love of the Last Tycoon*, was published posthumously. Fitzgerald also wrote many short stories that treat themes of youth and promise along with despair and age. This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents and the following works: *This Side of Paradise* (1920), *The Beautiful and the Damned* (1922), *The Mystery of the Raymond Mortgage* (1909), *Reade, Substitute Right Half* (1910), *A Debt of Honor* (1910), *The Room with the Green Blinds* (1911), *A Luckless Santa Claus* (1912), *Pain and the Scientist* (1913), *The Trail of the Duke* (1913), *Shadow Laurels* (1915), *The Ordeal* (1915), *Little Minnie McCloskey: A story for girls* (1916), *The old frontiersman: A story of the frontier* (1916), *The diary of a sophomore* (1917), *The prince of pests: A story of the war* (1917), *Cedric the stoker* (1917), *The Spire and the Gargoyle* (1917), *Tarquin of Cheapside* (1917), *Babes in the Woods* (1917), *Sentiment—And the Use of Rouge* (1917), *The Pierian Springs and the Last Straw* (1917), *Porcelain and Pink* (1920), *Head and Shoulders* (1920), *Benediction* (1920), *Dalrymple Goes Wrong* (1920), *Myra Meets His Family* (1920), *Mister Icky* (1920), *The Camel's Back* (1920), *Bernice Bobs Her Hair* (1920), *The Ice Palace* (1920), *The Offshore Pirate* (1920), *The Cut-Glass Bowl* (1920), *The Four Fists* (1920), *The Smilers* (1920), *May Day* (1920), *The Jelly-Bean* (1920), *The Lees of Happiness* (1920), *Jemina* (1921): *A Wild Thing*, *A Mountain Feud*, *The Birth of Love*, *A Mountain Battle*, "As one.", *O Russet Witch!* (1921), *Tarquin of Cheapside* (1921), *The Popular Girl* (1922), *Two for a Cent* (1922), *The Curious Case of Benjamin Button* (1922), *The Diamond as Big as the Ritz* (1922), *Winter Dreams* (1922).

**The Catcher in the Rye** Wesleyan University Press

Nine-year-old Meena can't wait to grow up and break free from her parents. But, as the daughter of the only Punjabi family in the mining village of Tollington, her struggle for independence is different from most.

[The Seven Basic Plots](#) Penguin UK

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a

uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

[This Side of Paradise Illustrated](#) Oxford University Press

A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald's great American novel in a vivid new format. From the green light across the bay to the billboard with spectacled eyes, F. Scott Fitzgerald's 1925 American masterpiece roars to life in K. Woodman-Maynard's exquisite graphic novel—among the first adaptations of the book in this genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway's unreliable narration. Excerpts from the original text wend through the illustrations, and imagery and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes Gatsby across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, *The Great Gatsby* Graphic Novel captures the energy of an era and the enduring resonance of one of the world's most beloved books.

**The Rising Tide of Color Against White World-supremacy** HarperCollins

With New Historical Introduction for the Classroom The novel that helped define an era. *The Great Gatsby* is considered F. Scott Fitzgerald's magnum opus, exploring themes of decadence, idealism, social stigmas, patriarchal norms, and the deleterious effects of unencumbered wealth in capitalistic society, set against the backdrop of the Jazz Age and the Roaring Twenties. At its heart, it's a cautionary tale, a revealing look into the darker side to the American Dream. "When I came back from the East last autumn I felt that I wanted the world to be in uniform and at a sort of moral attention forever; I wanted no more riotous excursions with privileged glimpses into the human heart. Only Gatsby, the man who gives his name to this book, was exempt from my reaction-Gatsby who represented everything for which I have an unaffected scorn. If personality is an unbroken series of successful gestures, then there was something gorgeous about him, some heightened sensitivity to the promises of life, as if he were related to one of those intricate machines that register earthquakes ten thousand miles away. This responsiveness had nothing to do with that flabby impressionability which is dignified under the name of the "creative temperament"-it was an extraordinary gift for hope, a romantic readiness such as I have never found in any other person and which it is not likely I shall ever find again. No-Gatsby turned out all right at the end; it is what preyed on Gatsby, what foul dust floated in the wake of his dreams that temporarily closed out my interest in the abortive sorrows and short-winded elations of men..."

[The Great Gatsby \(Unabridged\)](#) Reaktion Books

Based on actual letters Fitzgerald sent to his sister to help her on how to be more attractive for men, "Bernice Bobs Her Hair" is the story of a socially hopeless girl being changed into a socially attractive girl to end up attracting the boy of her helper. The story is a depiction of the changing face of youth during Fitzgerald's time and has been adapted into several movies as it remains a story that impressed all readers over the years.

*English Language Arts* Henry Holt and Company

"Traditionally, scientists have emphasized what they call the first and second natures of personality--genes and culture, respectively. But today the field of personality science has moved well beyond the nature vs. nurture debate. In *Who Are You, Really?* Dr. Brian Little presents a distinctive view of how personality shapes our lives--and why this matters. Little makes the case for a third nature to the human condition--the pursuit of personal projects, idealistic dreams, and creative ventures that shape both people's lives and their personalities. Little uncovers what personality science has been discovering about the role of personal projects, revealing how this new concept can help people better understand themselves and shape their lives" -- provided by publisher.
