Federal system : citizens vote for representatives. Confederation system : citizens will have more power because this system pretty much relies on its local governments. Unitary system : Citizens pretty much leaves everything to the central government. ignore

Flashcards | Quizlet? There are several advantages and disadvantages to the unitary, confederate, and federal systems of government. The unitary government is often described as a centralized government. It is a government in which all powers held by the government belong to a single and central agency. The central government creates local units of government for its own [...]

Unitary, confederate, and federal government

A confederation, in modern political terms, is usually limited to a permanent union of sovereign states for common action in relation to other states. The closest entity in the world to a confederation at this time is the European Union. While the word confederation was officially used when the Canadian federal system was established in 1867, the term refers only to the process and not the ...
