## MOONEY SANTIAGO

**Through My Window** Simon and Schuster

The “reigning romance queens” (PopSugar) and New York Times bestselling authors of The Soulmate Equation and The Unhoneymooners present a charming and laugh-out-loud funny novel filled with adventure, treasure, and, of course, love. Growing up the daughter of notorious treasure hunter and absentee father Duke Wilder left Lily without much patience for the profession...or much money in the bank. But Lily is nothing if not resourceful, and now uses Duke’s coveted hand-drawn maps to guide tourists on fake treasure hunts through the red rock canyons of Utah. It pays the bills but doesn’t leave enough to fulfill her dream of buying back the beloved ranch her father sold years ago, and definitely not enough to deal with the sight of the man she once loved walking back into her life with a motley crew of friends ready to hit the trails. Frankly, Lily would like to take him out into the wilderness—and leave him there. Leo Grady knew mirages were a thing in the desert, but they’d barely left civilization when the silhouette of his greatest regret comes into focus in the flickering light of the campfire. Ready to leave the past behind him, Leo wants nothing more than to reconnect with his first and only love. Unfortunately, Lily Wilder is all business, drawing a clear line in the sand: it’s never going to happen. But when the trip goes horribly and hilariously wrong, the group wonders if maybe the legend of the hidden treasure wasn’t a gimmick after all. There’s a chance to right the wrongs—of Duke’s past and their own—but only if Leo and Lily can confront their history and work together. Alone under the stars in the isolated and dangerous mazes of the Canyonlands, Leo and Lily must decide whether they’ll risk their lives and hearts on the adventure of a lifetime. From the author of the “heartfelt and funny” (Publishers Weekly) sensation The Unhoneymooners, this page-turning adventure full of second chances, complicated relationships, and the breathtaking beauty of the American Southwest will take fans on one wild ride.

Millions of readers worldwide have fallen for the sexy, hilarious love stories of Christina Lauren's New York Times and #1 international best selling Beautiful series. Discover the first three novels—Beautiful Bastard, Beautiful Stranger, and Beautiful Player—from the author duo Kirkus Reviews calls “the It Girls of Romance.” Beautiful Bastard: Whip-smart, ambitious intern Chloe Mills is so tempting that her completely infuriating and utterly irresistible boss Bennett Ryan is willing to bend the office rules—or outright smash them—if it means he can have her—all over the office. Beautiful Stranger: All of New York City knows Max Stella loves women. Despite pulling in plenty of

lovers with his Wall Street bad boy charm, it’s not until finance whiz Sara Dillon—and the wild photos she lets him take of her—that the ex-pat Brit really thought of keeping someone around. Hooking up in places where anybody could catch them, the only thing scarier for Sara than getting caught in public is having Max get too close in private. Beautiful Player: Lectured by her brother for neglecting her social life in favor of grad school, bookish Hanna Bergstrom challenges her brother’s best friend, unapologetic playboy Will Sumner, to turn her into a sultry siren. It’s not long before the innocently seductive pupil is teaching the venture capitalist a thing or two he can’t forget. But now that Sara’s discovered the power of her own sex appeal, it’s up to Will to prove he’s the only man she’ll ever need.

**The Night Owl Trilogy** Harlequin

The third book in Sarah MacLean's witty and romantic Scandal & Scoundrel series featuring a ravishing heroine and the man, desperately in love, who now has to make amends. The one woman he will never forget... Malcolm Bevingstoke, Duke of Haven, has lived the last three years in self-imposed solitude, paying the price for a mistake he can never reverse and a love he lost forever. The dukedom does not wait, however, and Haven requires an heir, which means he must find himself a wife by summer’s end. There is only one problem—he already has one. The one man she will never forgive... After years in exile, Seraphina, Duchess of Haven, returns to London with a single goal—to reclaim the life she left and find happiness, unencumbered by the man who broke her heart. Haven offers her a deal; Sera can have her freedom, just as soon as she finds her replacement...which requires her to spend the summer in close quarters with the husband she does not want, but somehow cannot resist. A love that neither can deny... The duke has a single summer to woo his wife and convince her that, despite their broken past, he can give her forever, making every day the Day of the Duchess.

Josh has known Hazel since college. From the first night they met - when she gracelessly threw up on his shoes - to when she sent him an unintelligible email while in a post-surgical haze, Josh has always thought of Hazel more as a spectacle than a peer. But now, ten years later, after a cheating girlfriend has turned his life upside down, going out with Hazel is a breath of fresh air. Not that Josh and Hazel date. At least, not each other.
