### *20 Master Plots/ 45*

*Master Characters* Writers  
Digest Books

Relates the incredible adventures of Professor William Waterman Sherman who in 1883 sets off in a balloon across the Pacific, survives the volcanic eruption of Krakatoa, and is eventually picked up in the Atlantic.

The Modern Library  
Writer's Workshop  
Penguin

Give your story a solid foundation—a plot that engages readers from start to finish! The best stories linger in the hearts and minds of readers for decades. These tales gain their power through plots that connect with the audience on both an emotional and intellectual level. Inside Ronald B. Tobias details these 20 time-tested plots. Each is discussed and analyzed, illustrating how a successful plot integrates all the elements of a story. Tobias then shows you how to use these

plots effectively in your own work. Tobias then goes to the next level, showing you how to choose and develop plot in fiction. He shows you how to craft plot for any subject matter, so that you develop your work evenly and effectively. As a result, your fiction will be more cohesive and convincing, making your story unforgettable for readers everywhere. "Plot isn't an accessory that conveniently organizes your material according to some ritualistic magic. You don't just plug in plot like a household appliance and expect it to do its job. Plot is organic. It takes hold of the writer and the work from the beginning." —Ronald Tobias

*20 Master Plots and How to Build Them* Penguin  
Create unforgettable characters your readers will love! 45 Master Characters will make your stories more compelling, complex and original than ever before. You'll explore the most common male and female archetypes—the mythic, cross-cultural models from which all characters originate—and learn how

to use them as foundations for your own unique characters. Examples culled from literature, television and film illustrate just how memorable and effective these archetypes can be—from "Gladiators" and "Kings" like Rocky Balboa and Captain Ahab to "Amazons" and "Maidens" like Xena and Guinevere. The mythic journeys of heroes and heroines—the progression of events upon which each archetype's character arc develops—are also examined. Building such a "journey" into your character's story will enable you to stop worrying about what happens next and get on with telling your tale. It's a power-packed method for creating characters that stand the test of time!

**The Elements of Fiction Writing** Black Irish Entertainment LLC  
Got 90 Days? Then You Can Be a Novelist... Many famous authors write their novels in a matter of weeks. William Faulkner wrote *As I Lay Dying* in six weeks. Joyce Carol Oates often cranks out two or three books a year.

Stephen King believes first drafts should take no more than three months to complete. So, what's the trick? Novel writing isn't about inspiration. It's about the time, energy, and discipline to see the project to its finish. With *90 Days To Your Novel* at your side, now is the time. This inspiring guide will be your push, your deadline, and your spark to finally, without excuses, and in three short months, nail that first draft of your novel. The difference between wanna-be writers and real writers is the difference between talk and work. If you commit to the schedule and the techniques within *90 Days to Your Novel* and invest two to three hours a day for twelve weeks, you will complete your book. An outline will appear. Characters will take shape. A plot will emerge. Scenes will come together and form a story worth reading. And then the talking can begin! This helpful guide provides:

- Instruction that distills the elements of the novel - from crafting your outline to developing intriguing characters and believable plots
- Strategies for gaining support from your family and friends
- Motivating insights about writing and writers to

minimize your inevitable moments of doubt • A schedule to keep you in the writing zone and keep you focused, creative, and working Whether you're writing your first novel or your third, this guide provides the coaching, the planning, and the writerly commiseration to help get your book written.

#### The Basic Patterns of Plot Penguin

This book shows you how to take timeless storytelling structures and make them immediate, now, for fiction that's universal in how it speaks to the reader's heart and contemporary in detail and impact. Each chapter includes brief excerpts and descriptions of fiction from many times, many genres - myth and fairy tale, genre and mainstream fiction, film plots of all types, short story and novel. Find 20 fundamental plots that recur through all fiction - with analysis and examples - that outline benefits and warnings, for writers to adapt and elaborate in their own fiction.

#### **A Guide to the Craft of Fiction** Shambhala Publications

This remarkable and monumental book at last provides a comprehensive answer to the age-old

riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in

an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

**A Little Life** Soho Crime  
 “Make [your] characters want something right away—even if it’s only a glass of water. Characters paralyzed by the meaninglessness of modern life still have to drink water from time to time.” —Kurt Vonnegut  
 “‘The cat sat on the mat’ is not the beginning of a story, but ‘the cat sat on the dog’s mat’ is.” —John Le Carré  
 Nothing is more inspiring for a beginning writer than listening to masters of the craft talk about the writing life. But if you can’t get Vladimir Nabokov, Virginia Woolf, and Gabriel García Márquez together at the Algonquin, The Modern Library Writer’s Workshop gives you the next best thing. Stephen Koch, former chair of Columbia University’s graduate creative writing program, presents a unique guide to the craft of fiction. Along with his own lucid observations and commonsense techniques, he weaves together wisdom, advice, and inspiring commentary from some of our greatest writers. Taking you from

the moment of inspiration (keep a notebook with you at all times), to writing a first draft (do it quickly! you can always revise later), to figuring out a plot (plot always serves the story, not vice versa), Koch is a benevolent mentor, glad to dispense sound advice when you need it most. The Modern Library Writer’s Workshop belongs on every writer’s shelf, to be picked up and pored over for those moments when the muse needs a little help finding her way.

**Masterplots** Penguin  
 NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE  
 A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades,

the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s new novel, *To Paradise*, coming in January 2022.

*No Plot? No Problem!*

**The Scum Villain's Self-Saving System: Ren Zha Fanpai Ziju Xitong (Novel) Vol. 1** Chronicle Books

"45 Master Characters" explores the most common male and female archetypes, provides instructions for using them to create original characters, and gives examples of how other authors have brought such archetypes to life in novels, film and television. Worksheets included for writers to develop their own characters. 45 illustrations.

*Ten Million Photoplay Plots* 20 Master Plots And How to Build Them "Half-demon Luo Binghe rose from humble beginnings and a tortured past to become unrivaled in strength and beauty. With his dominion over both the Human and Demon Realms and his hundreds-strong harem,

he is truly the most powerful protagonist...in a trashy webnovel series! At least, that's what Shen Yuan believes as he finishes reading the final chapter in *Proud Immortal Demon Way*. But when a bout of rage leads to his sudden death, Shen Yuan is reborn into the world of the novel in the body of Shen Qingqiu--the beautiful but cruel teacher of a young Luo Binghe. While Shen Qingqiu may have the incredible power of a cultivator, he is destined to be horrifically punished for crimes against the protagonist. The new Shen Qingqiu now has only one course of action: get into Luo Binghe's good graces before the young man's rise to power or suffer the awful fate of a true scum villain!"--Back cover of Volume 1.

**The marvels and wonders of the Thousand and one nights** Bloomsbury Publishing

Including "Ali Baba and the Forty Thieves," and "Aladdin and the Magic Lamp," this modern edition of the classic tales weaves a beautiful tapestry of stories that are filled with humorous and valuable lessons and magical adventures. Reissue.

**20 Master Plots and How to Build Them**

Writer's Digest Books Build a Timeless, Original Story Using Hundreds of Classic Story Motifs! It's been said that there are no new ideas; but there are proven ideas that have worked again and again for all writers for hundreds of years. Story Structure Architect is your comprehensive reference to the classic recurring story structures used by every great author throughout the ages. You'll find master models for characters, plots, and complication motifs, along with guidelines for combining them to create unique short stories, novels, scripts, or plays. You'll also learn how to:

- Build compelling stories that don't get bogged down in the middle
- Select character journeys and create conflicts
- Devise subplots and plan dramatic situations
- Develop the supporting characters you need to make your story work

Especially featured are the standard dramatic situations inspired by Georges Polti's well-known 19th century work, *The Thirty-Six Dramatic Situations*. But author Victoria Schmidt puts a 21st-century spin on these timeless classics

and offers fifty-five situations to inspire your creativity and allow you even more writing freedom. *Story Structure Architect* will give you the mold and then help you break it. This browsable and interactive book offers everything you need to craft a complete, original, and satisfying story sure to keep readers hooked!

*And How to Build Them*  
Harper Collins

In the two hundred years since their arrival in America, elephants have worked on farms, mills, mines, and railroads, in Hollywood, and in professional baseball. They've contributed to the national discourse on civil rights, immigration, politics, and capitalism. They became so deeply ingrained in the American way that they were once accorded the rights of American citizenship, including the right to vote and the right to provide testimony under oath—and they have incurred brutal punishments when convicted of human crimes. In *Behemoth*, Ronald B. Tobias has written the first comprehensive history of the elephant in America. As tragic as it is comic, this enthralling chronicle

traces this animal's indelible footprint on American culture.

**The Arabian Nights**  
Anchor

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." -- Sven Birkerts, *The Atlantic*  
**20 Master Plots** Penguin

**Engage Your Readers with Emotion** While writers might disagree over showing versus telling or plotting versus pantsing, none would argue this: If you want to write strong fiction, you must make your readers feel. The reader's experience must be an emotional journey of its own, one as involving as your characters' struggles, discoveries, and triumphs are for you. That's where *The Emotional Craft of Fiction* comes in. Veteran literary agent and expert fiction instructor Donald Maass shows you how to use story to provoke a visceral and emotional experience in readers. Topics covered include: • emotional modes of writing • beyond showing versus telling • your story's emotional world • moral stakes • connecting the inner and outer journeys • plot as emotional opportunities • invoking higher emotions, symbols, and emotional language • cascading change • story as emotional mirror • positive spirit and magnanimous writing • the hidden current that makes stories move Readers can simply read a novel...or they can experience it. *The Emotional Craft of Fiction*

shows you how to make that happen.

**Plot Basics** Writers Digest Books

*Archetypes, Heroic Journeys, and Other Elements of Dynamic Character Development*

Simon and Schuster

Have you struggled to expand your initial idea into a complete story? Plotting can be frustrating work! What if there were a tool for this very problem, so you could navigate these uncharted waters as quickly as possible? A tool that starts with what you have (a situation, perhaps, or a group of characters) and sets you on the road to new possibilities? Plotto does all this. Created by a master of organized creativity, William Wallace Cook (one of the most prolific writers in history), Plotto has been prized by professional authors and screenwriters since its publication in 1928, and is still in demand today, with copies of the original edition selling for up to \$400. This Norton Creek Edition is an exact reproduction of Cook's work. To keep the book down to a manageable size (300 pages of very small type) while retaining its powerful features,

Cook uses a telegraphic format that takes some getting used to, so working your way carefully through the introduction and its examples is the key to professional-quality results. Because Plotto was written in the Twenties, its situations can seem old-fashioned and its terminology politically incorrect, but these problems are more apparent than real. Cook himself wrote both westerns and early classics of science fiction, so you see how replacing stagecoach with star ship or dance hall girl with male stripper are within the reach of anyone using the Plotto system, and, in fact, this kind of substitution is how the book is intended to be used, and is the key to its flexibility and enduring popularity.

**The Classic Plot Suggestion Tool for Writers of Creative Fiction** Penguin

A must-have for any student or aspiring writer, this book reviews the fundamentals of good sentence structure: Conventions of writing style change in subtle ways with passing years—a fact that prompts the need for periodic revisions of books

like this one. The authors review the fundamentals of good sentence structure and then go on to describe twenty basic sentence patterns that encompass virtually every effective way of writing sentences in English. They also draw on passages by current prominent writers, using these examples to show how varying rhythm and sentence patterns can result in elegant writing styles that keep their readers interested. Exercises with answers and explanations appear throughout the text. Overflowing with practical and useful advice, this little gem will change the way people write.

**45 Master Characters** Penguin

What can you accomplish in 30 days? If you make time to write and put away all of your excuses, could you stay on track and finish your novel in only a month? With a structured plan and a focused goal, yes, you can! Using a combination of flexible weekly schedules, clear instruction, and detailed worksheets, author Victoria Schmidt leads you through a proven 30-day novel-writing system without the intimidation factor. Book in a Month shows you how to: • Set

realistic goals and monitor your progress • Manage your time so that your writing life has room to flourish • Select a story topic that will continue to inspire you throughout the writing process • Quickly outline your entire story so that you have a

clear idea of how your plot and characters are going to develop before you start writing • Draft each act of your story by focusing on specific turning points • Keep track of the areas you want to revise without losing your momentum in the middle of your story •

Relax and have fun--you are, after all, doing something you love So what are you waiting for? If you've been putting off your book project, let *Book in a Month* be your guide and find out just how much you can accomplish!
