"A mesmerizing novel
about a family in crisis."—
Miami Herald A
disquieting and ultimately
uplifting novel about a
marriage, a family, and

human resilience in the face of tragedy, from Wally Lamb, the New York Times bestselling author of *The Hour I First Believed* and *I Know This Much Is True*. After 27 years of marriage and three children, Anna Oh—wife, mother, outsider artist—has fallen in love with Viveca, the wealthy Manhattan art dealer who orchestrated her success. They plan to wed in the Oh family’s hometown of Three Rivers in Connecticut. But the wedding provokes some very mixed reactions and

opens a Pandora’s Box of toxic secrets—dark and painful truths that have festered below the surface of the Ohs’ lives. *We Are Water* is a layered portrait of marriage, family, and the inexorable need for understanding and connection, told in the alternating voices of the Ohs—nonconformist, Anna; her ex-husband, Orion, a psychologist; Ariane, the do-gooder daughter, and her twin, Andrew, the rebellious only son; and free-spirited Marissa, the youngest. It is also a portrait of

modern America, exploring issues of class, changing social mores, the legacy of racial violence, and the nature of creativity and art. With humor and compassion, Wally Lamb brilliantly captures the essence of human experience and the ways in which we search for love and meaning in our lives. *There's More to Life Than This* FaithWords

A landmark book of popular science that gives us a lucid and engaging account of how the human body evolved over

millions of years—with charts and line drawings throughout. “Fascinating.... A readable introduction to the whole field and great on the making of our physicality.”—Nature In this book, Daniel E. Lieberman illuminates the major transformations that contributed to key adaptations to the body: the rise of bipedalism; the shift to a non-fruit-based diet; the advent of hunting and gathering; and how cultural changes like the Agricultural and Industrial Revolutions

have impacted us physically. He shows how the increasing disparity between the jumble of adaptations in our Stone Age bodies and advancements in the modern world is occasioning a paradox: greater longevity but increased chronic disease. And finally—provocatively—he advocates the use of evolutionary information to help nudge, push, and sometimes even compel us to create a more salubrious environment and pursue better

lifestyles. I Am God's Dream Harper Collins "For four years, from the election of John Fitzgerald Kennedy in November 1960 until after the election of Lyndon Johnson in 1964, Clint Hill was the Secret Service agent assigned to guard the glamorous and intensely private Jacqueline Bouvier Kennedy. During those four years, he went from being a reluctant guardian to a fiercely loyal watchdog and, in many ways, her closest friend"--

With the world at her feet and Californian railroad fortunes in her purse, Aimée had a tale or two to tell. Here, she boldly delivers her hilarious memoirs of escaping headhunters in Borneo, avoiding poisoning in Hong Kong and outwitting murder in Shanghai. Not remotely covered by her skirmishes with sin, shame or vice, Aimée celebrates her quintet of unfortunate husbands

including a Russian prince almost forty years her junior and King Kalakaua of Hawaii, emboldened by her forcefulness to hold sway over the faint of heart. Aimée was a woman of means, not always a lady and never what you might call 'proper'. In this laugh-out-loud story of her life, she recounts her adventures with flair, invincibility and unapologetic gusto. After the Witch Hunt

Simon and Schuster
As if she discovered a
small army of silenced
women captive in her

pen, Megan Falley releases them in the spilled ink that is her most brilliant collection of poems, *After the Witch Hunt*. Demanding "if you really love a writer, bury her in all your awful and watch as she scrawls her way out," her book does exactly that. An incessant digging, a journey in building escape routes, armed with both humor and a brazen darkness, each poem in this book of bloodletting is another swing of the pick and axe in this young woman's labor, insistent upon light.

walked this path, Tracie Miles leads women on a powerful, life-changing journey that provides much-needed hope, encouragement, and practical guidance for living their best life even if it's not the life they once imagined. Her biblically sound approach teaches readers how to trust in God's promises and restore their self-confidence and hope for the future.

Good Mourning Simon and Schuster

The perfect gift for fans of *The Big Lebowski*, Jeff

Bridges's "The Dude", and anyone who could use more Zen in their lives. Zen Master Bernie Glassman compares Jeff Bridges's iconic role in *The Big Lebowski* to a Lamed-Vavnik: one of the men in Jewish mysticism who are "simple and unassuming," and "so good that on account of them God lets the world go on." Jeff puts it another way. "The wonderful thing about the Dude is that he'd always rather hug it out than slug it out." For more than a decade, Academy Award-winning

actor Jeff Bridges and his Buddhist teacher, renowned Roshi Bernie Glassman, have been close friends. Inspiring and often hilarious, *The Dude* and the Zen Master captures their freewheeling dialogue and remarkable humanism in a book that reminds us of the importance of doing good in a difficult world. [The Gifts Beneath Your Anxiety](#) Llewellyn Worldwide For fans of TLC's Long Island Medium and anyone interested in the big questions of life,

death, and finding out what's important in between, New York Times bestselling author and medium Theresa Caputo shares how she discovered her gift and her many encounters with Spirit. Beloved medium Theresa Caputo, star of the hit television show *Long Island Medium*, opens the door to her world and invites you to experience her exceptional gift of communicating with those who've crossed over to the Other Side. The always funny, frank, and

down-to-earth medium—whether she’s talking to her family, the local butcher, or the souls of those who’ve passed on—began communicating with Spirit at the age of four, but didn’t fully accept her gift until she was thirty-three years old. She had a good life as a busy wife and working mom, but also suffered from chronic anxiety that, as it turned out, came from ignoring her abilities. Once Theresa began channeling, she realized that she felt much better

after delivering a message from Spirit and releasing that energy. Since then she’s used her extraordinary gift to help people heal from the loss of their loved ones. Theresa feels that it’s her purpose to make us all aware that there is more to life than what we see here in the physical world. She wants you to know that your deceased loved ones are safe and at peace, and that they’re now with you in a different way—watching over you, loving you, and assisting you from the

Other Side. She also wants you to realize that the unexplainable things you sense and feel from these souls are real, and that it’s healthy and essential to acknowledge them. There’s *More to Life Than This* lends insight on how Theresa’s mediumship works, what happens to your soul when you die, what Spirit says Heaven is like, what the deceased want you to know, the importance of living a positive life, and the many roles that your family, friends, angels, guides, souls of faith, and

God play here and in the afterlife. It also explores how to safely connect with Spirit, so that you can recognize when your loved ones are reaching out. Through Theresa's personal story, compelling anecdotes, and fascinating client readings, she teaches us about how she communicates with Spirit and helps us to understand and appreciate the important lessons and touching messages that we're meant to embrace every day.

Tragic deaths, secret love affairs, and powerful messages from the spirit world have long colored psychic Bridget Benson's remarkable life. She grew up in the small Irish farming village of Straide, County Mayo, a place of lush meadows and peat bogs, purple heather-clad moorland, and sandy-beached lakes. Bridget lived with her eight siblings, parents, grandparents, and great aunt in a house with no

electricity or running water. When her grandma died on Bridget's seventh birthday, Bridget received a message that her beloved father, who also had "the gift," would die when she was twelve years old, and that she would carry on as the family seer. When *Tomorrow Speaks to Me* tells the story of Bridget Benson's remarkably spiritual life, from her childhood experiences with spirit guides, ghosts, fairies, and leprechauns to the development of her career as a successful full-

time psychic medium. *Messages from Above* W. Norton & Company The world-famous medium and star of Lifetime Movie Network's #1 rated show *The Haunting Of . . .* tells her story, shares some astonishing, never-before-revealed details of her celebrity readings, and teaches you how to harness your own energy and access the world beyond our own. When she was nine years old, Kim Russo discovered she had an amazing gift—she could communicate with

the dead. Deeply skeptical, she denied her talent for years. But as she gradually reconciled her ability with her religious beliefs, Kim embraced who she is—and ultimately accepted her soul's mission as a voice for the spirit world. Known as the "Happy Medium" for her authenticity, warmth, and her honest, positive readings, Kim has helped people from all walks of life to connect with those who have passed on. Now, this world-renowned medium demystifies the

world of the dead for everyone. The key to understanding, she contends, is energy, which cannot be destroyed. The Happy Medium interweaves experiences from Kim's life with some of the best, most astounding behind-the-scenes stories of her celebrity readings from episodes of her Lifetime show, *The Haunting Of . . .* . In addition, she gives you the tools to access the energy that is all around us, including the experiments and lessons she uses in many of her

sold-out appearances and courses around the world. Following her mantra, “Let them lead you,” Kim shows you how to let the world of the dead guide you to greater understanding of life’s biggest questions.
