The premier guide to digital marketing that works, and a solid framework for success The Art of Digital Marketing is the comprehensive guide to cracking the digital marketing 'code,' and reaching, engaging, and serving the empowered consumer. Based on the industry's leading certification from the Digital Marketing Institute (DMI), this book presents an innovative methodology for successful digital marketing: start with the customer and work backwards. A campaign is only effective as it is reflective of the consumer's wants, needs, preferences, and inclinations; the DMI framework provides structured, implementable, iterative direction for getting it right every time. The heart of the framework is a three-step process called the 3i Principles: Initiate, Iterate, and Integrate. This simple idea translates into higher engagement, real customer interaction, and multichannel campaigns that extend even into traditional marketing channels. The evolution of digital marketing isn't really about the brands; it's about consumers exercising more control over their choices. This book demonstrates how using this single realization as a starting point helps you build and implement more effective campaigns. Get inside the customer's head with deep consumer research Constantly improve your campaigns based on feedback and interactions Integrate digital activities across channels, including traditional marketing Build campaigns based on customer choice and control Digital marketing turns traditional marketing models on their heads. Instead of telling the customer what to think, you find out

what they already think and go from there. Instead of front-loading resources, you continually adjust your approach based on real interactions with real customers every day. Digital marketing operates within its own paradigm, and The Art of Digital Marketing opens the door for your next campaign.

Create a personal "power grid" of influence to spark professional and personal success "Other people have the answers, deals, money, access, power, and influence you need to get what you want in this world. To achieve any goal, you need other people to help you do it." -- JUDY ROBINETT As anyone in business knows, strategic planning is critical to achieving long-term success. In *How to Be a Power Connector*, super-networker Judy Robinett argues that strategic relationship planning should be your top priority. When you combine your specific skills and talents with a clear, workable path for creating and managing your relationships, nothing will stop you from meeting your goals. With high-value connections, you'll tap into a dynamic "power grid" of influence guaranteed to accelerate your personal and professional success. Robinett uses her decades of experience connecting the world's highest achievers with one another to help you build high-value relationships. She reveals all the secrets of her trade, including proven ways to: Find and enter the best network "ecosystem" to meet your goals Reach even the most unreachable people quickly and effectively Get anyone's contact information within 30 seconds Create a "3-D connection" that adds value to multiple people at the same time Access key influencers through industry and community events Subtly seed conversation with information about interests and needs Use social media to your best advantage Robinett has based her methods on solid research proving that social groups begin to break up when they become larger than 150 people, and that 50 members is the optimal size for group communication. As such, she has developed what she

calls the "5+50+100" method: contact your top 5 connections daily, your Key 50 weekly, and your Vital 100 monthly. this is your power grid, and it will work wonders for your career. Nothing will stop you when you learn *How to Be a Power Connector*. PRAISE FOR HOW TO BE A POWER CONNECTOR: "Unlike many books in this genre, this one is written by a woman who has lived it. . . Judy Robinett offers guidance on how to form authentic relationships that bring mutual benefits." -- ADAM GRANT, Wharton professor and New York Times bestselling author of *Give and Take* "How to Be a Power Connector is like an MBA in networking: an advanced course in finding and developing quality relationships with the people who can make the biggest difference in your professional success." -- IVAN MISNER, founder and chairman of BNI "Talk about power! Follow Judy Robinett's logical, straightforward, and helpfully detailed advice, and you can be a 'Power Connector' yourself! Great ideas, well presented, with no 'wasted space' in her argument!" -- DON PEPPERS, coauthor of *Extreme Trust: Honesty as a Competitive Advantage* "Absolutely brilliant. A step-by-step guide to building a network that will be both invaluable to you and just as valuable to those whose lives you will now have the opportunity to touch. I can't imagine a more powerful book for one who truly desires to be a Power Connector." -- BOB BURG, coauthor of *The Go-Giver* and author of *Adversaries into Allies* "In the C-Suite or in your personal life everything comes down to the quality of your relationships. Judy's book helps you attract and maintain the relationships that will get you what you want most. Be a super connector now!" - - JEFFREY HAYZLETT, TV host and bestselling author of *Running the*
