Roommates, Book 2

Carried Away Publishing
In the bestselling sequel
to Find You in the Dark, A.

Meredith Walters continues the emotional story of Maggie, Clay, and the power of unconditional love. How do you keep going when you feel like your life is over? Maggie never thought she'd see Clay again. So, she attempts to put her life back together after her heart has been shattered to pieces. Moving on and moving forward, just as Clay wanted her to. Clay never stopped thinking of Maggie. Even after ripping their lives apart and leaving her behind to get

the help he so desperately needed. He is healing...slowly. But his heart still belongs to the girl who tried to save him. When a sudden tragedy brings Maggie and Clay face-to-face again, nothing is the same. Yet some things never change. Can the darkness that threatened to consume them be transformed into something else and finally give them what they always wanted? And can two people who fought so hard to be together, finally find their

happiness? Or will their demons and fear drive them apart for good? The thing about love is that even when it destroys you, it has a way of mending what is broken. And in the shadows, you can still see the light. Jamie McGuire Being thirteen has pitfalls of its own, but growing up has never been this hard. Jenna had promised her mother that if the worst happened during her dad's weekend, they would meet at Red Hill Ranch. When she finds seven words spray-

painted on her dad's wall the morning after a deadly outbreak, she makes a promise to herself: to get to the ranch with her seven-year-old sister, Halle, and to get them both there alive. *Among Monsters* is the companion novella to *Red Hill*, both exploring from different perspectives what many broken families experience every other weekend: What if your children aren't with you when the world ends? What would you do to get to them? What would they

go through to get to you? For Jenna, seeing her mother again is worth everything. Determined to keep her promise, she is faced with experiences and decisions that force her to leave her childhood behind.
