### **A Sci-Fi Alien Romance**

Ruth Ann Nordin

Laura Shelton's father has issued an ultimatum--find herself a husband before

the end of the year or he'll find one for her. She knows every single man in their small town in Michigan, and the thought of being tied to any one of them for the rest of her life fills her with dread. But what else can she do? Widower George Cowan is struggling to run his ranch and raise his six-year-old daughter, Betsy, alone. When her teacher points out that she acts more like a boy than a girl and suggests he marry again, he finally admits to himself that Betsy needs a mother. Even though he

has no interest in loving another woman, he goes to Miranda Weaver to ask for her help in finding him a bride. When Laura learns of a friend planning to become a mail-order bride, she decides to do the same. After all, marrying a stranger can't be any worse than marrying any of the men she knows now. Laura is happy with her new life with George, and finds herself falling in love with him. As time goes by, she begins to suspect he feels the same way about her, but when near-tragedy

strikes, she discovers her new life isn't as perfect as she thought. Can she live the rest of her life without love, or should she give up her dream of a husband who loves her and walk away?

A Wild West wedding! Thomas Greenwood expected his mail-order bride to be plain and pregnant—not a willow-slim beauty! She's clearly no practical farmer's wife, but she's his chance

finally to have a loving family... Runaway heiress Charlotte Fairfax fled the possibility of a forced marriage, yet now, assuming a stolen identity, she's wed to a stranger the moment she steps off the train! She plans to stay only until it's safe to leave. Except marriage to kindhearted Thomas is far more complicated—and pleasurable—than she ever imagined!

Eric Johnson's real mail order bride shows up later than expected, and she

quickly learns he is already married. Now Allie Jones is stuck in a small Colorado town with no way to leave. She must either marry the only suitable bachelor or risk being sold to the saloon's owner to be one of the soiled doves. Seeing she has no real choice, she agrees to marry the bachelor. Rumored as being a monster by the people in town, Travis Martin is content to live alone, sheltered in the wooded area of the mountainside. The last thing he expects is a

preacher when there's a knock on the door. With great hesitation, he agrees to the marriage. He can't confine such a beautiful young lady to the saloon, but he knows the marriage won't be a happy one for her, not when she could have had someone so much better. So the best thing he can do is keep his distance and leave her alone. She, however, can't help but be intrigued by her new husband. Is he the ugly beast the people in town claim, or is there something beautiful worth

loving just beneath the surface?

**Heroes of Chance  
Creek Volume 1**

Sourcebooks, Inc.

"In 1621, nearly fifteen years after the establishment of the Jamestown colony, the Virginia Company funded another voyage of colonists to the New World. This time, however, their ships carried fifty-six young women. Their ages ranged from sixteen to twenty-eight, they were of good character and proven skills, and each

had a bride price of 150lbs of tobacco set by the Company. Though the women had all agreed to journey to Jamestown of their own free will, they were also unquestionably there to be sold into marriage, thereby generating a profit for investors and increasing the colony's long-term viability. These were the aims of the Virginia Company at least; the aims of the women themselves are less clear. Without letters or journals (young women from middling classes had not

generally been taught to write), Jennifer Potter's research has turned to the Virginia Company's merchant lists, which were used as a kind of sales catalog for prospective husbands, as well as censuses, court records, the minutes of Virginia's General Assemblies, letters to England from their male counterparts, and other such accounts of the everyday life of the early colonists. The first part of her book explores the women's lives before their departure, but the true

heft of the work lies in the second part, which documents the women's lives in Jamestown. In telling the story of these "Maids for Virginia," Potter at once sheds light on life for women in early modern England and in the New World."--Provided by publisher.

### **An Unexpected Mail Order Bride**

Dell Eric Johnson has been writing to his mail-order bride for months, and at long last, the day she's due to arrive has come. Only, the young lady who

comes off the stagecoach isn't at all what he expected. She's homely in appearance, and she has an orphan child with her. However, he is a man of his word, so he's going to marry her. He had enjoyed their correspondence over the past year, after all, and really, initial impressions aren't everything. But when the preacher pronounces them husband and wife, he finds out she's the wrong lady. Caroline Benton's just as shocked as he is, not realizing she'd gotten

off at the wrong town and followed the wrong man home. Why, oh why, didn't she think to ask him his name? Now she and the orphan child she brought with her are stuck in a strange town with a man who'd been waiting for someone else. She can't imagine he's at all happy to be paired up with her for the rest of his life. Not only is she rather unattractive, but she doesn't know the first thing about housekeeping. Just what is she supposed to do to convince him it's not the

end of the world that he married the wrong mail-order bride?

City girl in Montana looking for her Romeo... Sounds like the start of a Hallmark movie, right? Well, it would if they had movies about idiot women flying across the country to marry a man they'd never met. Yup, that's what I did. I responded to an ad in a random newspaper that I found on the train. And now I'm trying to find Horseshoe Ranch so that I can marry some cowboy I've never even seen. And no, this

isn't the 1800's. I'm just desperate. To make matters worse, the cowboy doesn't even know I'm coming. His mom and dad arranged it all. I'm going is because I have \$100 to my name

and an old mafia boyfriend after me. I figured life couldn't get any worse in Montana. I was wrong. In my excitement, I left the address and phone number for the ranch at

home, so now I'm here in Montana and I have no idea where I'm supposed to go. So I took a rented a car and stopped at a local bar to ask for directions. And that's when my problems really started.
