Serial Killers Hodder Paperbacks

There is little more terrifying than those who hunt, stalk and snatch their prey under the cloak of darkness. These hunters search not for animals, but for the touch, taste, and empowerment of human flesh. They are cannibals, vampires and monsters, and they walk among us. These serial killers are not mythical beasts with horns and shaggy hair. They are people living among society, going about their day to day activities until nightfall. They are the Dennis Rader's, the fathers, husbands, church going members of the community. This A-Z encyclopedia of 150 serial killers is the ideal reference book. Included are the most famous true crime serial killers, like Jeffrey Dahmer, John Wayne Gacy, and Richard Ramirez, and not to mention the women who kill, such as Aileen Wuornos and Martha Rendell. There are also lesser known serial killers, covering many countries around the world, so the range is broad. Each of the serial killer files includes information on when and how they killed the victims, the background of each killer, or the suspects in some cases such as the Zodiac killer, their trials and punishments. For some there are chilling quotes by the killers themselves. The Big Book of Serial Killers is an easy to follow collection of information on the world's most heinous murderers.

Hunting the Ultimate Kill Abrams

Forensic psychology plays an increasingly important role in criminal investigations and legal decision-making. Homicide: A Forensic Psychology Casebook guides readers through the practical aspects of homicide cases across the entire criminal justice system, from the investigative process to the criminal trial process, and beyond. Each chapter contains a description and analysis of selected cases and offenders, and provides a crime narrative and offender narrative to illustrate the underlying theory and practical considerations of homicide investigations. Criminal justice students and practitioners alike will benefit from the comprehensive scope of this text. In order to ensure fair and efficient criminal justice practices in the field of forensic investigation, there is still a need for conformity and standardization of sound protocols and approaches based on improved knowledge and education. This book is part of that effort to understand homicidal behavior and offenders better in order to prevent similar crimes.

Grilling Dahmer Createspace Independent Publishing Platform

Few serial killers in history have garnered as much attention as Jeffrey Lionel Dahmer. Although Dahmer killed seventeen young men and boys, it was not so much the number of people he killed that makes him stand out among famous serial killers, but more so the acts of depravity that he committed on the corpses of his victims. In this true crime story you will read how Dahmer transitioned from a loner to serial killer, committing numerous unnatural acts along the way such as necrophilia and cannibalism. Following in the macabre tradition of another infamous Wisconsin serial killer-Ed Gein-Jeffrey Dahmer terrorized Milwaukee for most of the 1980s until he was finally captured in 1991. Perhaps one of the most frightening aspects of Jeffrey Dahmer's serial killer career was how easy he was able to lure his victims into his trap. Dahmer possessed above average intellect, was conventionally good looking, and usually had a calm demeanor that could disarm even the most paranoid of people. Because of these traits, Dahmer was able to evade justice numerous times, which allowed him to keep killing. Truly, Dahmer was able to fool his family, the police, his neighbors, and even the judicial system into believing that he was not a threat; but during the entire time his kill count increased and the body parts of his victims began to pile up around his apartment. Open the pages of this book to read a story that is among the most disturbing of all true crime serial killers. You will follow the course of Dahmer's life from an alcoholic outcast in high school to a vicious predator who stalked the streets of Milwaukee. Finally, you will read about Dahmer's trial, his jail house murder, and the impact that his many crimes had on Milwaukee.

A Father's Story RJ PARKER PUBLISHING, INC.

In a real-life scenario straight out of *The Silence of the Lambs*, Robert Keppel went one-on-one with the notorious serial killer Ted Bundy, who advised Keppel on the detective's highly publicized search for the elusive Green River Killer. Bundy's chilling revelations were chronicled in *The Riverman*, "a page-turner" (Ted Montgomery, *Detroit News*) praised by Ann Rule as "the definitive book on serials." But Ted Bundy wasn't the first killer of his kind -- or the last. *Signature Killers* They leave telltale identifiers, their gruesome "calling cards," at the scenes of their crimes. They are driven by a primitive motivation to act out the same brutality over and over. With brilliant detection, high-tech analysis -- and a little luck -- they can be caught. But what does the signature killer seek from victim to victim? The answers are hidden among the grisly evidence, the common threads that link each devastating act. Sparked by a growing concern over the steady rise of signature murders, Robert Keppel explores in unflinching detail the monstrous patterns, sadistic compulsions, and depraved motives of this breed of killer. From the *Lonely Hearts Killer* who hunted the most desperate of women in 1950s America, to the savage *Midtown Torso Murders* that stunned the NYPD, to such infamous symbols of evil as Jeffrey Dahmer, Ted Bundy, and John Gacy, these are the cases -- horrifying, graphic and unforgettable -- that Keppel ingeniously taps to shed light on the darkest corners of the pathological mind. Erotic Innocence Everest Media LLC

"A well-told, powerful story. Backderf is quite skilled in using comics to tell this tale of a truly weird and sinister 1970s adolescent world." —R. Crumb NATIONAL BESTSELLER Named a BEST OF 2012 by Time, The Village Voice, A.V. Club, comiXology, Boing Boing, Publishers Weekly, MTV Geek, and more! "ASTOUNDING." —Lev Grossman, Time You only think you know this story. In 1991, Jeffrey Dahmer—the most notorious serial killer since Jack the Ripper—seared himself into the American consciousness. To the public, Dahmer was a monster who committed unthinkable atrocities. To Derf Backderf, Dahmer was a much more complex figure: a high school friend with whom he had shared classrooms, hallways, and car rides. In *My Friend Dahmer*, a haunting and original graphic novel, writer-artist Backderf creates a surprisingly sympathetic portrait of a disturbed young man struggling against the morbid urges emanating from the deep recesses of his psyche—a shy kid, a teenage alcoholic, and a goofball who never quite fit in with his classmates. With profound insight, what emerges is a Jeffrey Dahmer that few ever really knew, and readers will never forget. This new paperback edition will coincide with the release of the movie adaptation of *My Friend Dahmer* and will include additional bonus content from the author archives.

Robert Pickton WildBlue Press

True crime anthology that takes a closer look at some of the worst of the worst serial killers.

After Me Comes the Flood William Morrow & Company

Raising a Serial Killer A Father's Search for Answers In July of 1991 the country was shocked by the unfathomable crimes of serial killer Jeffrey Dahmer. But no one was more shocked than his parents. In *A Father's Story*, the reader is witness to the incremental unraveling of a parent's image of their child, and the "thousand different reactions" that follow. In his attempt to understand the nature of his son's psychosis, Lionel Dahmer methodically scrutinizes every possible contributing factor to his son's madness. His desperation is palpable as he searches for clues in the emotional, psychological, and genetic landscape of his son's life. Riveting and soul-wrenching, this unprecedented memoir is the confession of a father who must "confront the saddest truth a human can know—that his child has somehow crossed the line that separates the human from the monstrous."

A Father's Story HarperCollins

Life and its meaning is a mystery almost impossible to solve, but what can the leading theories teach us about the search for purpose? For most of us, the major questions of life continue to perplex: Who am I? Why am I here? How should I live? In the late nineteenth century, a class of thinkers emerged who made solving these problems central to their work. They understood that human questions demand human answers and that without understanding what it means to be human, there are no answers. Through the biographies and theories of luminaries ranging from Sigmund Freud to Erich Fromm, Frank Tallis show us how to think about companionship and parenting, identity and aging, and much more. Accessible yet erudite, *The Act of Living* is essential reading for anyone seeking answers to life's biggest questions.

Diana in Search of Herself Vintage

When he was arrested in July 1991, Jeffrey Dahmer had a severed head in the refrigerator, two more in the freezer, two skulls and a skeleton in a filing cabinet. But if anything could be more disturbing than the brute horror of this scene, it was the evidence that Dahmer had been using these human remains not only for sexual gratification, but as part of a dark ritual of his own devising -- to furnish a shrine to himself. *The Shrine of Jeffrey Dahmer* offers a chilling insight into the mind of a serial killer and reveals the horrors within. Perfect for fans of *Making a Murderer*, *Mindhunter* and *The Ted Bundy Tapes*, this is a gripping and gruesome read that delves into the mind of a murderer and what possesses someone to kill.

Falling with Wings: A Mother's Story Sphere

WITH PHOTOS Robert Pickton, inherited a pig farm worth a million dollars and used his wealth to lure skid row hookers to his farm where he confessed to murdering 49 female victims; dismembering and feeding their body parts to his pigs, which he supplied to Vancouver area restaurants and local neighbors. This is the 1st book in a 24 volume series collection, edited by crime historian Dr. Peter Vronsky and true crime author and publisher RJ Parker. Each month we will publish a book of some of Canada's most notorious shocking criminals, written by various authors, and published under VP Publications. ~~~~~ Chris Swinney investigated Homicide/Narcotics cases the last six years in the state of California. He also has a crime fiction trilogy called, "The Bill Dix Detective Series." Dr. Peter Vronsky is author of one of the most sold serial killer books worldwide; "Serial Killers: The Method and Madness of Monsters" RJ Parker has written 17 true crime books including; "Serial Killers Abridged: An Encyclopedia of 100 Serial Killers", and "Parents Who Killed Their Children: Filicide", and publishes for several authors.

Father's Story a Pbp Simon and Schuster

From the internationally bestselling author of *The Essex Serpent*—soon to be an Apple TV+ Series "A beautiful, dream-like, unsettling narrative in which every word, like a small jewel, feels carefully chosen, considered and placed. Rarely do debut novels come as assured and impressive as this one."—Sarah Waters, New York Times bestselling author of *The Paying Guests* Elegant, sinister and psychologically complex, *After Me Comes the Flood* is the haunting debut novel by Sarah Perry, the bestselling author of *The Essex Serpent* and *Melmoth*. One hot summer's day, John Cole decides to shut his bookshop early, and possibly forever, and drives out of London to see his brother. When his car breaks down on an isolated road, he goes looking for help and finds a dilapidated house. As he approaches, a laughing woman he's never seen before walks out, addresses him by name and explains she's been waiting for him. Entering the home, John discovers an enigmatic clan of residents all of whom seem to know who he is, and also claim they have been awaiting his arrival. They seem to be waiting for something else, too—something final.... Written before Sarah Perry's ascension to an internationally bestselling author, *After Me Comes the Flood* is a spectacular novel of obsession, conviction, and providence.

Gary's House Grand Central Publishing

The real story of the shocking Jeffrey Dahmer murders, as told by the Milwaukee Journal reporter who broke the story—from the dramatic scene when police first entered Dahmer's apartment to the lasting repercussions of the case today. One night in July 1991, two policemen saw a man running handcuffed from the apartment of Jeffrey Dahmer. Investigating, they made a gruesome discovery: three human skulls in Dahmer's refrigerator and the body parts of at least 11 more people scattered throughout the apartment. Shortly after, Milwaukee Journal reporter Anne E. Schwartz received a tip that would change her life. Schwartz, who broke the story and had exclusive access to the principals involved, details the complete, inside story of Dahmer's dark life, the case, and its aftermath: the horrific crime scene and the shocking story that unfolded; the forensics; the riveting trial; and Dahmer's murder in prison. With approximately 12 images.

Homicide Createspace Independent Publishing Platform

In this imaginative book, Maya Jasanoff uncovers the extraordinary stories of collectors who lived on the frontiers of the British Empire in India and Egypt, tracing their exploits to tell an intimate history of imperialism. Jasanoff delves beneath the grand narratives of power, exploitation, and resistance to look at the British Empire through the eyes of the people caught up in it. Written and researched on four continents, *Edge of Empire* enters a world where people lived, loved, mingled, and identified with one another in ways richer and more complex than previous accounts have led us to believe were possible. And as this book demonstrates, traces of that world remain tangible—and topical—today. An innovative, persuasive, and provocative work of history.

My Friend Dahmer (Movie Tie-In Edition) Simon and Schuster

Of Men and Monsters examines the serial killer as an American cultural icon, one that both attracts and repels. Richard Tithecott suggests that the stories we tell and the images we conjure of serial killers—real and fictional—reveal as much about mainstream culture and its values, desires, and anxieties as they do about the killers themselves.

Murder by Family Univ of Wisconsin Press

This is the tragic story of Kent Whitaker's heart-wrenching journey toward forgiveness and faith after the brutal murder of his wife and one of his sons. Straight from the headlines comes an incredible true story of a son's treachery. For the first time, readers are offered inside access to the emotional drama that went on behind the scenes. At the core is the remarkable healing power of forgiveness, demonstrated by Kent Whitaker, which shows how the survivors of such atrocious events can still forgive those who have permanently damaged their lives. One evening, the Whitaker family returned home after dinner, celebrating a son's impending graduation from college. On opening the front door, they faced a gunman lying in wait. The gunman opened fire, instantly killing the younger son and Kent's wife, leaving Kent and his older son lying wounded until police and ambulances arrived. While recovering in the hospital, Kent resolved in his heart to forgive whoever was responsible for the deaths of his wife and son. Over the next few weeks, it was discovered that the whole murder plot had been orchestrated by the surviving son -- whom Kent had unknowingly forgiven. After a trial that resulted in a death sentence for his son, Kent emerged from this harrowing ordeal to share their astonishing journey toward forgiveness and redemption.

My Son, The Killer Quercus Publishing

The father of serial killer Jeffrey Dahmer describes his shock at hearing the news of his son's crimes, his entry into a world of complete denial, and how, during Jeffrey's trial, he placed himself in his son's shoes. 150,000 first printing.

The Big Book of Serial Killers Duke University Press

California has spawned some of America's most notorious serial killers--The "Grim Sleeper" Lonnie Franklin Junior, the "Night Stalker" Richard Ramirez, and Randy Kraft are just three of the Golden State's most notable--which has brought the state some unwanted and some would say unwarranted attention. For its part, California is the most populous state in the U.S., so it would stand to reason that it would have more than its fair share of serial killers. But the state does seem to breed its own special blend of sociopaths. Far from the glitz and glamour of Los Angeles or the scenic backdrops of the Bay Area, two men embarked on a vicious campaign in California's Central Valley that left at least twenty people dead. The two men--Wesley Shermantine and Loren Herzog--became collectively known by law enforcement as the "Speed Freak Killers" because the duo were almost always under the influence of the drug crystal methamphetamine when they committed several strings of murders during the 1980s and '90s. Herzog and Shermantine were known to be avid outdoorsmen who hunted and fished for various game, but when the two men were high on meth, they focused their attention on hunting the ultimate game--humans. Open the pages of the following book and learn the complete story of the Speed Freak Killers, Wesley Shermantine and Loren Herzog. You will learn about the early lives of the two men and how they evolved from local toughs into one of the most efficiently dangerous serial killer pairs in American history. The Speed Freak Killers' odyssey of murder continued for nearly twenty years and in many ways continues on until the present. So open the book if you dare to learn about one of the most notorious serial killer tandems ever known.
