She holds the key to his heart, and he wants it back. When Arie reveals her Gift, she thinks the worst is over. But she couldn't be more wrong. The only one who can save her now is a mermaid named Rena. Rena is the youngest daughter of the Sea King, and she's dreamed of the surface for years. But her first visit on her 16th birthday isn't what she expects. She watches a Jinni fall from the sky—and chooses to save him, despite her mother's warnings that all Jinn are evil. Once she meets Gideon, she can't get him out of her mind. And maybe, with a little help from Arie and some magic of her own, she doesn't have to... The Jinni Key is a loose "Little Mermaid" retelling. Set in a world that humans share with mermaids, dragons, and the elusive Jinn, this is not the fairytale you remember... If you enjoy fantasy worlds, magical races, and surprising spins on classic fairy tales, then you'll love this enchanting retelling of The Little Mermaid. WHAT READERS ARE SAYING: "There was very little that I predicted, when there was a moment of loss I truly felt it, and I loved the unique spins she placed on the well-known THE LITTLE MERMAID tale." Rachael Martin (Goodreads Reviewer) "I went into this story super excited to find out more about Rena and Arie, and I was left unable to wait for the next book! I seriously read this book in one sitting (which left everything aching, but so worth it!). I absolutely loved The Stolen Kingdom, and book two did not disappoint. The Jinni Key's world-building was actually one of my favorites, so complex and detailed and very fun." Sarah Sutton (Goodreads Reviewer) "I couldn't even put the book down because I had to know what happened... These are the kind of retellings that I love because while the base story is weaved in there lightly the story doesn't rely on The Little Mermaid. It goes so far past that and you are invested in everything that is happening..." Katelyn Spedden (Goodreads Reviewer) "There is so much action going on in this book and as the story moved on, the stakes kept getting higher and higher - I couldn't put it down (read it in a few hours) and I can't wait to read the next book in the series!" Elira Barnes (Goodreads Reviewer) "This was an amazing second book! All of Bethany's hard work paid off ten fold! I loved how all the relationships developed and all the animal moments. I especially love Rena and her quirky personality. She makes an amazing POV character." Andrea Roberts (Goodreads Reviewer) "Once again, Bethany Atazadeh takes some risks with this Little Mermaid retelling and mixes in a lot of original story and world elements, along with engaging characters to make it an intriguing and magical read that I was sad to see end." Janine (Goodreads Reviewer) "I loved finding out what happens next. I'm excited and am definitely going to read the third book. Captivating story." A vibrant, edgy, fresh new YA voice for fans of More Happy Than Not and Simon vs. the Homo Sapiens Agenda, packed with interior graffiti. Winner of the Schneider Family Book Award! When Julia finds a slur about her best friend scrawled across the back of the Kingston School for the Deaf, she covers it up with a beautiful (albeit illegal) graffiti mural. Her supposed best friend snitches, the principal expels her, and her two mothers set Julia up with a one-way ticket to a “mainstream” school in the suburbs, where she’s treated like an outcast as the only deaf student. The last thing she has left is her art, and not even Banksy himself could convince her to give that up. Out in the ‘burbs, Julia paints anywhere she can, eager to claim some turf of her own. But Julia soon learns that she might not be the only vandal in town. Someone is adding to her tags, making them better, showing off—and showing Julia up in the process. She expected her art might get painted over by cops. But she never imagined getting dragged into a full-blown graffiti war. Told with wit and grit by debut author Whitney Gardner, who also provides gorgeous interior illustrations of Julia’s graffiti tags, You’re Welcome, Universe introduces audiences to a one-of-a-kind protagonist who is unabashedly herself no matter what life throws in her way. "[A] spectacular debut...a moving, beautifully written contemporary novel full of quirky art and complicated friendships...this book is a gift to be thankful for."—BookRiot

“The little girl I was would have been thrilled to encounter Meilan... having found a character who embraces the complexity of being both Chinese and American, I would have been able to echo her words: 'I am not alone.'” —New York Times Book Review by Jean Kwok A family feud before the start of seventh grade propels Meilan from Boston's Chinatown to rural Ohio, where she must tap into her inner strength and sense of justice to make a new place for herself in this resonant debut. Meilan Hua's world is made up of a few key ingredients: her family's beloved matriarch, Nai Nai; the bakery her parents, aunts, and uncles own and run in Boston's Chinatown; and her favorite Chinese fairy tales. After Nai Nai passes, the family has a falling-out that sends Meilan, her parents, and her grieving grandfather on the road in search of a new home. They take a winding path across the country before landing in Redbud, Ohio. Everything in Redbud is the opposite of Chinatown, and Meilan's not quite sure who she is--being renamed at school only makes it worse. She decides she is many Meilans, each inspired by a different Chinese character with the same pronunciation as her name. Sometimes she is Mist, cooling and invisible; other times, she's Basket, carrying her parents' hopes and dreams and her guilt of not living up to them; and occasionally she is bright Blue, the way she feels around her new friend Logan. Meilan keeps her facets separate until an injustice at school shows her the power of bringing her many selves together. The Many Meanings of Meilan, written in stunning prose by Newbery Honor-winning author Andrea Wang, is an exploration of all the things it's possible to grieve, the injustices large and small that make us rage, and the peace that's unlocked when we learn to find home within ourselves.
