Prepare with confidence for the end of year SATs tests with

Scholastic National Curriculum Tests. Scholastic's practice tests are fully in line with the Year 2 and Year 6 SATs Tests Each book contains three complete practice tests and a guidance and mark scheme. These practice tests have a similar look to the real test, to help familiarise children with both the content and format of these tests. The guidance and mark scheme provides advice for parents and carers on how to use the tests and how to support children in preparing for them. [Content previously published as separate test papers in packs of the same name]

Maths, Age 10-11 Year 2 Maths and English Targeted Study and Practice Book

When it comes to getting the best results, practice really does

make perfect! Matched to the requirements of the National Curriculum, this math practice workbook targets every topic in Year 6 and contains practice opportunities to help improve performance in tests and assessments at Key Stage 2. Based on new research that proves repeated practice is more effective than repeated study, practice workbooks are guaranteed to help improve performance in tests and assessments. Included in this book are questions for every topic organized into three levels of increasing difficulty, progress tests throughout the book for ongoing assessment, a section where children can record their results and track their own progress, and a pull-out answer section.
