Brief Communications - Military  
Suicide Research Consortium -  
responsible for his death. Legal  
liability for suicidal deaths was  
instead shifted to those whose  
actions "caused" the suicide or  
failed to protect the potential  
suicide from self harm.  
3 Legal liability for suicidal deaths is still  
focused on the actions of others,  
or external forces, that have a  
temporal relationship to the  
suicide.

A Case Study of the Suicide of a  
Gifted Female Adolescent ... -  
are two elements involved in determining  
manner of death. Examples are  
the self-inflicted injuries of a  
suicide victim and the fatal  
injuries incurred as a result of an  
accidental fire in a home.  
The usual classifications of death are:  
natural, accident, suicide,  
homicide or undetermined.
