Innovation Portfolios -  
Globalisation (or globalization,  
American spelling) is the trend of  
increasing interaction between  
people on a worldwide scale due  
to advances in transportation and  
communication technology,  
nominally beginning with the  
steamship and the telegraph in the  
early to mid-1800s. With  
increased interactions between  
nation-states and individuals  
came the growth of international  
trade, ideas, and culture. Tue, 13
