Medicine Handbook - Springer -
A number of chapters repeat
material that can be found in any
faculty handbook, but they at
least remind the reader to find
such a handbook and read it. As a

demonstration of how to
maximize publication credit, one
four-page chapter is authored by
two people and has a one-half
page appendix by a third author.

The Academic Medicine
Handbook | SpringerLink -
Organized in eight sections, the
Guide covers such areas as
finding your path in academic
medicine, getting established at
an institution, approaching work
with colleagues, writing and
reviewing manuscripts,
conducting empirical research,
developing administrative skills,
advancing your academic career,
and balancing your professional
and personal life. Tue, 06 Mar
