Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible,' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." --Kirkus Reviews [Rose Book of Bible Charts, Maps, and Time Lines](#) Castle Books This is a companion volume to Greek for the Rest of Us by William D. The Kingdom of God was a major topic of discussion between Jesus and His disciples. Much of Jesus' teachings were built upon the foundation of kingdom truths and spiritual realities. Jesus, on many occasions spoke of doing the will of the One who sent Him. The will of His Father was the driving force of His purpose in the flesh. He came to do the Father's will. Jesus' primary goal was the establishment of the Father's will on the earth. As Jesus would move and act and speak on behalf of His Father the kingdom of

heaven, through His life, would be in full advance, made obvious by the supernatural demonstrations of the Spirit. Strongholds were smashed, prisoners were set free, and the kingdom of darkness was falling! Jesus, by the authority given Him from the Father, walked this earth in the liberty of the kingdom of heaven, and put into motion the Father's plan to reconcile all things back to Himself. But the message does not end there. The same things that Jesus taught and did throughout His ministry He would later pass on to His disciples. At the close of Jesus' earthly ministry He would bestow upon them the mandate of His Father to preach the Gospel of the kingdom to every nation, tribe and tongue. They were to do what He did. They were not going to be alone in this endeavor but would have with them, living in them, the Holy Spirit

— the Helper. On the Day of Pentecost the kingdom had come in power and had transformed their lives. Through the release of God's kingdom into the earth the disciples went about turning the world upside down. This same transformative power — the power of the kingdom of God is still here today. God is in the process of restoring a kingdom paradigm — a kingdom mindset back to the church. In "The Kingdom Is At Hand" Pastor Jason R. Harris gives us his own unique perspective on the nature of the kingdom of God. In this book you will learn such truths as: • The kingdom is the will of the king. • The king is a direct reflection of His kingdom. • The edicts of the king are the rights of the citizens. • AND many more... Join Pastor Harris in discovering the kingdom of God and begin to walk in the truths revealed in this book.
