Max would do anything for Horngate—even give herself over to a mysterious otherworldly creature

in the nearby mountains in exchange for his help. But first, she intends to save the mortal family she left behind. Ask Again, Yes

Penguin

It was a beautiful day. It was a beautiful field. Except for the body. Jazz is a likable teenager. A charmer,

some might say. But he's also the son of the world's most infamous serial killer, and for Dear Old Dad, "Take Your Son to Work Day" was year-round. Jazz has witnessed crime scenes the way cops wish they could--from the criminals' point of view. And now, even though Dad has been in jail for years, bodies are piling up in the sleepy town of Lobo's Nod. Again. In an effort to prove murder doesn't run in the family, Jazz joins the police in the hunt for this new serial killer. But Jazz has a secret--could he be more like his father than anyone knows? From acclaimed author Barry Lyga comes a riveting thriller about a teenager trying to control his own destiny in the face of

overwhelming odds. *Go for No! : Yes Is the Destination, No Is How You Get There* WestBow Press Sisterhood, motherhood, marriage, baking, and books—these are a few of the things that make this delightful novel a recipe for getting through the tough stuff of life—from the author of *The Summer Sail* and *The Summer of Good Intentions*. Ellen McClarety, a recent divorcée, has opened a new bake shop in her small Midwestern town, hoping to turn her life around by dedicating herself to the traditional Danish pastry called kringle. She is no longer saddled by her ne'er-do-well husband, but the past still haunts her—sometimes by showing up on her

doorstep. Her younger sister, Lanie, is a successful divorce attorney with a baby at home. But Lanie is beginning to feel that her perfect life is not as perfect as it seems. Both women long for the guidance of their mother, who died years ago but left them with lasting memories of her love and a wonderful piece of advice: “At the end of every day, you can always think of three good things that happened.” Ellen and Lanie are as close as two sisters can be, until one begins keeping a secret that could forever change both their lives. Wearing her big Midwestern heart proudly on her sleeve, Wendy Francis skillfully illuminates the emotional lives of two

women with humor and compassion, weaving a story destined to be shared with a friend, a mother, or a sister.

The Little Flowers

Basic Books

As Christians, we know that we are new creations in Jesus. So we try to act differently, hoping this will make us more like Him. But changing our outward behavior doesn't change our hearts. Only by God's grace can we be transformed internally. Renovation of the Heart lays a biblical foundation for understanding what best-selling author Dallas Willard calls the transformation of the spirit—a divine process that brings every element in our being, working from inside out, into harmony with the will of God. This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo

change in six aspects of life: thought, feeling, will, body, social context, and soul.

Willard also outlines a general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Don't settle for complacency. Accept the challenge. Renovation of the Heart offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.

50 Powerful Prayers That Changed the World St. Martin's Press

Reviews: "Pay attention to him and his material, you will be glad you did." Bob Proctor, best-selling author and star of *The Secret*. Description: It's vitally important that

you read books. As Mark Twain wrote, "The man who does not read good books has no advantage over the man who cannot read them." And many would agree that "personal development" books are the ones to focus on if you're trying to improve yourself, your position in life and your quality of life. But which ones should you read? There are tens of thousands to choose from. Vic Johnson, a veteran personal development author, speaker and trainer, answers that question for us in "Self Help Books: The 101 Best Personal Development Classics." From an 1,100 page "encyclopedia of success" to a 28-page speech that became a classic more than a

hundred years ago, Vic identifies the publication dates of the classics, the major theme(s) of the book and then some solid reasons to add them to your reading list. Along the way he also shares valuable anecdotes on his personal lessons learned from these authors (some of whom have mentored him). This is quick and easy reading that takes the guesswork out of choosing the books to add to your library as well as helping you prioritize your reading. *The Dream Giver* Simon and Schuster World-changers. The 101 Best Personal Development Classics

Tyndale House Publishers, Inc.

Book one in the bestselling series that has captivated millions of readers around the world! A New York Times, USA Today, and Publisher's Weekly bestseller. "Her

Mother's Hope has all the meaty elements of a blockbuster."

—Denver Post The first in a two-book family saga by the beloved author of Redeeming Love and The Masterpiece, Her Mother's Hope is a rich, moving epic about faith and dreams, heartache and disappointment, and the legacy of love passed down through four generations in one family. Near the turn of the twentieth century, fiery Marta Schneider leaves Switzerland for a better life, determined to fulfill her mother's hope. Her formative journey takes her through Europe and eventually to Canada, where she meets handsome Niclas Waltert. But nothing has prepared her for the sacrifices

she must make for marriage and motherhood as she travels to the Canadian wilderness and then to the dusty Central Valley of California to raise her family.

Marta's hope is to give her children a better life, but experience has taught her that only the strong survive. Her tough love is often misunderstood, especially by her oldest daughter, Hildemara Rose, who craves her mother's acceptance. Amid the drama of World War II, Hildie falls in love and begins a family of her own. But unexpected and tragic events force mother and daughter to face their own shortcomings and the ever-widening chasm that threatens to separate them forever. "Emotionally rich. . . .

As her compelling characters seek to do what they feel their faith demands, Rivers sets their resonant struggles against dusty streets, windswept Canadian plains, and California vineyards in vivid scenes readers will not soon forget.”

—Booklist, starred review “Writers like Rivers are why people buy Christian fiction: it’s dramatic, engaging . . . [and] this well-told tale will have readers eagerly awaiting the story’s resolution.”

—Publishers Weekly

NATIONAL BESTSELLER

• WINNER OF THE PULITZER PRIZE • A

searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they

don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.
