 ... Spot can count is specifically designed to help young children
 learn to count and recognize putting an object with a number.
 Most children learn to count to ten at a pretty young age but it's
 a new concept for them to understand matching an item per
 number to really understand the value of a number. Spot Can

 Spot book by Eric Hill In this classic Spot book, flaps on every
 page reveal an increasing number of surprises as every toddler's
 favourite puppy, Spot, counts from one to ten, meeting farm
 animals along the way. One small mouse under some sacks is
 followed by two squirrels in a tree - all the way to ten cows in a
 barn. Spot Can Count - Another Read - Children's Books Spot Can
