HULL COMPTON

A Novel Bloomsbury Publishing

A dazzling first novel from the critically acclaimed author of *Ten Stories About Smoking Mark Wilkinson* has three names. He left his own behind in the rainy north of England. US immigration know him as Joe Novak. And at the Valhalla, the mysterious complex in Vegas where he sells lofty ambition and dark desires, he goes by Mr Jones. Since the age of eighteen, Mark has been running away, and hard. Away from everything that is flat and dull and ordinary: his market town. Away from disappointment: his vanished mother, his broken father. And away from heartbreak. Bethany Wilder, beautiful goth, carnival queen, partner in dreams, tragic ghost, never made it with him to America. He's thirty now and again it's time to flee - in the opposite direction, towards home. With shades of J. G. Ballard, Murakami, and Joseph O'Neill, this is an inventive and emotional novel about the power of dreams to destroy, of memory to distort, and of courage, ultimately, to heal.

In *Young Hearts Crying*, Yates movingly portrays a man and a woman from their courtship and marriage in the 1950s to their divorce in the 70s, chronicling their heartbreaking attempts to reach their highest ambitions. Michael Davenport dreams of being a poet after returning home from World War II Europe, and at first he and his new wife Lucy enjoy their life together. But as the decades pass and the success of others creates an oppressive fear of failure in both Michael and Lucy, their once bright future gives way to a life of adultery and isolation. With empathy and grace, Yates creates a poignant novel of the desires and disasters of a tragic, hopeful couple.

The Ice Storm Picador

With haunting clarity, Yates crafts an unforgettable portrait of two people who cannot help but hope for more even as life challenges them both.

A literary event of the highest order, *The Collected Stories of Richard Yates* brings together Yates's peerless short fiction in a single volume for the first time. Richard Yates was acclaimed as one of the most powerful, compassionate, and technically accomplished writers of America's postwar generation, and his work has inspired such diverse talents as Richard Ford, Ann Beattie, André Dubus, Robert Stone, and Kurt Vonnegut Jr. This collection, as powerful as Yates's beloved *Revolutionary Road*, contains the stories of his classic works *Eleven Kinds of Loneliness* (a book *The New York Times Book Review* hailed as "the New York equivalent of *Dubliners*") and *Liars in Love*; it also features nine new stories, seven of which have never been published. Whether addressing the smothered desire of suburban housewives, the white-collar despair of Manhattan office workers, the grim humor that attends life on a tuberculosis ward, or the moments of terrified peace experienced by American soldiers in World War II, Yates examines every frayed corner of the American dream.

His stories, as empathetic as they are unforgiving, are like no others in our nation's literature.

Published with a moving introduction by the novelist Richard Russo, this collection will stand as its author's final masterpiece.

In *The Easter Parade*, first published in 1976, we meet sisters Sarah and Emily Grimes when they are still the children of divorced parents. We observe the sisters over four decades, watching them grow into two very different women. Sarah is stable and stalwart, settling into an unhappy marriage.

Emily is precocious and independent, struggling with one unsatisfactory love affair after another.

Richard Yates's classic novel is about how both women struggle to overcome their tarnished family's past, and how both finally reach for some semblance of renewal.

In the hopeful 1950s, Frank and April Wheeler appear to be a model couple: bright, beautiful, talented, with two young children and a starter home in the suburbs. Perhaps they married too young and started a family too early. Maybe Frank's job is dull. And April never saw herself as a housewife. Yet they have always lived on the assumption that greatness is only just around the corner. But now that certainty is about to crumble. With heartbreaking compassion and remorseless clarity, Richard Yates shows how Frank and April mortgage their spiritual birthright, betraying not only each other, but their best selves.

The Short Stories of Langston Hughes This collection of forty-seven stories written between 1919 and 1963—the most comprehensive available—showcases Langston Hughes's literary blossoming and the development of his personal and artistic concerns. Many of the stories assembled here have long been out of print, and others never before collected. These poignant, witty, angry, and deeply poetic stories demonstrate Hughes's uncanny gift for elucidating the most vexing questions of American race relations and human nature in general.

A Tragic Honesty Feminist Press at CUNY

"There is no way but gentleness to redeeme a Hawke" Edmund Bert, 1619 Born and raised in the South Yorkshire mining village of Hoyland Common, Richard Hines remembers sliding down heaps of coal dust, listening out for the colliery siren at the end of shifts, and praying for his father's safe return. It seemed all too likely that he would follow in his father's footsteps and end up working in the pits, especially when to his mother's horror and his own he failed the 11+, so that unlike his older brother Barry, who had passed the exam to grammar school and who seemed to be heading for great things, Richard was left without hope of academic achievement. Crushed by this, and persecuted by the cruelty of his teachers, Richard spent his time in the fields and meadows just beyond the colliery slag heap. One morning, walking in the grounds of a ruined medieval manor, he came across a nest of kestrels. Instantly captivated, he sought out ancient falconry texts from the local library, and pored over the strange and beautiful language there. With just these books, some ingenuity, and his profound respect for the hawk's indomitable wildness, Richard learned to "man", or train, his kestrel, Kes, and in the process grow into the man he would become. Richard and his experiences with kestrels inspired Barry's classic novel *A Kestrel for a Knave*. When production began on what would become Ken Loach's iconic film *Kes*, Richard found himself training the kestrels that would soar on screen and into cinematic history. *No Way But Gentleness* is a superb, moving memoir of one remarkable boy's love for a forgotten culture, and his attempt to find salvation in the natural world.
