Bewitched meets Practical Magic in this sparkling and quirky rom-com with an enchanted twist. When romance problems cause their powers to go berserk, a trio of witches whose family was banned from practicing magic risk getting in serious trouble with the Grand Council. Can they get their magic—and their love lives—in order before it's too late? "An enchanting paranormal rom-com...Fans of Practical Magic will be delighted." —Publishers Weekly Goodreads Hottest Romance of January Nearly a century ago, Gwen Engel's great-great-grandfather cast a spell with catastrophic side-effects. As a result, the Grand Council of Witches forbade his descendants from practicing witchcraft. The Council even planted anonymous snitches called Watchers in the community to report any errant spellcasting... Yet magic may still be alive and not so well in Zenobia. Gwen and her cousins, Trudy and Milo, receive a letter from Gwen's adopted sister, Tannith, informing them that she's bewitched one of their partners and will run away with him at the end of the week. While Gwen frets about whether to trust her scientist boyfriend, currently out of town on a beetle-studying trip, she's worried that local grad student Jeremy is secretly a Watcher doing his own research. Cousin Trudy is so stressed that she accidentally enchants her cupcakes, creating havoc among her bakery customers—and in her marriage. Perhaps it's time the family took back control and figured out how to harness their powers. How else can Gwen decide whether her growing feelings for Jeremy are real—or the result of too many of Trudy's cupcakes? "A lighthearted supernatural romp."—Kirkus Reviews

### **The Scar Boys** A&C Black

Abracadabra spells 'excellent instrumental tutors' and the Abracadabra approach to learning through songs and tunes has set countless beginners on a clear path of progress and enjoyment with their chosen instrument. Now in a third edition, Abracadabra Woodwind has a fresh and contemporary new look and extra new CDs to play with. With additional teaching material - and with

nothing left out from the previous edition - Abracadabra Oboe now has two CDs specially created to make the aural learning experience engaging and accessible.

*Field & Stream* Carolrhoda Lab ®

Endangered Species - Youth Music Foundation has launched a [pound]1m initiative that will put specific musical instruments into the hands of over 5,000 children, Double Bass is one of them. The Abracadabra Strings team have already created a highly successful series; now two more consultants have added their expertise to make a first-class tutor for double bass. Teachers and students alike will be delighted with this collection of carefully graded well known tunes which includes many duets and trios as well as solo pieces. Of particular interest to teachers will be the tie-in with Abracadabra Violin, Viola and Cello; the double bass book contains all the same pieces in all the same keys, enabling students of the different instruments to make music together from lesson 1. The CD contains performances of each item played on double bass, accompanied by the piano (the written music can be found in Abracadabra Strings Piano Accompaniments). The double bass and piano are recorded on separate channels; if CD machines have this facility, students can turn down either channel to listen to each instrument on its own.

### **Upright Bass Primer** Hal Leonard Corporation

Abracadabra Flute has become a classic in the market, and here is a brand new edition. The cover has been redesigned, the music re-set, and new illustrations commissioned. Some new material has been added, supplying extra help where new notes are introduced and reinforcement exercises for tricky corners. As well as the new edition, there is now a CD available. Performed by professional musicians, it demonstrates each piece on flute with piano accompaniments from our book Abracadabra Flute Piano Accompaniments, enabling the pupil to hear how the pieces sound. Such a CD is invaluable for ensemble experience, and offers all the fun of playing with an accompaniment - perfect for home practice and concerts alike.

International Who's who in Music and Musicians' Directory ABRSM Exam Pieces

A pupil's tutor on playing the clarinet. This second edition is redesigned and revised, and contains new material, giving extra

help where new notes are introduced and at tricky corners. There are new illustrations and re-set music.

I Can Read Music, Volume 1 A&C Black

Abracadabra Violin A&C Black

101 Disney Songs Watch & Learn

A severely burned teenager. A guitar. Punk rock. The chords of a rock 'n' roll road trip in a coming-of-age novel that is a must-read story about finding your place in the world . . . even if you carry scars inside and out. In attempting to describe himself in his college application essay—to "help us to become acquainted with you beyond your courses, grades, and test scores"—Harbinger (Harry) Jones goes way beyond the 250-word limit and gives a full account of his life. The first defining moment: the day the neighborhood goons tied him to a tree during a lightning storm when he was 8 years old, and the tree was struck and caught fire. Harry was badly burned and has had to live with the physical and emotional scars, reactions from strangers, bullying, and loneliness that instantly became his everyday reality. The second defining moment: the day in eighth grade when the handsome, charismatic Johnny rescued him from the bullies and then made the startling suggestion that they start a band together. Harry discovered that playing music transported him out of his nightmare of a world, and he finally had something that compelled people to look beyond his physical appearance. Harry's description of his life in his essay is both humorous and heart-wrenching. He had a steeper road to climb than the average kid, but he ends up learning something about personal power, friendship, first love, and how to fit in the world. While he's

looking back at the moments that have shaped his life, most of this story takes place while Harry is in high school and the summer after he graduates.

**A Letter to Three Witches** A&C Black

Perhaps Dotzauer's most famous cello work is his 113 Etudes in four volumes. Masterfully prepared by him, this edition is a reprint of the authoritative G. Schirmer plate 26746 printed around 1917. This is the first volume in the series. 57pps, Extra note and staff paper in back for teacher annotations. Edition Fleury 2013. A must have for any student, teacher or cellist to have in his/her library.

CreateSpace

These easy-to-read, progressive exercises by Joanne Martin develop a student's reading skills one stage at a time, with many repetitions at each stage. I Can Read Music is designed as a first note-reading book for students of string instruments who have learned to play using an aural approach such as the Suzuki Method®, or for traditionally taught students who need extra note reading practice. Its presentation of new ideas is clear enough that it can be used daily at home by quite young children and their parents, with the teacher checking progress every week or two.

Schwann Psychology Press

(Music Sales America). Essential short pieces for the cello selected and edited by Julian Lloyd Webber in one attractive volume.

Billboard Alfred Music

The directory of the classical music industry.

**Sound Pictures** A&C Black

The second book of two, Sound Pictures traces the story of George Martin and the Beatles' incredible artistic trajectory after reaching the creative heights of Rubber Soul. As the bandmates engage in brash experimentation both inside and outside of the studio, creating such masterworks as Revolver, Sgt. Pepper's Lonely Hearts Club Band, The Beatles (The White Album), and Abbey Road, the internal stakes and interpersonal challenges become ever greater. During his post-Beatles years, Martin attempts to discover new vistas of sound recording with a host of acts, including Jeff Beck, America, Cheap Trick, Paul McCartney, and Elton John. Eventually, though, all roads lead Martin back to

the Beatles.

**Music, Books on Music, and Sound Recordings** A & C Black

Mel Bay's new fingering and scale chart for clarinet is an indispensable reference guide for clarinetists as well as educators. The fingering diagrams are clear and easily understandable, with clear photographs of the keys of the clarinet. The scales can be used together with those of other instruments in the series. Included in the chart are: • Who's who in Entertainment Franklin Classics Trade Press This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. New Method for the Double Bass: English and German

LearnToPlayMusic.com

The Essence of the Blues by Jim Snidero provides beginners and moderately advanced musicians with an introduction to the language of the blues. In 10 etudes focusing on various types of the blues, the musician learns to master the essential basics step by step. Each piece comes with an in-depth analysis of blues styles and music theory, appropriate scale exercises, tips for studying and practicing, suggestions for improvising, recommended listening, and specific techniques used by some of the all-time best jazz/blues musicians, including Miles Davis, Charlie Parker, B.B. King, Stanley Turrentine, and others. The accompanying play-along CD features world famous New York recording artists including Eric Alexander, Jeremy Pelt, Jim Snidero, Steve Davis, Mike LeDonne, Peter Washington, and others. Recorded at a world-class studio, these play alongs are deeply authentic, giving the musician a real-life playing

experience to learn and enjoy the blues.

**113 Etudes for Cello** Alfred Music

(Instrumental Folio). If you play an instrument and you're a Disney fan, you'll love this collection of 101 favorites to learn and play! Songs include: Beauty and the Beast \* Can You Feel the Love Tonight \* A Dream Is a Wish Your Heart Makes \* Evermore \* Go the Distance \* He's a Pirate \* I See the Light \* Kiss the Girl \* Let It Go \* Mickey Mouse March \* Reflection \* A Spoonful of Sugar \* True Love's Kiss \* We're All in This Together \* When You Wish upon a Star \* A Whole New World \* You've Got a Friend in Me \* Zip-A-Dee-Doo-Dah \* and more.

**Abracadabra Flute** Chicago Review Press

A fresh, new edition of this popular Viola tutor, which can be used with the Violin, Cello and Double Bass books for group lessons or mixed ensemble performances. Progressively graded in 20 learning steps, with concise theory explanations, duets, teacher's parts and a mixture of classical, traditional and popular pieces.

**The Strad** Penn State Press

Winner of the 2022 Charles Rufus Morey Award from the College Art Association Guided by Aristotelian theories, medieval philosophers believed that nature abhors a vacuum. Medieval art, according to modern scholars, abhors the same. The notion of horror vacui—the fear of empty space—is thus often construed as a definitive feature of Gothic material culture. In The Absent Image, Elina Gertsman argues that Gothic art, in its attempts to grapple with the unrepresentability of the invisible, actively engages emptiness, voids, gaps, holes, and erasures. Exploring complex conversations among medieval philosophy, physics, mathematics, piety, and image-making, Gertsman considers the concept of nothingness in concert with the imaginary, revealing profoundly inventive approaches to emptiness in late medieval visual culture, from ingenious images of the world's creation ex nihilo to figurations of absence as a replacement for the invisible forces of conception and death. Innovative and challenging, this book will find its primary audience with students and scholars of art, religion, physics, philosophy, and mathematics. It will be particularly welcomed by those interested in phenomenological and cross-disciplinary approaches to the visual culture of the later Middle Ages.
