Dr. Doreen Virtue's life changed dramatically when angels miraculously warned her and then intervened during a carjacking. After her angelic encounter, Doreen began asking the angels for additional guidance. They answered her requests with very clear and loving words. She writes of how the angelic guidance affected her work as a psychotherapist: "I began helping my counselling clients to hear their own angels. Very quickly, I discovered that the healing power of the angels exceeds any form of 'man-made' therapy I had ever witnessed. The angels have wonderful gifts from God to impart to us." In Angel Therapy, Doreen delivers The Angelic Realm's messages of comfort and guidance that can help you with troubling emotions such as depression, boredom, confusion, and anger; and issues associated with careers, relationships, parenting, and much more.

Osho Zen Tarot, from the #1 bestselling mystic and spiritual author Osho! When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration: what will happen in the future? What about my health, the children? What will happen if I make this decision and not that one? This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen.
