Calligraphy 101 Watson-Guption

A perfect gift for anyone who wants to

learn the "write" way to craft calligraphy. Calligraphy is about creating something uniquely beautiful, whether to celebrate a special occasion like marriage or to use every day in the form of stationery. Author Molly Suber Thorpe, an award-winning wedding invitation designer and calligrapher based in Los Angeles, works closely with her international clients to give them the distinctive products they're looking for. In *Modern Calligraphy*, you can learn from this experienced expert how to master this fresh modern lettering style. The first book to teach this bold new style breaks the calligraphy process down into simple steps so anyone can learn to create their own stunning wedding invitations, thank you cards, gift tags, and more. Starting with an overview of the supplies—from

paper to ink to pens—you will learn how to form letters, words, and then phrases by following Molly's clear step-by-step instructions, and by practicing with the provided templates. After mastering letter forms using a pointed pen and ink you can take it to the next level by learning how to use watercolor and gouache, or how to digitize your calligraphy. The twenty projects in the book provide lots of inspiration for making your own and are grouped into three sections: weddings, entertainment, and personal stationery. With loads of ideas, practice exercises, and helpful tips, soon you will be turning out gorgeous script calligraphy pieces like the ones featured in wedding magazines and popular websites like Pinterest.

This is the definitive, widely acclaimed translation of the major prose work of one of our century's greatest poets -- "a masterpiece like no other" (Elizabeth Hardwick) -- Rilke's only novel, extraordinary for its structural uniqueness and purity of language. First published in 1910, it has proven to be one of the most influential and enduring works of fiction of our century. Malte Laurids Brigge is a young Danish nobleman and poet living in Paris.

Obsessed with death and with the reality that lurks behind appearances, Briggemuses on his family and their history and on the teeming, alien life of the city. Many of the themes and images that occur in Rilke's poetry can also be found in the novel, prefiguring the modernist movement in its self-awareness and imagistic immediacy.

A Guide to Classic Lettering Courier Corporation

In an age of myriad computer fonts and instant communication, your handwriting style is increasingly a very personal

creation. In this book, Margaret Shepherd, America's premier calligrapher, shows you that calligraphy is not simply a craft you can learn, but an elegant art form that you can make your own. Calligraphy remains perennially popular, often adorning wedding invitations, diplomas, and commercial signs. Whether it is Roman, Gothic, Celtic, Bookhand, or Italic style, calligraphy conveys class and elegance. Margaret Shepherd makes this ancient art form accessible in a completely hand-lettered technical guide that will:

- * Provide context for calligraphy as an art, exploring the rich tradition of hand-lettering and mapping the evolution of the most popular styles.
- * Give detailed technical advice on choosing pens, paper, and inks, setting up your

workspace, mastering various pen angles, along with step-by-step illustrations to guide you as you practice.

- * Explain which alphabets are appropriate for different forms of writing. For example, the Roman alphabet works well for short, unpunctuated passages, while the Italic alphabet is more suited to informal everyday communication.
- * Encourage you to personalize your lettering by using variant strokes and interpreting how you would like the words to look on the page.
- * Inspire you with carefully chosen illustrations and examples, which bring letters to life. In Margaret Shepherd's own words, "Calligraphy trains not only your eye and hand, but your mind as well." Learn Calligraphy is the authoritative primer for this age-old craft, and will help

develop a new appreciation for lettering as you discover your creative personality.

A Creative Craft Kit for Adults featuring Hand Lettering 101 Book, Brush Pens, Calligraphy Pens, and More St. Martin's Press

Written by best-selling author and hand letterer Abbey Sy, *The Complete Photo Guide to Hand Lettering and Calligraphy* covers the basics and beyond for creative lettering techniques.
