A Bad Boy Can Be Good for a Girl

Hachette UK

An emotional, full-hearted teen novel about love, loss, and mental health from the award-winning author of "The Memory of Things." "An achingly fierce exploration of the way the world wounds us and heals us."--Jeff Zentner, William C. Morris award-winning author of "The Serpent King." [Good Kings Bad Kings](#)

Simon and Schuster 13-year-old David discovers that his grandmother's inn is a portal for comical aliens from all over the universe---a secret that, until now, she has been able to keep from her small town. Scrub isn't happy about having to spend the summer with his hippie grandmother in "Middle of Nowhere," Washington. When he arrives at her Intergalactic Bed & Breakfast, he's not surprised by its 1960s-meets-Star Wars decor; but he is surprised by the weird looking guests. It turns out that each room in the inn is a portal and his grandma is the gatekeeper, allowing aliens to vacation on Earth. She desperately needs Scrub's help with disguising the

tourists as humans. As if that weren't difficult enough, the town sheriff is already suspicious of Granny. One wrong move and Scrub could blow Grandma's cover, forcing the B&B to shut down forever. And when it comes to aliens, every move seems wrong . . . Full of cosmic chaos and mind-bending mayhem, Scrub's summer adventure will leave readers wanting to make a return trip. When Reason Breaks Holt Paperbacks Elizabeth Davis and Emily Delgado seem to have little in common except Ms. Diaz's English class and the solace they find in the words of Emily Dickinson, but both are struggling with to cope with monumental secrets and tumultuous

emotions that will lead one to attempt suicide. *We All Looked Up* Harper Collins Bellwether Award winner Susan Nussbaum's powerful novel invites us into the lives of a group of typical teenagers—alienated, funny, yearning for autonomy—except that they live in an institution for juveniles with disabilities. This unfamiliar, isolated landscape is much the same as the world outside: friendships are forged, trust is built, love affairs are kindled, and rules are broken. But those who call it home have little or no control over their fate. *Good Kings Bad Kings* challenges our definitions of what it means to be disabled in a story told with remarkable

authenticity and in voices that resound with humor and spirit.

Tell Me a Story, I Don't Care If It's True Wendy Lamb Books

The author describes his six-month residence in a locked-door psych ward, where he was committed after another suicide attempt.

Quitting the Nairobi Trio Disney-Hyperion Dedicated to Duras' companion with whom she spent her last decade of life, Yann Andréa Steiner is a haunting dance between two parallel stories of love and solitude: the love between Duras and the young Yann Andréa and a seaside romance observed - or imagined - by the narrator between a camp

counselor and an orphaned camper, a Holocaust survivor who witnessed his sister's murder at the hands of a German soldier. Memory blurs into desire as the summer of 1980 flows into 1944. An enigmatic elegy of history, creation, and raw emotion.

SENSATION THAT EVERYONE IS TALKING ABOUT 'After finishing this book, my heart was pounding and I couldn't find words big enough to describe how brilliant, beautiful, and powerful it is.' L.E. Flynn, author of *All Eyes On Her* All Eden wants is to rewind the clock. To live that day again. She would do everything differently. Not laugh at his jokes or ignore the way he was looking at her that night. And she would definitely lock her bedroom door. But Eden can't turn back time. So she buries the truth, along with the girl she used to be. She pretends she doesn't need friends, doesn't need love, doesn't need justice. But as her world unravels, one thing becomes clear: the only person who

can save Eden ... is Eden.

The classic novel about a young woman's struggle against madness, now a Holt Paperback, with a new afterword by the author Hailed by The New York Times as "convincing and emotionally gripping"

upon its publication in 1964, Joanne Greenberg's semiautobiographical novel stands as a timeless and unforgettable portrayal of mental illness. Enveloped in the dark inner kingdom of her schizophrenia, sixteen-year-old Deborah is haunted by private tormentors that isolate her from the outside world. With the reluctant and fearful consent of her parents, she enters a mental hospital where she will spend the next three years battling to regain her sanity with the help of a gifted psychiatrist. As Deborah struggles toward the possibility of the "normal" life she and her family hope for, the reader is inexorably drawn into her private suffering and deep

determination to confront her demons. A modern classic, *I Never Promised You a Rose Garden* remains every bit as poignant, gripping, and relevant today as when it was first published.

"A heartfelt memoir by the father of a gay

teen, and an eye-opening guide for families who hope to bring up well-adjusted gay adults. Three years ago, John Schwartz, a national correspondent at The New York Times, got the call that every parent hopes never to receive: his thirteen-year-old son, Joe, was in the hospital following a suicide attempt. Mustering the courage to come out to his classmates, Joe's disclosure--delivered in a tirade about homophobic attitudes--was greeted with unease and confusion by his fellow students. Hours later, he took an overdose of pills. In the aftermath, John and his wife, Jeanne, determined to help Joe feel more comfortable in his own skin, launched a search for services and groups

that could help Joe understand that he wasn't alone. This book is Schwartz's very personal attempt to address his family's struggles within a culture that is changing fast, but not fast enough to help gay kids like Joe" --

In a futuristic society run by an all-powerful Gov, a bender teen on the cusp of adulthood has choices to make that will change her life—and maybe the world. Fifteen-year-old bender Kivali has had a rough time in a gender-rigid culture.

Abandoned as a baby and raised by Sheila, an ardent nonconformist, Kivali has always been surrounded by uncertainty. Where did

she come from? Is it true what Sheila says, that she was deposited on Earth by the mysterious saurians? What are you? people ask, and Kivali isn't sure. Boy/girl? Human/lizard? Both/neither? Now she's in CropCamp, with all of its schedules and regs, and the first real friends she's ever had. Strange occurrences and complicated relationships raise questions Kivali has never before had to consider. But she has a gift—the power to enter a trancelike state to harness the “knowings” inside her. She has Lizard Radio. Will it be enough to save her? A coming-of-age story rich in friendships and the shattering emotions of first love, this deeply

felt novel will resonate with teens just emerging as adults in a sometimes hostile world.

From the bestselling author of *Crank*, the story of three kids whose lives collide at a mental hospital after each attempts suicide. Sometimes you don't wake up. But if you happen to, you know things will never be the same. Three lives, three different paths to the same destination: Aspen Springs, a psychiatric hospital for those who have attempted the ultimate act—suicide. Vanessa is beautiful and smart, but her secrets keep her answering the call of the blade. Tony, after suffering a painful childhood, can only find peace through

pills. And Conner, outwardly, has the perfect life. But dig a little deeper and find a boy who is in constant battle with his parents, his life, himself. In one instant each of these young people decided enough was enough. They grabbed the blade, the bottle, the gun—and tried to end it all. Now they have a second chance, and just maybe, with each other's help, they can find their way to a better life—but only if they're strong and can fight the demons that brought them here in the first place.

In Teen Angst! Naaah . . . Ned Vizzini offers an authentic and raw portrayal of the crushing anxiety many

teens experience, and which often is dismissed as simple ‘angst’. In this classic testament to high school, Ned invites you into his world of school, parents, cool (and almost cool), music (the good and bad), friends, fame, camp, sex (sort of), Cancún (almost), prom, beer, video games, and more. With wit, irony, and honesty, Vizzini presents the weird, funny, and sometimes mortifying moments that made up his teen years. From the author of Broadway musical sensation *Be More Chill* and *It's Kind of a Funny Story*, this is a quasi-autobiographical examination of one high schooler's battle with social anxiety, written when the author was just nineteen. “Fiercely

intelligent and introspective . . . Insightful, and thoroughly charming.”

Mommy Man Orca Book Publishers
The New York Times bestselling memoir from legendary comedienne Carol Burnett is a “loving, poignant” (People) tribute to her eldest daughter, Carrie Hamilton. The daughter of one of television's most recognizable and beloved stars, Carol Burnett, Carrie Hamilton won the hearts of everyone she met with her kindness, her quirky humor, and her unconventional approach to life. After overcoming her painful and public teenage struggle with drug addiction in a time when personal troubles

were kept private, Carrie lived her adult life of sobriety to the fullest, achieving happiness and success as an actress, writer, musician, and director before losing a hard-fought battle with cancer at age thirty-eight. Now Carol Burnett shares her personal diary entries, photographs, and correspondence as she traces the journey she and Carrie took through some of life's toughest challenges and sweetest miracles. Authentic, intimate, and full of love, *Carrie and Me* is a funny and moving memoir about mothering an extraordinary young woman through the struggles and triumphs of her life.

A Book About Depression Simon and Schuster

Ambitious New York City teenager Craig Gilner is determined to succeed at life—which means getting into the right high school to get into the right college to get the right job. But once Craig aces his way into Manhattan's Executive Pre-Professional High School, the pressure becomes unbearable. He stops eating and sleeping until, one night, he nearly kills himself. Craig's suicidal episode gets him checked into a mental hospital, where his new neighbors include a transsexual sex addict, a girl who has scarred her own face with scissors, and the self-elected President Armelio. There, Craig is finally able to confront the sources of his anxiety. Ned Vizzini, who himself spent time

in a psychiatric hospital, has created a remarkably moving tale about the sometimes unexpected road to happiness. Featuring a new cover with key art from the

film starring Keir Gilchrist, Zach Galifianakis, Lauren Graham, and Emma Roberts, the movie tie-in edition is sure to attract new fans to this beloved novel.
