## ASHLEY OBRIEN

[The Complete Prose of Woody Allen](#) Samuel French, Inc.

His first new collection of short humor in fifteen years is classic Woody Allen. Zero Gravity is the fifth collection of comic pieces by Woody Allen, a hilarious prose stylist whose enduring appeal readers have savored since his classics Getting Even, Without Feathers, Side Effects, and Mere Anarchy. This new work combines pieces that have appeared in The New Yorker along with eleven written exclusively for this book, each a comic inspiration. Whether he's writing about horses that paint, cars that think, the sex lives of celebrities, or how General Tso's Chicken got its name, he is always totally original, broad yet sophisticated, acutely observant, and most important, relentlessly funny. Along with titles like "Buffalo Wings, Woncha Come Out Tonight" and "When Your Hood Ornament Is Nietzsche," included in this collection is his poignant but very funny short story, "Growing Up in Manhattan." Daphne Merkin has written the foreword. Zero Gravity implies

writing not to be taken seriously, but, as with any true humor, not all the laughs are weightless.

A Los Angeles Times bestseller A New York Times Book Review "Editor's Choice" Selection "Even the die-hardest Casablanca fan will find in this delightful book new ways to love the movie they were certain they could never love more." —Sam Wasson, best-selling author of Fifth Avenue, 5 A.M. Casablanca is "not one movie," Umberto Eco once quipped; "it is 'movies.'" Film historian Noah Isenberg's We'll Always Have Casablanca offers a rich account of the film's origins, the myths and realities behind its production, and the reasons it remains so revered today, over seventy-five years after its premiere.

*Funny: The Book* National Geographic Books

A witty, candid, sharply written memoir by the cofounder of Steely Dan In his entertaining debut as an author, Donald Fagen—musician, songwriter, and cofounder of Steely Dan—reveals the cultural figures and currents that shaped his artistic sensibility, as well as offering a look at his college days and a hilarious account of life on the road. Fagen presents the "eminent hipsters" who spoke to

him as he was growing up in a bland New Jersey suburb in the early 1960s; his colorful, mind-expanding years at Bard College, where he first met his musical partner Walter Becker; and the agonies and ecstasies of a recent cross-country tour with Michael McDonald and Boz Scaggs. Acclaimed for his literate lyrics and complex arrangements as a musician, Fagen here proves himself a sophisticated writer with his own distinctive voice.

[Getting Even](#) Rowman & Littlefield

The wildly inventive debut collection of stories by the Oscar-nominated star of The Social Network. "Hilarious . . . It's a hoot" (People, The Best New Books). Jesse Eisenberg, known for his iconic film roles, his regular pieces in the New Yorker and two critically acclaimed plays, proves himself "a deeply original comic voice" in these 28 stories" about the funniness, sadness, and strangeness of everyday life and they really made me laugh" (Roz Chast). Moving from contemporary LA to the dorm rooms of an American college to ancient Pompeii, Eisenberg throws the reader into a universe of social misfits, reimagined scenes from history, and ridiculous overreactions; a college freshman forced to live with a roommate is stunned when one of her ramen packets goes missing

("She didn't have 'one' of my ramens. She had a chicken ramen."); Alexander Graham Bell has teething problems with his invention ("I've been calling Mabel all day, she doesn't pick up! Yes, of course I dialed the right number—2!"); and in the title story, a precocious and privileged nine-year-old boy finds himself in the uncomfortable position as an amateur restaurant critic. Featuring illustrations by award-winning cartoonist Jean Jillian, this "alphabet soup of sketches, riffs, and innovations" (Seattle Times) explores the various insanities of the modern world, "playfully bringing both familiar and wholly original scenarios to life" (Marie Claire). [Mere Anarchy](#) New York Review of Books

Seminar paper from the year 2008 in the subject Communications - Miscellaneous, grade: 2,0, University of Siegen, course: Mere Anarchy? Woody Allen Films, language: English, abstract: Woody Allen, born Allen Stewart Konigsberg, is a Jewish artist, who is mostly known as filmmaker - but he carries several faces and puts his work into several fields. Although his movies often seem to deal with the same topics, Allen never concentrates on only one genre, as we worked out during our seminar and the expert sessions. Besides his widely spread image of the intellectual and humorous filmmaker, he put his thoughts into prose and stand-up comedy, too; he wrote articles for magazines like New York Times, Playboy or The New Republic and of course he is known through his roles in his own films. By acting out his own roles he has written, Woody Allen as the private person and the public known Woody Allen, somehow melted together; so, the viewer can find more personal elements in Allen's movies, as he or she may expect. Or better said, he by some means performed himself through the stories of his films. Besides the fact that Allen mostly acted out the role of the protagonist in his movies and barring that the topics of the movies seem to be repetitive, there are other typical elements that continuously appear in his movies, what in this paper - as it already have been in our expert session - will be depicted as "allenesque elements". These are for instance the neurotic characters, the Jewishness (that apparently refers to his private persona), the psycho-analysis, the fusion of reality and fiction, unhappy relationships, love-affairs and the element of the anxious behavior, towards special issues, of some of his characters are just a number of the main subjects that are typical of Woody Allen stories. But Allen's audience is not only "confronted" with these topics in his movies; as already mentioned, he also developed his ideas in prose and short stories. With his book "Mere Ana

Here they are--some of the funniest tales and ruminations ever put into print, by one of the great comic minds of our time. From THE WHORE OF MENSA, to GOD (A Play), to NO KADDISH FOR WEINSTEIN, old and new Woody Allen fans will laugh themselves hysterical over these sparkling gems.

[Promising Young Women](#) Random House

Secondary Traumatic Stress (STS) is a trauma that can occur in anyone who witnesses the suffering of others or helps another through a traumatic experience. Those at risk include health care providers, first responders, people in journalism, law, teaching, correctional services, animal health care and those caring for loved ones at home, among others. STS can profoundly impact both your professional and personal life. Dismissing the symptoms only make matters worse. But STS does not need to be a life sentence. Overcoming traumatic stress is possible and can even be transformational as this heart-warming and sometimes humorous memoir suggests. This book provides information about STS, its symptoms and treatment, as well as ways to help prevent it.

Celebration of a great talent.

[Complete Prose](#) New York Review of Books

'I am greatly relieved that the universe is finally explainable. I was beginning to think it was me.' Thus begins 'Strung Out', Woody Allen's hilarious application of the laws of the universe to daily life. Mere Anarchy, Woody Allen's first collection in over 25 years, features eighteen witty, wild and intelligent comic pieces - eight of which have never been in print before. Surreal, absurd, rich in verbal play, biting satirical and just plain daft in the mode we have grown to love from his finest films, this flight-of-fancy collection includes tales of a body double who, mistaken for the film's star, is kidnapped by outlaws; a pretentious novelist forced to work on the novelisation of a Three Stooges film; a nanny secretly writing an expose of her Manhattan employers; crooks selling bespoke prayers on eBay; and how to react when you're asked to finance a Broadway play about

the invention and manufacture of the adjustable showerhead.

[Apropos of Nothing](#) Open Road + Grove/Atlantic

Woody Allen is not only one of the great movie directors but one of the foremost creative artists of our time. In over forty-five movies, from Annie Hall to Midnight in Paris, and through a career that's included stand-up, play-writing, screenwriting, directing, and acting, Woody has evolved more than reinvented himself. In the first biography of Allen in over twenty years, David Evanier writes about Allen's private life as well as his very public career. He untangles fact from rumor about Allen's relationship with Mia Farrow as well as the great scandals that surfaced in the 1990s and recently resurfaced, and makes thoughtful connections between Allen's romantic relationships and the characters in his movies. In fresh interviews with collaborators, boyhood pals, family and friends, Evanier fills in fascinating details about where Woody came from, how he got his start, and how he has been able to be moral in his business dealings and make exactly the movies that interest him most with the people who interest him most, from Diane Keaton to Cate Blanchett to Michael Caine. Even the closest Allen-watcher will be riveted by Evanier's rich portrait: detailed but sweeping, Woody is the biography of an artist who has never lost his passion, talent and capacity to break new artistic ground, who has always been swept up in the creative act of becoming.

[Woody on Rye](#) Simon and Schuster

"Suzanne Scanlon enters the inverted space of grief and near-madness with courage, intelligence, and wit—and with a small, sharp light for us to follow." —Dawn Raffel A series of fragmentary tales tells the story of Lizzie, a young woman who, in her early twenties, unexpectedly embarks on a journey through psychiatric institutions, a journey that will end up lasting many years. With echoes of Sylvia Plath, and against a cultural backdrop that includes Shakespeare, Woody Allen, and Heathers, Suzanne Scanlon's first novel is both a deeply moving account of a life of crisis and a brilliantly original work of art.

[Zero Gravity](#) Alfred A. Knopf

God.

[Woody Allen](#) Random House Trade Paperbacks

Everything that makes Will Self's fiction so arresting and original is in evidence here in this collection of his best articles, book reviews and interviews from the Observer, the Guardian, the Independent, the Evening Standard and many more. Whether describing penis operations, narcotics or merely pondering the nature of slacking, these pieces are as witty and acerbic as one would expect from one of our foremost contemporary satirists.

[Loser Take All](#) Simon and Schuster

"Francine Prose is a world-class satirist who's also a world-class storyteller."—Russell Banks

Francine Prose captures contemporary America at its most hilarious and dreadful in My New American Life, a darkly humorous novel of mismatched aspirations, Albanian gangsters, and the ever-elusive American dream. Following her New York Times bestselling novels Blue Angel and A Changed Man, Prose delivers the darkly humorous story of Lula, a twenty-something Albanian immigrant trying to find stability and comfort in New York City in the charged aftermath of 9/11. Set at the frontlines of a cultural war between idealism and cynicism, inalienable rights and implacable Homeland Security measures, My New American Life is a moving and sardonic journey alongside a cast of characters exploring what it means to be American.

[Woody Allen](#) Random House

Although Woody Allen's films have received extensive attention from scholars and critics, no book has focused exclusively on Jewishness in his work, particularly that of the late 1990s and beyond. In this anthology, a distinguished group of contributors whose work is richly contextualized in the fields of literature, philosophy, film, theater, and comedy examine the schlemiel, Allen and women, the Jewish take on the morality of murder, Allen's take on Hebrew scripture and Greek tragedy, his stage work, his cinematic treatment of food and dining, and what happens to Jew when Woody takes his films out of New York City. Considered together, these essays delineate the intellectual, artistic, and moral development of one of cinema's most durable and controversial directors.

[Bream Gives Me Hiccups](#) Baker's Plays

The Long-Awaited, Enormously Entertaining Memoir by One of the Great Artists of Our Time—Now a New York Times, USA Today, Los Angeles Times, and Publisher's Weekly Bestseller. In this candid and often hilarious memoir, the celebrated director, comedian, writer, and actor offers a

comprehensive, personal look at his tumultuous life. Beginning with his Brooklyn childhood and his stint as a writer for the Sid Caesar variety show in the early days of television, working alongside comedy greats, Allen tells of his difficult early days doing standup before he achieved recognition and success. With his unique storytelling pizzazz, he recounts his departure into moviemaking, with such slapstick comedies as Take the Money and Run, and revisits his entire, sixty-year-long, and enormously productive career as a writer and director, from his classics Annie Hall, Manhattan, and Annie and Her Sisters to his most recent films, including Midnight in Paris. Along the way, he discusses his marriages, his romances and famous friendships, his jazz playing, and his books and plays. We learn about his demons, his mistakes, his successes, and those he loved, worked with, and learned from in equal measure. This is a hugely entertaining, deeply honest, rich and brilliant self-portrait of a celebrated artist who is ranked among the greatest filmmakers of our time.

[My New American Life](#) Macmillan

This is the first uncensored, unauthorized biography of a filmmaker who is to his era what Charlie Chaplin & Buster Keaton were to theirs - & the first biography to investigate all the sensitive subjects both personal & professional that Woody does not talk about.

[Woody](#) A&C Black

Three delightful one-act plays set in and around New York, in which sophisticated characters confound one another in ways only Woody Allen could imagine Woody Allen's first dramatic writing published in years, "Riverside Drive," "Old Saybrook," and "Central Park West" are humorous, insightful, and unusually readable plays about infidelity. The characters, archetypal New Yorkers all, start out talking innocently enough, but soon the most unexpected things arise—and the reader enjoys every minute of it (though not all the characters do). These plays (successfully produced on the New York stage and in regional theaters on the East Coast) dramatize Allen's continuing preoccupation with people who rationalize their actions, hide what they're doing, and inevitably slip into sexual deception—all of it revealed in Allen's quintessentially pell-mell dialogue.

[Eminent Hipsters](#) Arcade

"Utterly delightful" essays from the creator of the HBO's Bored to Death reveal intimate details of his life as a famously neurotic New York writer (Brendan Halpin, Los Angeles Times). Jonathan Ames has drawn comparisons across the literary spectrum, from David Sedaris to F. Scott Fitzgerald to P.G. Wodehouse, and his books, as well as his abilities as a performer, have made him a favorite on the Late Show with David Letterman. Whether he's chasing deranged cockroaches around his apartment, kissing a beautiful actress on the set of an avant-garde film, finding himself stuck perilously on top of a fence in the middle of the night in Memphis, or provoking fights with huge German men, Jonathan Ames has an uncanny knack for getting himself into outlandish situations. In I Love You More Than You Know, Ames once again turns his own adventures, neuroses, joys, heartaches, and insights into profound and hilarious tales. Alive with love and tenderness for his son, his parents, his great-aunt—and even strangers in bars—Ames looks beneath the surface of our world to find the beauty in the perverse, the sweetness in loneliness, and the humor in pain in essays that are "both poignant and silly—an irresistible mix" (John Dicker, Philadelphia Weekly).

[Woody Allen](#) Grove Press

This revised and updated edition gathers interviews and profiles covering the entire forty-five-year span of Woody Allen's career as a filmmaker, including detailed discussions of his most popular as well as his most critically acclaimed works. The present collection is a complete update of the volume that first appeared in 2006. In the years since, Allen has continued making movies, including Midnight in Paris and the Oscar-winning Blue Jasmine. While many interviews from the original edition have been retained in the present volume, nine new entries extend the coverage of Allen's directorial career through 2015. In addition, there is a new, in-depth interview from the period covered in the first edition. Most of the interviews included in the original volume first appeared in such widely known publications and venues as the New York Times, the Washington Post, Time, the New Yorker, Rolling Stone, and Playboy. A number of smaller and lesser-known venues are also represented, especially in the new volume. Several interviews from non-American sources add an international perspective on Allen's work. Materials for the new volume include pieces focusing primarily on Allen's films as well as broader profiles and interviews that also concentrate on his literary talent. Perhaps Stephen Mamber best describes Allen's distinctiveness, especially early in his career: "Woody Allen is not the best new American comedy director or the best comedy writer or the best comedy actor, he's simply the finest combination of all three."
