A Memoir of Seven Generations A&C Black

All families have their myths and Juliet Nicolson's was no different- her flamenco dancing great-great-grandmother Pepita, the flirty manipulation of her great-grandmother Victoria, the infamous eccentricity of her grandmother Vita, her mother's Tory-conventional background. A House Full of Daughterstakes us through seven generations of women. In the nineteenth-century slums of Malaga, the salons of fin-de-si cle Washington DC, an English boarding school during the Second World War, Chelsea in the 1960s, these women emerge for Juliet as people in their own right, but also as part of who she is and where she has come from.

A "sparkling social history" that brings the twilight of the Edwardian era to life (Entertainment

Weekly). The Perfect Summer chronicles a glorious English summer just over a century ago, when the world was on the cusp of irrevocable change. That summer of 1911, a new king was crowned and the aristocracy was at play, bounding from one house party to the next. But perfection was not for all. Cracks in the social fabric were showing. The country was brought to a standstill by industrial strikes. Temperatures rose steadily to more than 100 degrees; by August, deaths from heatstroke were too many for newspapers to report. Drawing on material from intimate and rarely seen sources and narrated from the viewpoints of a series of exceptional individuals—among them a debutante, a choirboy, a politician, a trade unionist, a butler, and the queen—The Perfect Summer is a vividly rendered glimpse of a bygone time and place. "Brimming with delectable information and little-known facts . . . manages to describe every stratum of English society . . . Where Nicolson is especially good, however, is with the royals and the aristocracy, whose country estates, salons, entertainments, and affairs—discreet and indiscreet—she describes with accuracy and humor." —The Providence Journal "A hugely interesting portrait of a society teetering on a precipice both nationally and internationally . . . As page turning as a novel." —Joanna Trollope *How to Have Great Meetings* Harlequin

In 1933, seventeen-year-old Bea is invited to visit her bohemian uncle in Italy where she meets Ben, a brash young artist, who challenges her to create the perfect summer romance.

Fighting is the only way to survive. Single mom Ruby Lewis dreamed of becoming a ballerina. Instead of performing for the rich and famous, she's swinging her fists at girls twice her size in filthy underground fights. Begging for her next meal, she often thinks of the only boy she ever cared about. But when he shows up at one of her fights, she's not ready to run into his arms. Instead, she's ready to go five rounds with him in the ring. Hoping to sign with one of the biggest boxing promoters in the country, Kross Maxwell must maintain a near-perfect record. He can't afford to lose any more bouts, but his head isn't in the ring. To get back in the game, he goes in search of the girl he walked away from, the one who still owns his heart. As Kross struggles for Ruby's attention, and Ruby strives to get her daughter out of foster care, they both must let go of the past if they want any chance to build a family. This book can be read as a standalone. ABOUT THE SERIES: The Maxwell Series is about four brothers who are all about family, duty, honor, and will do anything to protect those they love. Be prepared for all the feels as Kade, Kelton, Kross, and

Kody put their hearts on the line. For a better reading experience, it's recommended to read the books in order. 1. Dare to Kiss 2. Dare to Dream 3. Dare to Love 4. Dare to Dance 5. Dare to Live 6. After college, Vincent Yanez with his friend Chris decide to meander across Europe in search of the meaning of life, the perfect gelato and a nice place to lay their heads. During their adventures, the lads find themselves locked in a Scottish dungeon, being serenaded by Placido Domingo and have their passports taken by the Czech authorities as they are caught in an attempt to sneak into Prague. They discover that Vincent Van Gogh is not only alive, but managing a small hotel in Holland, accidentally wander into the middle of a Nazi-rally, and little by little discover that remarkable things await around every corner, down every avenue. They learn that when you are open to the possibility of adventure it doesn't matter which road you take.

A family memoir that traces the myths, legends, and secrets of seven generations of remarkable women All families have their myths and legends. For many years Juliet Nicolson accepted hers--the dangerous beauty of her flamenco dancing great-great-grandmother Pepita, the flirty manipulation of her great-grandmother Victoria, the infamous eccentricity of her grandmother Vita Sackville-West, her mother's Tory-conventional background. But then Juliet, a distinguished historian, started to question. As she did so, she sifted fact from fiction, uncovering details and secrets long held just out of sight. *A House Full of Daughters* takes us through seven generations of women. In the nineteenth-century slums of Malaga, the salons of fin-de-siecle Washington D.C., an English boarding school during the Second World War, Chelsea in the 1960s, the knife-edge that was New York City in the 1980s, these women emerge for Juliet as people in their own right, but

also as part of who she is and where she has come from. *A House Full of Daughters* is one woman's investigation into the nature of family, memory, and the past. As Juliet finds uncomfortable patterns reflected in these distant and more recent versions of herself, she realizes her challenge is to embrace the good and reject the hazards that have trapped past generations.

Author Angela Bomford's childhood in Wallasey, England, was filled with air raids, bombs, and gas masks. In *A Time to Dance*, Bomford recalls her adventures as a young Christian as she struggles to break into show business in 1950s England. Tragedy and comedy follow her across Europe, where she has a peek behind the Iron Curtain and adventures in Paris and Vienna. She narrates how failed romance triggers serious self-doubt—until her walk with the Lord leads her to a deep, lifelong romance with the man she had a crush on as a young teenager. A whirlwind courtship takes her across the Atlantic Ocean to Peru, Panama, and the United States. From working as an assistant stage manager in England to acting on movie sets in Florida, this true story brings both a lump to the throat and laughter to the lips. With photos included, *A Time to Dance*, Bomford shares her life story, giving insight into growing up against the backdrop of World War II, working in show business, and placing her life in the hands of the Lord.

Shard is a gryphon in exile from the pride of the Silver Isles. After learning of the injustices wrought by the Red King he once served loyally, Shard now seeks to fulfill the promise of the legendary Summer King, who is destined to bring peace and balance when he appears. Shard's quest will take him across the sea to the homeland of the gryfons who conquered the Silver Isles, into a web of new allies and new enemies, winged and wingless alike. There he will learn of the fierce enmity that drove the Red King and his pride from their homeland, and the deadly grudge stretching back two generations that, if left unfinished, could destroy them all.

One day I woke up and realized that I had been lost for quite some time. I had got comfortable with how life was treating me. I no longer cared about how I presented myself, stuck between life and death, you know Purgatory. The real me had left long ago and the figure that I saw before me was just a shell that protects me until I could be found again. I had everything a woman could ask for and more yet somehow and somehow I forgot about myself and ended up in the purgatory of living. When I had my epiphany, I discovered some things that I should have seen all along but was too busy allowing life to consume me that I didn't care to pay attention. You know, taking care of kids, husband, family, work, friends and oh yeah, then me if I'm not too tired.... Me! One day I found myself on the outside of the milk carton... Lost, hanging in the purgatory of living. It was the shock of my life yet not a shock for everyone else. Most often others can see what's going on in your life even when you cannot (or you think you do). Don't let that to happen to you or to allow it to continue. You can step out of the purgatory of living and into a new beginning. It could be easier than you think it is. For me... I have some changing to do and the changing can only be done by me for me. I cannot change you or the rest of the world but we can help each other with the process of changing for the better.... TOGETHER! And look who we shall find! (You and me too) Let's begin... how did I lose myself?

In the City of Lights, at the dawn of a new age, begins an unforgettable story of great love, great art—and the most painful choices of the heart. With this fresh and vibrantly imagined portrait of the Impressionist artist Edgar Degas, readers are transported through the eyes of a young Parisian ballerina to an era of light and movement. An ambitious and enterprising farm girl, Alexandrie joins the prestigious Paris Opera ballet with hopes of securing not only her place in society but her family's financial future. Her plan is soon derailed, however, when she falls in love with the enigmatic artist whose paintings of the offstage lives of the ballerinas scandalized society and revolutionized the art world. As Alexandrie is drawn deeper into Degas's art and Paris's secrets, will she risk everything for her dreams of love and of becoming the ballet's star dancer?

**** THE SUNDAY TIMES BESTSELLER **** Juliet Nicolson is brilliant at recapturing mood, moment and character . . . This book is a must! Peter Hennessy On Boxing Day 1962, when Juliet Nicolson was eight years old, the snow began to fall. It did not stop for ten weeks. The drifts in East Sussex reached twenty-three feet. In London, milkmen made deliveries on skis. On Dartmoor 2,000 ponies were buried in the snow, and starving foxes ate sheep alive. It wasn't just the weather that was bad. The threat of nuclear war had reached its terrifying height with the recent Cuban Missile Crisis. Unemployment was on the rise, de Gaulle was blocking Britain from joining the European Economic Community, Winston Churchill, still the symbol of Great Britishness, was fading. These shadows hung over a country paralysed by frozen heating oil, burst pipes and power cuts. And yet underneath the frozen surface, new life was beginning to stir. From poets to pop stars, shopkeepers to schoolchildren, and her own family's experiences, Juliet Nicolson traces the hardship of that frozen winter and the emancipation that followed. That spring, new life was unleashed, along with freedoms we take for granted today. 'Frostquake is wholly remarkable . . . a rare and engrossing read that brought that time straight back to my memory and consciousness' Vanessa Redgrave 'As gripping as any thriller, Frostquake is the story of a national trauma that came out of nowhere and changed us forever. Brilliantly written and almost eerily relevant to our current troubles, I read it in one sitting' Tony Parsons ****A THE TIMES/SUNDAY TIMES 'BOOK TO LOOK OUT FOR' IN 2021****
