To attempt an overview of ethical puzzles in a short book is a major challenge. To encourage people to think for themselves, and understand and apply philosophical approaches to ethical decision-making is a greater challenge. The Puzzle of Ethics (Book Review) The Puzzle of Ethics is not an exhaustive work. It is a fine introduction which should stimulate the (very necessary) action of pursuing areas in depth, if one is undertaking a serious study. If one only seeks an overall view of the area, it may be sufficient for this. Amazon.com: The Puzzle of Ethics (9780765601643): Vardy ...
